

## **PROFESSIONAL STAFF HIRING**

Through its employment policies, the District will attract, secure, and hold the highest qualified personnel for all professional positions, striving to create a representative and inclusive staff, such that all students see themselves represented in adults who work and teach in Cohasset Public Schools. The selection process will retain candidates who devote themselves to the education and welfare of the children attending the schools.

It is the responsibility of the Superintendent, and of persons to whom they delegate this responsibility, to determine the personnel needs of the school district and to locate suitable candidates. No position may be created without the approval of the School Committee. The District's goal is to employ and retain personnel who are motivated, will strive always to do their best, and are committed to providing the best and most inclusive educational environment for the children.

It will be the duty of the Superintendent to see that persons considered for employment in the schools meet all certification requirements and the requirements of the Committee for the type of position for which the nomination is made.

The following guidelines will be used in the selection of personnel:

1. There will be no discrimination in the hiring process due to race, color, ethnicity, religion, national origin, sex, gender identity, gender expression, sexual orientation, age, genetic information, ancestry, veteran status, military status, disability, age, pregnancy or pregnancy related condition.
2. The quality of instruction is enhanced by a staff with a wide variation in background, educational preparation, and previous experience.
3. The administrator responsible for the hiring of a staff member (in the case of District-wide positions, for the position of Principals, it is the Superintendent; for building-based personnel, it is the Principal) is directed to establish a representative screening committee. The administrator has the final say in determining who will be hired but it is expected that the screening committee's input will be a factor in the decision. For those positions where the hiring authority rests with the School Committee, a representative screening committee may be established by the School Committee, or the School Committee may direct the Superintendent to establish a screening committee to assist the Superintendent in making their recommendation to the School Committee.

U.S. uniformed military service member status, disability, age (student age eligibility requirements excepted), homelessness, marital or parental status, pregnancy or pregnancy related condition, or any status or characteristic protected under applicable federal, state or local law.
