from the desk of Carolyn Connolly...

The Middle School concert on Thursday night was a smashing success under Mr. Bleier's inspired and humorous direction! The auditorium was packed and after exciting performances of both chorus and band, I bet it was wasy for parents and caregivers to understand their students' admiration for Mr. Bleier. We are stuly lucky to have him as part of our faculty. Thanks to everyone who was able to come and support those student groups as well as the cast of "Bedtime Stories" a few weeks ago. Our middle schoolers are certainly stealing the show these days!

That seems an appropriate segue to talk about the continuation of our work to instill the Skipper Creed tenets into the culture of the middle school. As you are aware, we began the year by sharing with students and with the community the following:

Students are recognized by faculty and staff when they are "caught" doing all of these things and rewards tickets are accumulated by grade. So far, the 7th grade has been rewarded with a grade-level breakfast, and students who have demonstrated individual commitment and growth will be recognized before the holidays. My message to the students remains: this is a school where we are respectful of everyone every day!

As noted on a following page, the staff of CMHS is collecting items for a giving tree, but our students are also collecting . Led by Maddie Beach, the InterACT Club (our junior Cohasset Rotary) is **collecting toys for children in need and would very much appreciate any donation of a new, un-wrapped toy! A collection bin will be at each of the building entrances to school from 12/11/17 until 12/20/17.** No donation is too small, and thank you in advance for helping our students understand the broader meaning of the "holiday spirit!"

HOUR OF CODE 2017

With technology changing every industry on the planet, computing knowledge has become part of a well-rounded skillset. If you heard about the Hour of Code last year, you might know it made history. 100 million students have now discovered how accessible and fun computer science can be by doing just one Hour of Code.

Join us for the Cohasset Middle-High School Hour of Code on:

- **Tuesday, December 5** for High School students
- **Thursday, December 7** for Middle School students

The event will be held in the Learning Commons after school. It is a one-hour introduction to computer science, designed to demystify code and show that anybody can learn the basics.

No sign ups or RSVP needed!

CMHS Giving Tree

Now that the holiday season is upon us, we have partnered with the Carolina House in Marshfield to collect much needed items for the homeless families currently being housed there.

The Carolina House is in need of the following items:

Any new piece of clothing listed below (adult or children sizes male or female). The collection will take place from 12/4—12/22/17.

- * CVS Gift card
- * Hats
- * Scarves
- * Gloves/Mittens
- * Grocery Store Gift Cards
- * Socks

All donations can be brought to the main office and will be hung on the tree—our goal is a tree filled from top to bottom!

Your kindness and generosity are greatly appreciated!
