

Great Neck Public Schools Summer Enrichment & Summer School Program

Maria Giannopoulos and Daniel Isaac

Overview

The Great Neck Summer Program remains a popular option for our district's children.

Between our Middle School Enrichment classes (grades 5-9),
Elementary Enrichment classes (grades K-5),
High School Credit Recovery classes (grades 9-12),
Regents review classes, and the Regents,
940 students enrolled for Summer 2019

Enrollment and Offerings - Middle School

- 72 courses offered to grades 5-9 (8:30 - 11:30 am)
- Enrichment students had opportunities to explore their interests in: filmmaking, rocketry, robotics, 3-D printing, coding, cooking, business, chess, the stock market, law, acting, sewing, public speaking, manga anatomy, architecture, clay animation, music, physics, forensics... and more!
- Academic enrichment was provided in social studies, English, math, science, literacy, and reading
- **New courses:** Becoming a 7th Grader; History's Mysteries

Enrollment and Offerings - Elementary School

- **91 students** enrolled in our elementary program this year
- Our **eight courses** included:
 - Reading 1
 - Reading 2
 - Reading 3
 - Literacy 4
 - Literacy 5
 - Math 3
 - Math 4
 - Math 5
- Our goal is to expand our elementary offerings going forward

Middle School & Elementary School Highlights

- We held **Summer School Spirit Week** to foster a greater sense of community among all students and staff
- We opened a third section of the popular **Learn to Code**, which filled within a month
- **Beginner Chess** hosted a championship tournament
- **Literacy 4** students participated in paired debates on issues affecting elementary students

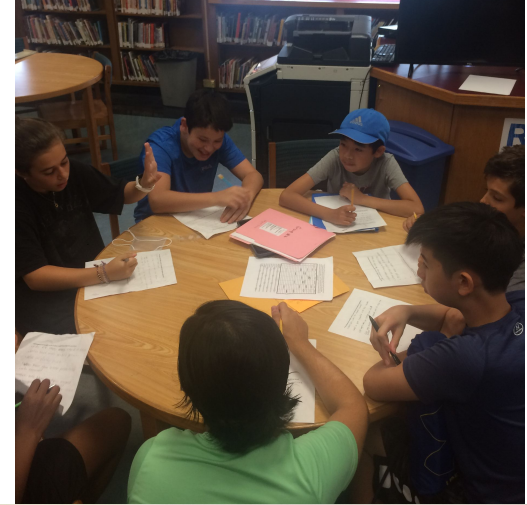

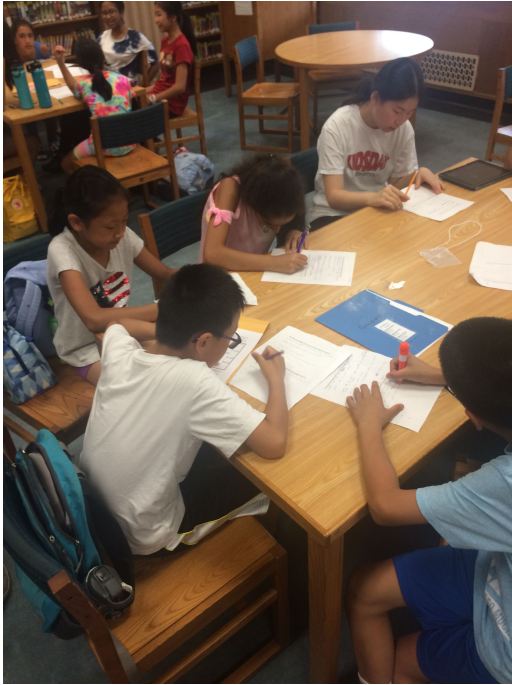

Testing a robot in “**Learn to Code**”

