

## **Adopt a Gorilla**

Gorillas are an endangered species and Cetronia's Student Government would like to make a donation to WWF (World Wildlife Fund) and adopt an endangered gorilla.

**YOU** can help our school make a huge impact in this cause by making a contribution to our fundraising efforts! We would like to raise \$200 to be able to adopt an adult gorilla and an infant gorilla.

We will run this fundraiser from **Friday, May 17th to Friday, May 24th**. We will be collecting donations (coins and bills ONLY). Collection days will be Friday, May 17th, and Friday, May 24th. Donations will be collected in your child's homeroom.

**Friday, May 17th** - Bring in your favorite stuffed ANIMAL

**Friday, May 24th** - Wear your favorite animal print, shirt with your favorite animal, or your favorite animal's color

As always, please feel free to contact us with any questions or concerns that you may have. E-mail: [sommerm1@parklandsd.net](mailto:sommerm1@parklandsd.net)

Thank you for your continued support!

Mrs. Sommer & the Cetronia Student Government
