MIDDLE SCHOOL "CELEBRATION" FOOD DRIVE—EXTENDED TO FRIDAY!

news from the Middle School...

MS Student Council is off to a rocking start this year! The Halloween Dance is planned, the first drive to support the Cohasset Food Pantry is underway, and students have already had two spirit days! It is always exciting to see students taking on leadership roles and bringing new ideas to the middle school for fun student activities. Fall Intramurals are also causing a buzz, with a huge turnout for High Tea with Mrs. Nelligan and Mrs. McCarthy and an energetic group mountain biking with Mr. Fortin. Thanks to all of the teachers and parents who invest in this important program for our students.

On the following page, please note the exciting new addition to our middle school yearbook! As the upperclassmen of the middle school, 8th grade students can have a special message dedicated to them by friends and family. We think it is a fun new way to recognize the end of their middle school years and hope you will consider participating! A page full of "tweets" from 2016-17 will likely seem old-fashioned and hilarious to them when they are grown up—so what a fun way to make memories.

news from the High School...

Homecoming was a great success! The high school student council did a fabulous job planning a fun spirit week and rally—and everyone had a great time while maintaining a respectful environment. Hats off to our students as there are lots of school where such things have had to go the way of the dinosaur because kids can't handle the freedom. Ours were exceptional this week, with my favorite memory being the senior class sing-a-long of "Tiny Dancer" at lunch on Wednesday. The seniors voted their following classmates into the Homecoming Court and they were recognized at half-time of tonight's football game with gorgeous bouquets donated by the Gridiron.

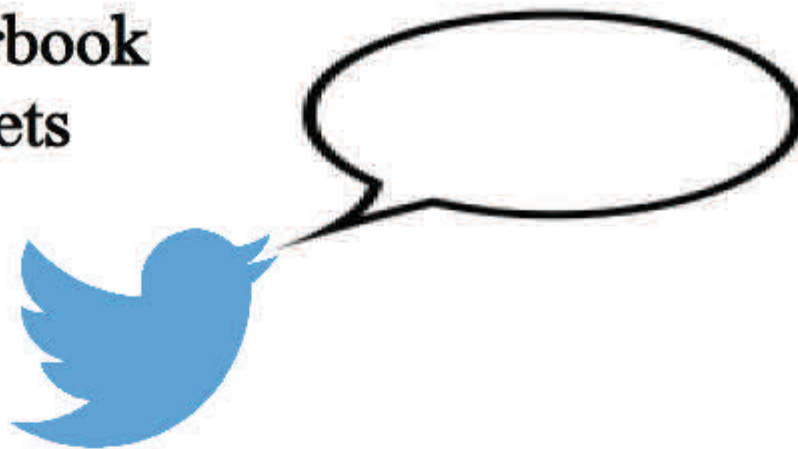

**Marina Longo
Katie McKeon
Caroline O'Brien
Danielle Picot**

**Matthias Loft
Will Lucier
Liam O'Connell**

and Emma Morris and Reed Parks as our king and queen!

Yearbook Tweets

Grade 8 parents can now celebrate their child's middle school experience in a 140 character or less personalized yearbook message.

Parent Name: _____

Student Name: _____

Your Personal Message (*please print*): _____

Parent contact information should a question arise:

Cell: _____ Email: _____

Please make your \$10.00 check payable to CMHS and mark the envelope to the attention of Cynthia Gordon room 109. Please email any questions to cgordon@cohassetk12.org

All submissions must be received no later than November 1, 2016 - we will be unable to accept any submission after this date.