Middle School & Elementary School Highlights

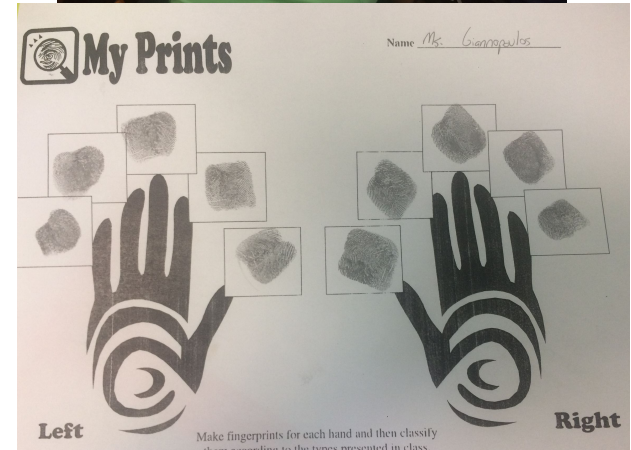

First Aid students became certified in CPR/AED for Adult, Infant, and Child! Throughout the summer, they also hosted guest speakers from Manhasset-Lakeville EMS, the Nassau County EMS Academy ("Stop the Bleed"), and Nassau County Department of Health ("Emergency Preparedness")

Middle School & Elementary School Highlights

Forensic Science, Physics, and English classes collaborated to solve a "crime" at North Middle; they collected evidence, studied fingerprint, and interrogated potential suspects

Middle School & Elementary School Highlights

Gadgets and Gizmos
launching rockets

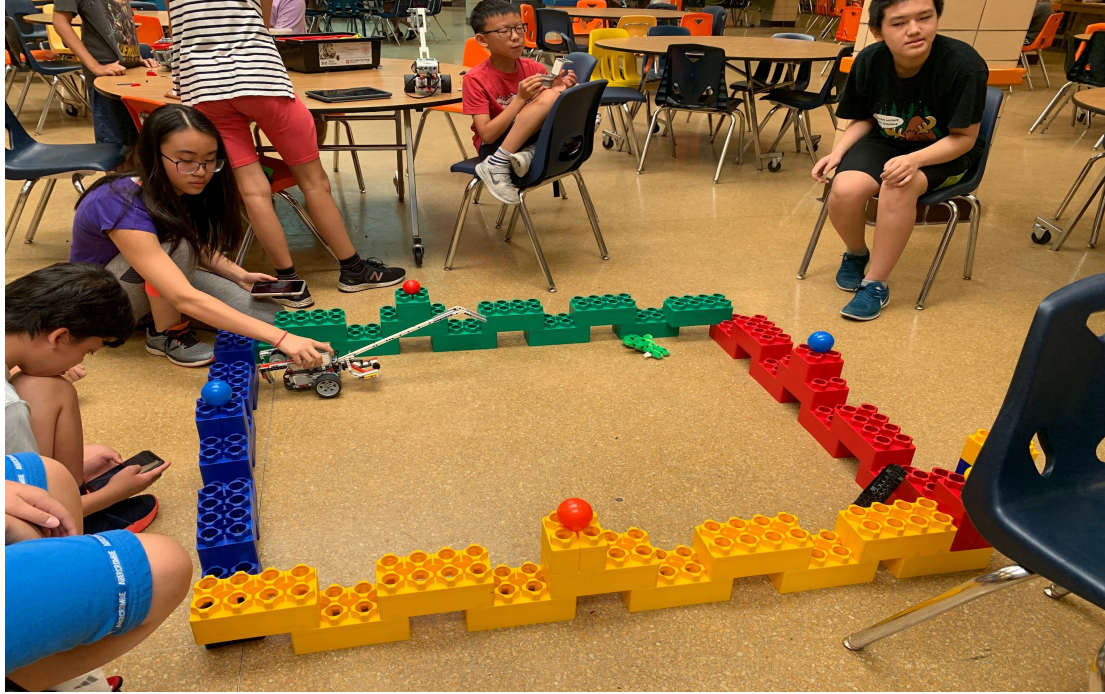

English 8
celebrating the culmination of their
reading unit with a "Renaissance Faire"

Science 6
writing hypotheses
for experiments

Middle School & Elementary School Highlights

Robotics hosted the annual "BattleBots" competition

"Big Buddy, Little Buddy"
problem solving in math
between **Math 5** and **Algebra 9**
classes

The Techniques
of the Masters**

Claymation

Rocketry

**Gourmet Delights
(Cooking)**

Musical Theater -- “The Little Mermaid, Jr.”

