701.446.4200 for more information.

Students from Eagles Elementary School and Kennedy Elementary School have been encouraged to trade in the internal combustion engine in favor of leg power for Walk, Bike, & Roll to School Days in May. The elementary schoolers will walk, bike, or employ scooters, skateboards, roller blades, or any other human-powered transportation to get to school.

Eagles is holding its Walk, Bike, & Roll to School Day on Wednesday, May 8. Students who participate will receive a water bottle and a sticker.

Kennedy is holding its Walk, Bike, & Roll to School Day on Friday, May 10. The Kennedy Parent Teacher Association is giving out bike lights and stickers to students. Participants can also register for the PTA's grand prize giveaway of a snorkeling mask set.

National Walk, Bike, & Roll to School Day is sponsored by the National Center for Safe Routes to School. Through the events held nationwide, it hopes to encourage students to get active and form important habits for a healthy lifestyle.
