In addition to transcripts, your school may send a Secondary School Report or Letter of Recommendation. Some receiving schools will give more weight to recommendations and completed SSR forms where the student has agreed the documents will be private and the student will not view them. If you wish to waive your right to review those documents, you may do so below.

Under the 1974 Family Educational Rights and Privacy Act, an applicant who is admitted and enrolls has the right to review his/her educational files including recommendations. To obtain confidential recommendations for the purposes of admission and academic counseling only, it is possible to waive one's right of access. If you wish to voluntarily waive your right of access to this document, select the checkbox below, consulting your electronic signature.
