b. Policy 8332 (Revised) – District-Issued Portable Electronic Devices (One Reading)

INFORMATION: Attached for Board of Education consideration is a revised policy: ***District- Issued Portable Electronic Devices*** **(8332)**. The revision addresses the ability of the District to waive the cost to repair or replace a District-issued portable electronic device in cases of accidental damage or documented theft for students who have a demonstrated financial hardship. In addition, the requirement to send home a letter detailing acceptable use of District-issued portable electronic devices is proposed to be amended from the beginning of the loan period to annually in order to bolster accountability for these devices. In accordance with *Policy 2400 Board Policy Development* this revised policy is being submitted for one reading and adoption.

RESOLVED, that the Board of Education hereby adopts revised Policy 8332 in accordance with Policy 2400 (Board Policy Development).

8332

DISTRICT- ISSUED PORTABLE ELECTRONIC DEVICES

The Board of Education recognizes the need for Board members, officers, selected employees and students to have the use of District-owned portable electronic devices. Such devices will be provided to individuals upon authorization of the Superintendent or designee.

At the organizational meeting each year, the Assistant Superintendent for Business will provide the Board of Education with a list of Board members, officers and employees who have been issued portable electronic devices for long term use.

All individuals who have been issued District-owned portable electronic devices will have no expectation of privacy with respect to any information contained on these devices. The District reserves the right to inspect any District-owned electronic device, and to review any information on or associated with such device. This includes, but is not limited to, such items as email, text messages, multimedia messages, records of Internet usage, telephone log calls, etc. Content downloaded onto District-issued portable electronic devices, such as books, music, videos, and applications must not violate copyright or other applicable laws.

As with any District-owned property, Board members, officers, employees and students must take proper care of District-issued electronic devices, and must take all reasonable precautions against damage, loss or theft. Any damage, loss or theft of District-issued electronic devices must be reported immediately to whomever authorized its use. Expenses incurred to repair or replace District-issued electronic devices due to accidental damage or documented theft will be equally shared by the District and the individual to whom the device was issued. In the event of a demonstrated financial hardship, a student's charge for repair or replacement may be waived by the Superintendent of Schools or designee. Costs associated with purposeful or repeated damage, loss or undocumented theft will be completely borne by the individual.

Users of District-issued electronic devices are responsible for the safe return of such devices either upon request, at the end of the anticipated period of use, or upon separation or graduation from the District.

Schools are required to send home a letter ~~at the beginning of a loan period for a student~~ annually detailing acceptable use, responsibilities, expectations, and possible liability. The letter is to be signed by the student and the parent/~~guardian~~ person in parental relation, and returned to school to be kept on file.

c. 2022 Biennial Review of District-Level Shared Decision Making Plan

WHEREAS, Section 100.11 of the Commissioner's Regulations requires local Boards of Education, in collaboration with their respective District Committee, to review biennially the district-level Shared Decision Making Plan and either revise or recertify the plan;

WHEREAS, the District Committee has reviewed the District Plan and made some typographical corrections and additions as per the attached copy of the revised plan;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Education hereby certifies the district-level Shared Decision Making Plan as amended by the District Committee.

GREAT NECK PUBLIC SCHOOLS

DISTRICT PLAN FOR SCHOOL-BASED PLANNING AND SHARED DECISION MAKING

Section 100.11 of the Commissioner's Regulations:

The purpose of school-based planning and shared decision making shall be to improve the educational performance of all students in the school, regardless of such factors as socioeconomic status, race, sex, language background, or disability.

The Great Neck school community believes that students and their achievements are the sole reason that schools exist. They should pervade every decision, every action, and every moment in the school organization. The Compact for Learning sets forth a philosophy that such decisions and actions should be the product of shared decision making, because "no one part of the system can achieve satisfactory results without the cooperation of other parts of the whole."

Our district belongs to an increasingly complex society and an increasingly diverse community and as a result, our teams should make every effort to reflect that diversity. "Student achievement" is similarly complex and diverse. It is, therefore, essential that we listen to multiple voices as we identify goals and seek input from multiple sources in attempting to meet these goals. By doing so, we recognize the shared responsibility of all members of the school community for our students; we increase the commitment of all "parts of the whole" to the decisions that we make together in our effort to meet this responsibility.

