Living in Milan

The school is situated close to the centre of Milan, a cosmopolitan city, the financial capital of Italy, and an exciting place in which to live and work. It boasts one of the grandest squares in Europe, dominated by a spectacular cathedral and arcade. Art treasures include The Last Supper by Leonardo and the Rondanini Pietà by Michelangelo, while La Scala is one of the premier opera houses in the world. A centre for design as well as fashion, the couturiers Prada, Armani and Versace have their headquarters here, while two of the most celebrated football teams in Europe play in the San Siro stadium. Milan has excellent public transport, three international airports, world-class healthcare, and is set to co-host the Winter Olympics in 2026, making it one of the world's great cities.
