## **ENTRANCE AGE**

### **INFORMATION**

Attached for Board of Education consideration is a revised policy: ***Entrance Age (5140)***. The revision addresses a ruling by the New York State Department of Education specifying that District regulations for entrance to public schools cannot be predicated upon age in grades other than pre-kindergarten and kindergarten. As a result, the policy has been retitled ***New Student Eligibility for Admission***, and all references to age requirements beyond pre-kindergarten and kindergarten have been deleted. In addition, new language has been added to govern procedures for placing new students entering other grades. This revised policy is being submitted for a second of three readings, and there have been no changes since its first reading on 1/11/18. No Board action will be taken at this time.

## **ENTRANCE AGE NEW STUDENT ELIGIBILITY FOR ADMISSION**

### **Kindergarten**

In accordance with New York State Education Law, every child admitted to pre-kindergarten (§3602-e (1) (c) in the Great Neck Public Schools must attain the age of four years on or before December 1 of the year of entrance, and every child admitted to kindergarten §3202(1) in the Great Neck Public Schools District must attain the age of five years on or before December 1 of the year of entrance. A birth certificate must be presented as proof of age.

~~No child under the aforementioned age will be admitted at any time during the school year unless:~~

- ~~1. The child was in attendance at another public school district in which the child's entrance age was in compliance; and~~
- ~~2. A recommendation for admission is made by the Department of Pupil Personnel Services after completion of the District's screening process~~

### **First Grade**

~~Every child admitted to first grade must attain the age of six years on or before December 1 of the year of entrance. An underage child, one whose birthday falls after December 1, may be accepted if the child has completed a full year of kindergarten and is recommended for first grade placement by the director or principal of the school attended. (Nursery school attendance is not a substitute for kindergarten.)~~

### **Procedure for Underage First Grade Applicants**

~~A parent who seeks to enroll an underage first grade child will be supplied with an entrance form by the Office of Attendance and Registration. The parent will have the director or principal of the child's former private or public school complete the form and mail it to the Office of Attendance and Registration. After the district's screening process has been completed, the parent will be notified as to the child's placement.~~

~~All new underage entrants in kindergarten through fifth grade will be observed by school staff for a minimum of two weeks in order to determine the appropriateness of the grade placement.~~

Initial placement of new resident students in other grades shall be based upon transfer data from their former schools. Final grade placement following admission shall be based upon direct observation by building staff and the student's level of performance in relation to the District's standards for the grade. The building principal will then notify the parent of the final decision regarding the child's placement. If the decision involves a change in grade, the parent will be informed in advance.

In accordance with *Policy 5150 School Admission*, all students must meet the legal requirements for immunization series completion before being admitted to school.

## **HOMELESS STUDENTS**

### **INFORMATION**

Attached for Board of Education consideration is a revised policy: ***Homeless Students (5151)***. The revision addresses changes made under New York State laws and regulations conforming to the Federal Every Student Succeeds Act (ESSA) including the District's responsibility regarding the identification, enrollment, attendance and school success of homeless students. This revised policy is being submitted for a second of three readings, and there have been no changes since its first reading on 1/11/18. No Board action will be taken at this time.

## HOMELESS STUDENTS

The Board of Education recognizes its responsibility, ~~in accordance with~~ under Federal (McKinney-Vento) and New York State laws and regulations, to identify homeless ~~children~~ students within the District, encourage their enrollment and eliminate existing barriers to their ~~education~~ identification, enrollment, attendance, or success in school that may exist in District practices. The Board will provide homeless ~~children~~ students attending the District's schools with access to the same free and appropriate public education and other school programs and activities, including publically funded preschool education, as other ~~children~~ students.

The District shall coordinate with local social services agencies and other entities providing services to homeless ~~children~~ students and their families for the provision of services to homeless ~~children~~ students, and shall coordinate with other school districts on issues of prompt identification, transportation, transfer of records, and other inter-district activities. This shall include ensuring the provision of appropriate services to homeless students with disabilities who are eligible for services under either Section 504 or IDEA.

A homeless ~~child~~ student has the right to attend public preschool or school in either the district of origin (i.e., where he/she resided before becoming homeless), the district of current location, or a district participating in a regional placement plan. The homeless ~~child~~ student is entitled to attend the designated school district on a tuition-free basis for the duration of his or her homelessness. If the ~~child~~ becomes permanently housed, the ~~child-student~~ is entitled to continued attendance in the same school building until the end of the school year, and for one additional year if that year constitutes the ~~child's~~ student's terminal year in such building. If a homeless ~~child~~ student completes the final grade level in his/her school of origin, the ~~child~~ students may also attend the designated receiving school at the next grade level for all feeder schools for that one year.