THE CHARGE: In an effort to ensure broad participation in educational matters in all school districts in New York State, the Commissioner of Education established regulation 100.11, which was adopted by the Board of Regents. This regulation directs school districts to adopt a plan for the participation of parents, teachers, administrators and school board members in school-based planning and shared decision making.

THE IMPLEMENTATION: In order to develop a plan for school-based planning and shared decision making, the Board of Education is directed to appoint a committee whose responsibility it will be to present to the Board of Education its suggestion for a plan complying with the regulations. The original plan was developed and adopted by the Board of Education not later than February 1, 1994, as required by the State. The committee will then reconvene every two years to review and/or revise the plan before it is submitted to the Board for recertification.

THE BIENNIAL COMMITTEE: The committee must be composed of at least:

- the superintendent of schools
- administrators selected by the district's administrative bargaining organization
- teachers selected by the teachers' collective bargaining organization
- parents selected by school-related parent organizations
  (Note: a parent who is employed by the district cannot represent parents on the committee.)

This is the minimum composition of the committee. The Board of Education may add members from any other group it deems appropriate.

In order to ensure broad representation in our district, the following membership is suggested:

- the superintendent of schools
- an administrator from each level of education
- a teacher from each school
- a parent from each school's PTO/PTSA and SEPTA
- a representative of UPTC
- a student from each high school
- a student from each middle school
- a member of the Board of Education

An updated list of district committee members should be prepared in the fall of each review year and submitted to the Board of Education for appointment.

It is suggested that parent members utilize the services of the UPTC Committee on Shared Decision Making as a training and informational resource for their service on the committee. Early each Fall, on a date designated on the school district calendar, a district-wide training session shall be held for the members of all building Shared Decision Making Committees.

CHARGE BY THE BOARD TO THE BIENNIAL COMMITTEE: Published material states: "provision for effective participation of parents, teachers, and administrators in school-based planning and decision making is the touchstone for the commissioner's approval. Within this parameter, there is substantial leeway." It has been suggested that practices that work should not be discarded. It is within the scope of the regulation for the Board of Education to ask the committee to consider making existing programs for school-based planning and shared decision making, in place for many years in Great Neck, the foundation for compliance with the Commissioner's regulations.

The committee should also review all shared decision making procedures that are followed in the district as a result of any current collective bargaining agreements. These must be incorporated into the district plan.

RESPONSIBILITY OF THE BOARD OF EDUCATION: After seeking endorsement of the plan from the committee, the Board of Education has the final responsibility and authority to adopt and amend the district plan.

THE PLAN: Under the regulation, the district plan must specify:

A. The educational issues, which will be subject to cooperative planning and shared decision making at the building level;

The educational issues may include, **but are not limited to**, the following:

1. Program evaluation
2. Curriculum/Curricular activities
3. Student life
4. Food services
5. Facilities
6. Building maintenance
7. Assessment practices
8. Safety and security
9. Technology
10. Home-school communication
11. Environmental awareness
12. Wellness
13. Academic Achievement

The exceptions to the Shared Decision Making Committee prerogatives are teacher hiring and dismissal, tenure and salary decisions based on GNTA and SAGES contracts, and other areas established by contract (class size, staff evaluation, etc.) or by State regulations. Items regarding safety, security, or emergency procedures and notifications should be referred to the School Safety Committee for further study.

B. The manner and extent of the expected involvement of all parties;

1. Name - It was agreed that each school's committee would be named the Shared Decision Making Committee.

2. Selection - Each school will develop the selection process for its Shared Decision Making Committee members.

   a. The selection process for Shared Decision Making Committee members will be publicized in writing to the entire school community each year.

   b. GNTA will determine the method for selecting faculty at each school. A teacher who currently has a child in that building cannot represent teachers on that building committee.

   c. The parent members of the PTO/PTSA will determine the method for selecting parents at each school. An effort will be made to represent special education. A parent who is an employee or officer of the district cannot represent parents on the committee.

   d. The principal will determine the method for selecting administrators at each school.

   e. The student government will determine the method for selecting students at each secondary school.

      1) At least three students will be on the Shared Decision Making Committees at each middle school, the grade level to be determined by the Committee.

2) North High School and South High School will have at least eight students on its Shared Decision Making Committee.

3) The Village School will have at least three students on its Shared Decision Making Committee.

