Principal's Message

They say time flies when you're having fun! We have officially reached the last month of the 2023-24 school year! The school year has been a tremendous success to date and we are looking forward to having a fun and enjoyable month of May.

May will be an extremely busy month with many events planned such as field trips, assemblies, and the Best Day Ever field day, just to name a few. In addition, the last day of school will be on May 31st. As a reminder, students will be sent off for the summer with an early dismissal at 11:40 am.

I also would like to take this opportunity to say thank you for making my first year as a Sailor a success. I am looking forward to many more to come and have appreciated the enormous amount of support I have received from the Sailor community!

I hope everyone has a safe, fun, and relaxing summer. Enjoy the sun!

Oakview's BOGO Book Fair

Oakview is hosting a Buy One, Get One FREE book fair! The book fair will be held in the library the week of May 13-17th, 2024. Students will shop during their regular library time that week. There are a lot of activities scheduled for that week so if a class misses library, Mrs. Redfoot and the classroom teacher will make arrangements for them to still get time to shop.

This is a great opportunity for the students to get books for their summer reading. Forms of payment that will be accepted are cash, check made payable to Oakview Elementary School, or an eWallet. The eWallet is super easy to set up through the Scholastic website and I highly encourage you to create one. You can use the QR code below to access our school's homepage for the book fair and set up an eWallet! Thank you so much for your support and have a great summer with a lot of reading!

Set up your eWallet here.
