

## Budget Facts

**Fact:**

The budget adds additional support to special education, decreases class sizes, and provides more opportunities for all students, which is in alignment with the District's Strategic Plan.

**Fact:**

The budget has a levy increase of 4.43%, which is within the tax cap limits.

**Fact:**

After the budget vote, it is projected that Victor's per pupil expenditure is still lower than the average of schools in Ontario, Wayne, and Monroe counties.

**Fact:**

After the budget vote, it is anticipated that Victor's tax rate will be lower than the average tax rate for schools in Ontario, Wayne, and Monroe counties.

## Annual Budget Vote & Election Information

District residents will cast ballots on the proposed 2024-2025 budget at the annual budget vote and Board of Education election on **Tuesday, May 21**. Voting will take place in the Victor Early Childhood School Boardroom from 6:00 AM to 9:00 PM. Voters must be at least 18 years old, a registered voter, and a resident of the District for at least 30 days prior to May 21, 2024.

## Voter Registration

On **Tuesday, May 14, 2024**, the Victor Central School District will hold voter registration from 3:00 PM to 7:00 PM in the District Office Conference Room. This registration is for residents currently not registered to vote in the general election.

For more information on voter registration and/or the upcoming budget vote, contact the VCS District Clerk, Maureen Goodberlet at (585) 924-3252, ext. 1402 or email her at [goodberletm@victorschools.org](mailto:goodberletm@victorschools.org).

## Absentee Ballots & Early Mail Ballots

Applications for Absentee Ballots and Early Mail Ballots are available on the District website, [www.victorschools.org](http://www.victorschools.org), or from the District Clerk by calling (585) 924-3252 ext. 1402. Both Absentee Ballots and Early Mail Ballots must be received in the Office of the District Clerk by 5:00 PM on May 21, 2024.

## The 2024-2025 School Budget

### A Message from our Superintendent

Tim Terranova, Ed.D

I am appreciative of our Board of Education adopting the 2024-25 School Budget at the April 11 Board of Education meeting. The total budget is \$103,224,919, a 4.35% increase from the 2023-24 school year's budget. The tax levy increase (based on our Tax Cap for 2024-25) is 4.43%. The District is not exceeding the tax cap.

Most importantly, we anticipate that the tax rate will go from \$14.06 per thousand in 2023-24 to approximately \$14.46 per thousand in 2024-25, which is a 2.82% increase, with a strong potential to decrease. This is still one of the lowest tax rates in the entire Rochester region.

### Specifics of the 2024-25 Budget

What makes this budget process challenging is the lateness of the New York State budget, which determines our state aid. Because of state law, the Victor Board of Education was required to adopt a budget on April 11, even though the NY State budget was not yet adopted. As such, the \$103,224,919 budget the Board adopted was based on preliminary projections. The final NY State budget was eventually adopted on April 21, and we were notified that we will be receiving less state aid than was projected. Although the public will be voting on the adopted Victor Central School budget of \$103,224,919 on May 21, we will adjust our spending based on final state aid to maintain fiscal responsibility and stay within the tax cap.

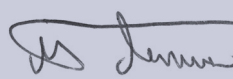

Currently, we are looking at refining our staffing needs for next year, which is different from the previous three years where we needed to add significant positions. We are proposing increases in the following areas:

- Staffing at the Intermediate School based on enrollment increases, which also includes art, music, and physical education, to promote reasonable class sizes across the District.
- Staffing for Work Based Learning internships for high school students this summer to support internships and work study opportunities.
- Special Education staffing, including continuing the establishment of the Integrated Co-Taught program across K-12, which allows for students with disabilities to access grade level curriculum with added supports.
- Support for self-contained classes, including an additional Behavioral Specialist.
- Building substitutes to mitigate the challenge of finding substitute teachers.

Despite these proposed increases, our current tax rate per \$1,000 has actually decreased since the 2019-20 school year and we expect next year's tax rate to be relatively the same, if not lower.

Please review the entire Budget Newsletter as it contains significant information about the 2024-25 school budget. If you have any questions, please reach out to me via email or phone. As always, we will continue to be transparent with the community and balance the needs of our children with the financial needs of our families.