4) At the elementary level each school is encouraged to find a way to involve students in a way that allows student voices to be considered.

f. Immediate family members may not serve on the same Shared Decision Making Committee except when student siblings are democratically elected by the student body.

g. The time of day for meetings will be left to individual schools. Each Shared Decision Making Committee should be sensitive to the needs of the entire school population.

h. Observers from the school community may attend the Shared Decision Making Committee meetings and speak as non-voting participants.

* "School community" is defined as the parents/guardians of students, students, teachers, administrators, and other employees of the district.

i. Procedural conduct of the meetings will be at the discretion of each Shared Decision Making Committee.

3. Shared Decision Making Committee Chairs - It is recommended that a teacher and/or parent, not currently the PTA president, serve as chairperson(s) of the shared decision making committees.

4. The committee chairs shall ensure that each member of the committee receives a copy of this plan prior to the first meeting each year.

5. Decision Making

a. CONSENSUS SHALL BE USED AS THE PRIMARY MECHANISM FOR DECISION MAKING. (Consensus is a general agreement resulting from a systematic group decision-making process. This means that all participants support the decision, although one or more participants may have reservations, but the committee as a whole can "live with" the decision.)

b. If consensus cannot be reached, a school should choose to defer an issue to a subsequent meeting.

c. If, after reasonable efforts, the chairpersons and the committee agree that consensus cannot be reached, and in an effort to come to closure on the issue, each school may choose to take a vote on the issue.

1) Procedures for this eventuality should be determined at the beginning of the school year.

2) It was agreed to maintain voting parity between teachers and parents (and students on teams at the high school level). Each school may select any number of teachers and parents on the Shared Decision Making Committee. For purposes of voting, however, numerical parity will be maintained (e.g., if a committee has 20 parent members and 10 teacher members, each parent will receive 1/2 vote). The principal and/or his/her designee will have one vote representing administration.

3) Middle school students will have at least three votes. The value of middle school students' votes will be determined at the building level. Village School students will have at least one vote.

C. The means and standards by which all parties shall evaluate improvement in student achievement;

1. Each school's Shared Decision Making Committee will review and comment on each year's *New York State School Report Card*.

2. Each school's Shared Decision Making Committee will review and comment on all other grade-wide and school-wide measures of student achievement, including those not in the *New York State School Report Card*.

D. The means by which all parties will be held accountable for the decision which they share in making;

After approval by its members, every Shared Decision Making Committee will forward its annual Shared Decision Making Committee Report to the UPTC and the Board of Education. It will subsequently be made available to all interested parties. The report will address all areas deemed important enough in the school year to have been raised as building goals. It will include progress toward accomplishment of goals not yet realized.

E. The process whereby disputes presented by the participating parties about the educational issues being decided upon will be resolved at the local level;

1. The dispute resolution process agreed upon was that each Shared Decision Making Committee will "strive for consensus," as described above.

2. Voting and dispute resolution procedures will be publicized <u>in writing</u> to the entire school community.

3. It is suggested that any party aggrieved by the actions of a school's Shared Decision Making Committee may bring in writing her/his grievances to the Board of Education only after requesting reconsideration by the Committee.

F. The manner in which all State and Federal requirements for the involvement of parents in planning and decision making will be coordinated with and met by the overall plan.

Current or subsequent parental involvement required by State or Federal planning and decision making pursuant to Federal grants or programs will continue to function through the District's current UPTC and PTO/PTSA participation. When required by State and Federal requirements and not a UPTC or PTO/PTSA issue for involvement, the school-based Shared Decision Making Committees will be made aware of any required committees.

d. Memoranda of Agreement between the Great Neck Public Schools and the Great Neck Adult Education Association Chapter of the Great Neck Teachers Association, Inc.

BE IT RESOLVED, that the Board of Education of the Great Neck Union Free School District hereby approves the terms and conditions of the Memoranda of Agreement (attached), upon full execution of documents, between the Great Neck Union Free School District and the Great Neck Adult Education Association Chapter of the Great Neck Teacher Association, Inc. regarding the appointment of:

1. an hourly AHSEP Guidance Counselor or AHSEP Teachers
2. Julie Gaber as a full-time AHSEP Guidance Counselor

BE IT FURTHER RESOLVED, that the Superintendent be authorized to execute said Memoranda of Agreement on behalf of the Board of Education.

