Building Community

Relationships are IMPORTANT
to all of us!

Restorative practices aim to develop community and to manage conflict and tensions by repairing harm and building relationships.

Digital Citizenship

THINK *Is it...*

True, Helpful, Inspiring, Necessary and Kind?

- **Be aware of what your child is searching**
- Talk openly with your child about their online activity.
- Discuss safe versus unsafe practices with boundaries.
- Outline what makes content appropriate versus inappropriate and safe.
- Know who your child's online friends are
- Encourage a "share aware" mindset to protect your privacy.
- Encourage your child to say something to you or a school official if they see something that is unsafe
- *Think critically about what you view online*

Cell phones

At IHS, students are not allowed to have their phones out during class.

Experts recommend that parents and guardians monitor all social media activity

Protect your student, inform yourself

Be aware of the different platforms

Help us maintain a safe school environment by...

Reminding your child-

To carry their school ID with them at all times

To follow directions for fire and emergency drills

Reports all suspicious or unsafe activity to a staff member

Refrains from opening external doors for anyone

Please

Monitor your child's internet and social media usage

Call attendance (336-2919) when your child is absent, has an appointment, or is arriving late to school

Report concerns about safety to the **Safe School Helpline** : 1-800-418-6423 or text TIPS to 66746

SEAL OF CIVIC READINESS EXPECTATIONS

The Seal of Civic Readiness is a formal recognition that a student has attained a high level of proficiency in terms of civic knowledge, civic skills, civic mindset, and civic experiences. The Seal of Civic Readiness distinction on a high school transcript and diploma:

- shows the student's understanding of a commitment to participatory government; civic responsibility and civic values;
- demonstrates to universities, colleges, and future employers that the student has completed an action project in civics or social justice; and
- recognizes the value of civic engagement and scholarship.

It's all about balance...

- We are a comprehensive high school and have many courses for your student to experience!
- There's something for everyone including art, technology, business, and much more – our course catalog is available online.
- We encourage students to challenge themselves with an Advanced or AP/college level course before graduation.

Counselors work with students 1:1 each year to discuss and plan for their individual post secondary plans. This may include:

- 2 or 4 year college