Sincerely,

Tim Terranova

## Question & Answers

### 1. Why are we adding staff to this budget when the enrollment has been relatively steady over the past few years?

We have two main areas where we still need additional staff. The first is at the elementary level because we have a population increase at the Intermediate School. We need to maintain adequate class sizes at the elementary level. The other is in special education as we continue to build programming that was non-existent a few years ago. This is to allow for students to have access to grade level curriculum with added supports.

This is a refinement of staffing needs rather

than significantly increasing staff as we did in previous years.

### 2. Are there additional administrators included in the budget?

No. Despite having a lower ratio of administrators to students than comparable Districts, the budget does not include increasing the number of administrators. In fact, since 2019-20, VCS's percentage increase of administration is less than all other staff in the District.

### 3. Is the budget within the tax cap?

Yes. Despite having a levy increase of 4.43%, we are not exceeding the tax cap. Even with a 4.43% levy increase, we are projecting that the tax rate will only

increase 2.82%. Historically once that calculations are performed over the summer, the tax rate is less than our projecting in April. The average tax increase from 2019-2023 was **-2.53%**.

### 4. What would happen if the budget was voted down?

Without support from the New York State budget in terms of state aid, the District would have to review the sustainability of any non-curricular activities including clubs and athletic programs. Additionally, the District would have to look at increased class size, eliminating non-mandatory instructional program offerings, and decreasing special education options.

## Proposed Expenditures

**New York State law provides that all district budgets be identified in three categories:**

**Administrative Expenses**

- Curriculum Development
- Staff Development
- In-Service Development
- Personnel
- District Audit
- Tax Collection
- Central Printing/Mailing
- District Votes

**Program Expenses**

- All Student Services
- Instructional Support
- Transportation Operation
- Instructional Salaries and Benefits

**Capital Expenses**

- All Facilities Costs
- Debt Service
- Operations/Maintenance
- Supplies
- Utilities
- Personnel

 FL, 2007, Graduate of Marine Corps Com-  
 mand and Staff, Quantico, VA, 2018

**Profession:** Naval Aviator in the United States Marine Corps Reserve, Lieutenant Colonel, Central New York Sales Representative for Toth's Sports

**Community Activities:** Current Victor Board of Education Member, Co-Director and Coach for the Victor Youth Lacrosse Program, Coach and Assistant for the Victor Youth Basketball, Football and Soccer Programs

**Family:** Wife: Hannah Snyder, 41, Lifelong Victor resident, Daughter: Jordyn Snyder, 16, Victor Student, Son: Lincoln Snyder, 13, Victor Student, Daughter: Liberty Snyder, 11, Victor Student, Son: Jace Snyder, 9, Victor Student

**Personal Statement:** I would love to continue to serve on the Victor school board of education out of civic duty and love for our district. The Victor population continues to grow and the responsibilities of the classroom teacher continue to expand with an evolving society. I believe a primary responsibility of the school board member is to support the school staff. A well-supported school staff is best prepared to care for what matters to us the most, our students. Academic excellence with an emphasis on preparation for the real world should be our primary driving force, however that task can't be accomplished without the basic needs of our students being met. That task can't be accomplished if the needs of our staff aren't being met. Professionally, I have the unique experience in my job to everyday work alongside school Superintendents, Directors of Facilities, and Athletic Directors. Our team helps school administrator's cast a vision, budget, and execute large and small-scale capital improvement projects in districts across the state. I would like to use my experience to assist the board of education to remain financially responsible as they adapt to the ever-increasing needs and challenges of our district and society.

Should the 2024-25 budget be defeated and a contingent budget be adopted, the District will reduce operating costs by increasing class sizes district-wide, eliminating extra-curricular clubs, reducing athletic teams, and eliminating some non-mandatory instructional program offerings, Universal Pre-Kindergarten offerings, and instructional leadership. Additionally, equipment purchases must be eliminated and community groups will be required to pay for all costs associated with the use of buildings. (This statement is made pursuant to Section 2023 of NYS Education Law.)