MEMORANDUM OF AGREEMENT
BETWEEN THE GREAT NECK PUBLIC SCHOOLS
AND THE GREAT NECK ADULT EDUCATION ASSOCIATION

The Great Neck Union Free School District and the Great Neck Adult Education Association ("ADED") agree to the following exception to the 2020-2023 Agreements under Article 19, "Salary":

Effective September 1, 2022 two Adult Basic Education Teachers and one Guidance Counselor may be appointed to hold a position of Alternative High School Equivalency Program (AHSEP) Teacher and Counselor. The AHSEP Teachers and Counselor shall be responsible to teach or counsel students enrolled at the Adult Learning Center, meeting the requirements of the Workforce Innovation and Opportunity Act Title II Grant (WIOA).

The AHSEP Teachers and Counselor shall:

- hold a New York State Teaching or School Counselor Certification;
- be assigned to teach or counsel ENL (English as a New Language), AHSEP, and HSE (High School Equivalency Program) students;
- be compensated at an hourly rate of $56.18 for the duration of the WIOA Grant, and
- be appointed on an annual basis without continuing property rights.

The parties agree that Article 19, Section A shall not apply to these appointments.

It is understood by both parties that this agreement is not precedent-setting and expires at midnight on June 30, 2023.

The above constitutes the full and complete agreement between the parties with respect to this matter.

e. Inservice Institute Courses – Summer 2022

WHEREAS, the Superintendent and her Inservice Institute designees, Jennifer Kirby and Kelly Newman, propose that the district-wide and/or intra-building courses described below be offered to District personnel as part of our ongoing staff development program;

NOW THEREFORE, BE IT RESOLVED, that the Board of Education hereby approves these Summer 2022 Inservice Institute courses.

Course Titles/Descriptions	# Hours	Supplies

School/Life Balance for You AND Your Students — **4** — **0**

Now more than ever, we must find ways to strike a balance between our work and all of the other demands in our lives. In this course, participants will learn what can be done to find balance and explore ways to help students to do the same. Skills of time management, planning, self-care practices, coping, and resiliency, grounded in both Skinner's positive reinforcement and Piaget's development and self-worth psychological theories, will be explored and reinforced.

Educating Educators About the Dangers of Alcohol and Drug Abuse — **8** — **0**

This inservice course will provide educators with the current trends, information, and statistics surrounding drug and alcohol experimentation, use, misuse, and abuse. The instructors will provide lessons and activities that can be used with students in a developmentally appropriate manner.

Mindful Expression Through Writing, Art, and Movement — **4** — **0**

Mindfulness is a practice that helps with self-control, lowers anxiety, boosts positivism, and improves critical thinking. Each class will start with a yoga flow to assist participants to connect to the moment and focus. Learn how to connect mindfulness to writing, drawing, and games in the classroom or in remote learning times.

Wilson Reading System Introductory 3-Day Workshop — **15** — **0**

This introductory workshop presents multi-sensory structured language principles and techniques of the Wilson Reading System. General program concepts are introduced with hands-on instruction in the lesson plan format. This three -day workshop is a prerequisite for Wilson Level I certification.

NOTE: Attending this workshop does not guarantee a spot in the 2022-2023 certification group.

Course Titles/Descriptions	# Hours	Supplies

Logic: Games and Puzzles **4** **0**

In this class, participants will be introduced to several strategy-based logic puzzles. Logic puzzles are a great way for students to develop reasoning skills. In addition, there is a certain satisfaction that comes with completing each puzzle. This class will meet remotely over Zoom and participants will work collaboratively during each session.

How Do Nutrition and Movement Affect Learning **4** **0**

The phrase "mind-body connection" has become very popular in the last ten years. What does this really mean? How does the food we put in our body positively or negatively affect our learning? Does movement have an impact on how well we learn? This course will dive into the research that supports nutrition and movement, and how we can apply strategies to better classroom learning for our students. Topics will include: nutrition education, district wellness policies, application to personal and professional lives, physical movement, brain breaks, and parent communication and involvement.

Integrating Technology and Creativity for Student Success! **16** **0**

All teachers develop literacy skills in their students. This course will give teachers a toolbox of techniques to utilize in any classroom: notebooks, self-select literature, visual response art, mind mapping, song analysis, and much more. These techniques can be applied through Google Classroom and other technologies -- for any discipline, any age group. This course will be taught asynchronously through Google Classroom.