- **35 students** met after the enrichment day for 3 hours daily (11:45 - 2:45)
- Student Aides produced sets and props, while students provided costumes
- A full performance was held on July 31st in the North High auditorium

Instrumental Music

- **73 students** enrolled
- Enrichment sections included:
 - Beginner Brass
 - Beginner Woodwind
 - Beginner Strings
 - Intermediate Orchestra
 - Intermediate Band
- Afternoon sections included:
 - Jazz Band (12:30 - 2:00 pm)
 - Chamber Music (2:30 - 4:00 pm)
- Our annual summer concert was on Thursday, August 1st in the North High auditorium

Enrollment and Offerings - High School

- **Fourteen high school classes** were offered for credit recovery
- A total of **260 Regents exams** were administered across ten different subject areas, including the **first ever** summer administration of the new Global History II (New Framework) exam
- **Nine** Regents review classes were offered from August 1 - 12
- Our high school program is open to Garden City students, and this summer we enrolled **66 students** from Garden City (including 3 for credit recovery, 8 for Regents review, and 64 for the Regents)

ENL - English as a New Language

- The ENL courses for grades 1-2, 3-5, 6-8, and high school are divided based on the NYSITELL and NYSESLAT proficiency levels
- We register currently enrolled ENL students based on their ENL teacher's recommendation

ENL - English as a New Language

<i>Course</i>	<i>Students</i>		
	2017	2018	2019
Kindergarten	15	17	12
Grades 1 & 2 Entering/Emerging	9	17	22
Grades 1 & 2 Transitioning/Expanding	11	11	15
Grades 3-5 Entering/Emerging	7	13	9
Grades 3-5 Transitioning/Expanding	11	17	23
Grades 6-8	21	20	25
High School SIFE/Beginner, Intermediate, and Advanced	51	42	41
Total	125	137	147 students

ENL Program Highlights

High School students tested their new measurement vocabulary to make pancakes for breakfast one day

Elementary ENL classes created their own ice cream flavors, and made them in the kitchen with the Gourmet Delights (cooking) classes

Middle School ENL classes pushed into several Enrichment courses over the course of several days; participating courses included: Claymation, Becoming a 7th Grader, History's Mysteries, Rocketry, Discover Sculpture, Painting, Chess, and Robotics

Security Updates from Summer 2019

- Our summer staff conducted one lockdown drill and two fire drills
- We created identification badges for the following:
 - out-of-district staff
 - student assistants and volunteers
 - high school students attending the high school program
- We will be meeting with North High School staff during the next few months to prepare our security plans for Summer 2020

Overall Enrollment and Revenue

Total Enrollment

2014: 867
2015: 1038
2016: 1008
2017: 1020
2018: 1060
2019: 940

Regents

2014: 86
2015: 295
2016: 485
2017: 346
2018: 299
2019: 260

Revenue

2014: \$193,059
2015: \$213,984
2016: \$430,398
2017: \$435,229
2018: \$514,272
2019: \$462,962

Looking Ahead to Summer 2020

- **High School Program:** Wednesday, July 1 - Wednesday, August 12
(Regents: Thursday, August 13 and Friday, August 14)
- **Enrichment Program:** Monday, July 6 - Thursday, August 6

Early Bird Rate (on or before 5/22)	\$1,071.00
Regular Tuition (after 5/22)	\$1,275.00
Out of District	\$1,446.00
Financial Aid Rate	\$620.00

Registration for all programs will open shortly before the Spring Recess

Aspirations for Summer 2020

- Extend the elementary enrichment program to include two-period or three-period day options for Grades 1, 2, and 3 (e.g., extending time spent on reading, introducing math classes for Grades 1 and 2)
- Secure space and staff for possible new courses based on community and student interest
 - Expanded offerings at the elementary level
 - Broader offerings in mathematics
 - Foreign language courses
- Divide larger ENL sections into smaller, more responsive ones:
 - Old: Elementary ENL (grade 3-5) and Middle School ENL (grade 6-8)
 - New: Grade 3-4 ENL, Grade 5-6 ENL, and Grade 7-8 ENL

Thank you for your continued support!
