

# COHASSET SCHOOL COMMITTEE

2021 - 2022  
GOALS

# Cohasset Public Schools Mission

Cohasset Public Schools places students first. We provide an optimal teaching and learning environment by cultivating empathy, global citizenship, agency, inclusivity, and community engagement to empower students to realize continuous personal growth and achievement.

# Cohasset Public Schools Vision

Empower Students to improve communities.

# Compass Point #1: Teaching and Learning

**Strategic Objective:** Improve student learning through aligned & high-quality PK-12 curriculum, strong instructional practices, and personalized learning

Host four student-led project-based learning presentations at Committee meetings, with an emphasis on cultural competence and inclusion (SI 1 & 4)

Include a data-driven Student Services presentation at one meeting/month (SI 1, 5 & 6)

Include two presentations from the District Technology Director: use of technology in classrooms, and use of technology in Student Services and educational inclusion and advancement (SI 7)

# Compass Point #2: Social and Emotional Wellness

**Strategic Objective:** Promote equitable opportunities for, and social-emotional wellness of all students

Host two presentations focused on the arts and other extracurricular activities, specifically as it relates to opportunities for participation for all students (SI 5)

Each committee member will support at least one event celebrating student achievement in the arts (SI 5)

Host a special public forum/discussion centered on Student Services (SI 4)

# Compass Point #3: Resources

**Strategic Objective:** Maximize the potential of students, staff, parents and community through effective resource allocation

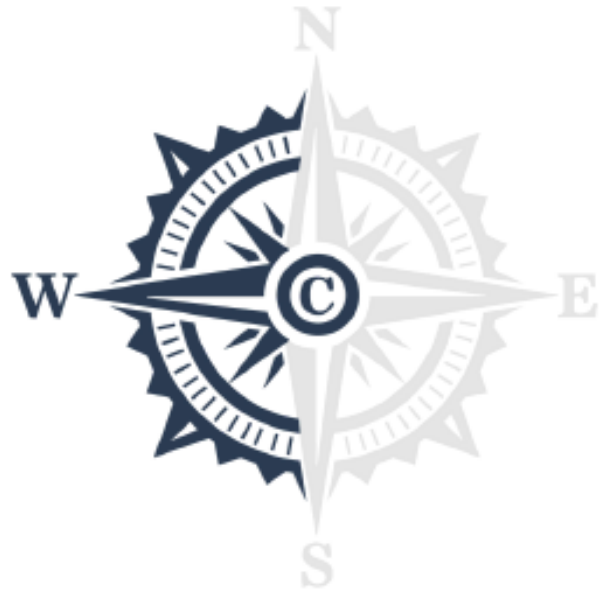

Invite the School Facilities Committee to present at two school committee meetings on their progress (SI 2)

Have public review of food services options, menu development and food sourcing (SI 5)

Mobilize the Finance and Facilities Subcommittee and Committee as a whole at the start of the school year, and work throughout, to ensure a safe and comfortable environment for all, specifically as it relates to climate control (SI 5)

# Compass Point #4: Communication and Engagement

**Strategic Objective:** Develop effective communication, engagement, and partnerships between home, school, and community

Support an update/redesign of the district website (SI 2 & 5)

Collaborate with town leadership to create a community resource guide for use by school and building leadership (SI 1, 2, 3 & 5)

Host a community volunteer/resource forum designed to Increase support for experiential learning opportunities for students (SI 1, 2 & 3)