Engaging Multiple Perspectives in the Classroom **16** **0**

Exploring complex issues from multiple perspectives is a cornerstone of education. It cultivates reasoning and discourse, which embody the skills, understandings, and habits required of 21st century learners. Research shows that discussion of issues in an open classroom climate generates increased political knowledge, interest, and engagement. In this course, participants will explore how to cultivate an environment of support, select authentic issues, prepare thoroughly, and choose appropriate resources and pedagogy. This course will be offered with a combination of synchronous and asynchronous instruction.

f. Participation in the Eastern Suffolk BOCES Cooperative Bidding Program for 2022-2023

WHEREAS, the Great Neck Union Free School District wishes to continue its participation in the Cooperative Bidding Program offered by the Board of Cooperative Educational Services of Eastern Suffolk County (ESBOCES);

WHEREAS, this will afford the District the opportunity to purchase equipment, supplies, and services at substantial savings;

WHEREAS, for each bid or RFP the District wishes to use, there will be a cross-contract fee of $580;

NOW, THEREFORE, BE IT RESOLVED, that the District is hereby authorized to enter into an agreement with ESBOCES for 2022-23;

BE IT FURTHER RESOLVED, that the Board of Education hereby authorizes its President to execute the necessary documents to effectuate said agreement with ESBOCES on behalf of the Board of Education.

School Year 2022-2023

RESOLUTION (A)

JOINT MUNICIPAL COOPERATIVE BIDDING PROGRAM

WHEREAS, various educational and municipal corporations located within the State of New York desire to bid jointly for generally needed services and standardized supply and equipment items; and

WHEREAS, the **Great Neck Union Free School District**, an educational/municipal corporation (hereinafter the "Participant") is desirous of selectively participating with other educational and/or municipal corporations in the State of New York in joint bidding in the areas mentioned above pursuant to General Municipal Law § 119-o and Education Law Section 1950; and

l. Chinese Cultural Association of Long Island Lease Agreement

WHEREAS, New York State Education Law Section 403-a authorizes a board of education to lease real property that is not currently needed for school district purposes;

WHEREAS, the Chinese Cultural Association of Long Island ("CCALI") desires to lease a certain portion of the premises located at the Great Neck Union Free School District's William A. Shine Great Neck South High School location ("South High School") for operation of an educational instructional program on certain days when school is not in session for the term of September 11, 2022 through June 4, 2023;

WHEREAS, the Board of Education has confirmed that the same portion of the premises located at the South High School is not currently needed for District purposes and that the lease between the School District and CCALI is in the best interests of the School District;

NOW, THEREFORE, BE IT RESOLVED, that, upon the recommendation of the Superintendent of Schools, the Board of Education of the Great Neck Union Free School District hereby authorizes and approves the lease of a portion of the South High School to CCALI in accordance with the terms of the Lease Agreement between the School District and the CCALI;

BE IT FURTHER RESOLVED that the Board of Education of the Great Neck Union Free School District hereby authorizes the Board President to execute the written Lease Agreement between the School District and CCALI on behalf of the Board of Education.

m. Driver Education, In-Car Instruction 2022-2023

WHEREAS, the Board of Education issued a request for proposals for the provision of Driver Education In-Car Instruction Services in the form of instructions, specifications and proposal forms ("Specifications") prepared by the School District pursuant to section 103 of the General Municipal Law for the 2021-2022 school year;

WHEREAS, Bell Auto School submitted a proposal for In-Car Driving Instruction in response to said proposal solicitation;

WHEREAS, the Board of Education awarded the contract to Bell Auto School for the 2021-2022 school year at a duly convened meeting of the Board of Education on July 1, 2021;

WHEREAS, the Specifications authorize the annual renewal of the contract for two (2) additional one-year terms at the discretion of the District at the cost set forth in the proposal form;

WHEREAS, the Board of Education has determined that it is in the best interest of the District to renew its agreement with Bell Auto School for the 2022-2023 school year in accordance with the provisions of the Specifications at the rate of $370 per student for in-car instruction, which is paid by students;

NOW THERFORE, BE IT RESOLVED that the Board of Education hereby authorizes the renewal of the agreement between the Board of Education and Bell Auto School for the 2022-2023 school year (Summer 2022, Fall 2022 and Spring 2023), subject to the preparation of a written agreement by District counsel;

BE IT FURTHER RESOLVED that the Board of Education hereby authorizes the Board President to execute the necessary documents to effectuate said agreement with Bell Auto School on behalf of the Board of Education.
