

## **STUDENT FEES FINES AND CHARGES**

The School Committee recognizes the need for student fees to fund certain school activities. It also recognizes that some students may not be able to pay these fees. No student will be denied access into any program because of inability to pay these supplementary charges.

A school may exact a fee or charge upon School Committee approval. The schools, however, may:

Charge students enrolled in certain courses for the cost of materials used in projects that will become the property of the student.

Charge for lost and damaged books, materials, supplies, and equipment.

Students who are indigent are exempt from paying fees. However, indigent students are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.
