MCAS 9th GRADE PHYSICS

from the desk of Carolyn Connolly...

Thanks to Mrs. Duggan, Mrs. Melia, and our PSO for bringing humanitarian Razia Jan to meet with the 6th grade class today! As the founder of **Razia's Ray of Hope**, Ms. Jan founded and currently supports the only private school for girls in her native Afghanistan. Razia was a long-time resident of Duxbury, MA and we were most fortunate that she was able to visit and talk with students in person, and pleased that through the generosity of the PSO we were able to present her with a check to support an Afghan girl's education!

Seniors made us proud at the prom last night! They appeared to be having a ball and danced all night—hooray! Cheers to parents for making the post prom such a special time too; students have reported back to me with great enthusiasm. As we prepare for graduation, I wanted to share with parents of seniors that after students complete their town-wide Day of Service on 5/31, we will meet for a Class Picnic on the town common. Students will all be there by 12:30, eating lunch then hanging out with some games. So if any parents want to stop by and take some pictures, drop off cookies, or just enjoy the class in action, please feel free to do so. Younger students also have some fun planned for the end of the school—please note the dates later in the newsletter for the 8th grade festivities at the end of June!

Please join us for our final event of the year: Middle School Arts Night! Beautiful artwork created by our 6th, 7th, and 8th grade artists will be available for guests to view from 6:00 to 6:45PM in the hallways of the middle school. The concert will then begin at 7PM in the auditorium and will feature performances by the 6th, 7th, and 8th grade concert bands and choirs. Mark your calendars!

JUNIOR PARENT HELP NEEDED FOR CHS 2016 GRADUATION CEREMONY

At Cohasset High School, the junior students and parents traditionally provide the refreshments for the senior class and their guests at the CHS graduation ceremony. This year's graduation is at 1:30 PM on June 4th at the Music Circus. Michele Skolnick and Paula Curran have agreed to coordinate this effort for the junior class. If you are a junior parent, please consider helping by contributing a dessert or water. The desserts should be small and easy to eat. Water bottles should be small water bottles only. Please plan to drop off your donation to either Michele's or Paula's houses before graduation or to the Music Circus on the day of graduation by 11:30 AM.

Please contact Michele, mrs328@gmail.com, or Paula, pcurran454@aol.com, if you are able to help. Your support is greatly appreciated and will contribute to a gracious send off for the Class of 2016. You and your family will be beneficiaries of this custom next year!

**Please contact Michele, mrs328@gmail.com, or
Paula, pcurran454@aol.com, if you are able to help.**

ATTN: 2016-2017 7th and 10th Grade Students

Massachusetts state regulations mandate that students entering 7th and 10th grade have a current physical examination on file at the school.

All students attending public schools are required to be up to date on their immunizations. In addition, students entering 7th grade must have documentation of having had a recent Tdap vaccine and 2 doses of the varicella (chicken pox) vaccine or had the disease.

The physical and immunization records may be scanned and e-mailed to jcollins@cohassetk12.org, fax to (781) 383-4168 or mailed to the school ATTN: Judy Collins R.N.

Please have all requested documentation into the nurse's office prior to the close of the 2015-2016 school year. If you have any questions please contact Judy Collins R.N. at jcollins@cohassetk12.org or at (781) 383-0853.
