Eric,

I need to confirm which documents to submit with our bid for this project. I saw the below in the Bid packet. Items f and g, note if federal funds used. Will this project use federal funds? Also, the bid packet contains quite a few other forms. Please confirm that only the below forms need to be submitted. **No Federal Funding**

Bidders must complete and submit all of the following documents with the Bid Form and Proposal:

- a. Bid Bond on the District's form, or other security.
- b. Designated Subcontractors List.
- c. Site Visit Certification, if a site visit was required.
- d. Non-Collusion Declaration.
- e. Off-Road Diesel-Fueled Fleet Certification
- f. Federal Debarment Certification, if federal funds used.
- g. Federal Byrd Anti-Lobbying Certification, if federal funds exceeding \$100,000 used.

All forms listed in the bid packet must be submitted

Thank you,

Eric Wise