The District shall coordinate with social services agencies and other entities providing services to homeless students and their families for the provision of services to homeless students and shall coordinate with other school districts on issues of prompt identification, transportation, transfer of records and other inter-district activities. This shall include ensuring the provision of appropriate services to homeless students with disabilities who are eligible for services under either Section 504 or IDEA.

A portion of the District's Title 1, Part A funds shall be set aside for homeless students and youth to provide educationally related support services and services not ordinarily provided to other students.

### **Definition of Homeless Child Students and Unaccompanied Youth**

Pursuant to the McKinney-Vento Homeless Education Assistance Act (42 USC § 11434a [2]) (McKinney-Vento) and New York State Education Law § 3209 (1) (a), a homeless ~~child~~ student is defined as a ~~child~~ student who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a ~~child~~ student who is:

- Sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up).
- Living in emergency or transitional shelters.
- Living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations.
- Living in a car, park, public space, abandoned building, substandard housing, bus or train stations or similar settings.
- Abandoned in hospitals.
- ~~Awaiting foster care placement.~~
- A migratory ~~child~~ student who qualifies as homeless because he or she is living in circumstances described above.

~~In addition,~~ An unaccompanied youth is a homeless ~~child~~ student for whom no parent or person in parental relation is available (8 NYCRR §100.2[x] [1] [vi]). The term unaccompanied youth shall not include a student or youth who is residing with someone other than a parent or legal guardian for the sole reason of taking advantage of the schools of the District.

### **Identification of Homeless Students**

The Great Neck Public Schools shall determine whether there are homeless students within the Great Neck School District. It shall do so by all means available, including, but not limited to contacting:

- Nassau County Department of Social Services.
- Any local runaway and homeless youth shelter (as listed at <http://www.ocfs.state.ny.us/main/Youth/rhydirectory.asp>).
- Any other shelters located in the district.

The District will have a student residency questionnaire that asks for a description of the current living arrangements of the ~~child~~ students or youth in order to determine whether the child or youth meets the definition of a homeless ~~child~~ students under McKinney-Vento and New York State Education Law §3209 (1) (a). This questionnaire will be distributed to every family upon registration for school and those reporting a change of address, ~~and will also be available in all school buildings for distribution by the school guidance and nursing staff.~~ For immediate enrollment, parents/guardians of homeless students are not required to provide proof of residency or any other documentation ordinarily required. Information about a homeless ~~child's~~ student's living situation shall be treated as a student education record, and shall not be deemed to be directory information under the Family Educational Rights and Privacy Act of 1974 (FERPA) in accordance with *Policy 5500 Student Records*.

### **Duties of the Mandated Local Liaison for Homeless Children Students and Youth**

Every Local Education Agency (LEA), regardless of whether it receives a McKinney-Vento sub-grant, is required to designate a local liaison for homeless ~~children~~ students and youth (Homeless Liaison), and ensure that this person is aware of, and able to carry out his or her responsibilities under the law. The Homeless Liaison at the LEA serves as one of the primary contacts between homeless families and school staff, District personnel, shelter workers, and other service providers.

The Homeless Liaison coordinates services to ensure that homeless ~~children~~ students and youth enroll in school, and have the opportunity to succeed academically. The liaison shall receive appropriate professional development on identifying and meeting

the needs of homeless students, including the definitions of terms related to homelessness.

The LEA understands that its Homeless Liaison must ensure that:

- Homeless ~~children~~ students and youth are identified by school personnel ~~and~~ through outreach and coordination activities with other entities and agencies.
- School personnel providing services under the McKinney Vento Act receive professional development and other support.
- Homeless students enroll in, and have full and equal opportunity to succeed in, the schools of the LEA.
- Homeless ~~children~~ students and youth and their families receive educational services for which they are eligible, including but not limited to Head Start, Even Start and preschool programs administered by the LEA, ~~and as well as~~ referrals to health care, ~~mental health, dental~~ and other appropriate services for homeless students and their families.
- Parents or guardians of homeless ~~children~~ students and youth are informed of educational and related opportunities available to their ~~children~~ students, and are provided with meaningful opportunities to participate in the education of their ~~children~~ students.
- Parents and guardians and unaccompanied youth are fully informed of all transportation services, including transportation to and from the school district of origin, and are assisted in accessing transportation services.
- Disputes regarding school selection, enrollment or transportation are promptly mediated and resolved in accordance with the requirements of McKinney-Vento. The District must continue enrollment and transportation during any dispute involving eligibility, school selection, enrollment or transportation pending final resolution of the dispute, including all available appeals.
- Assistance in commencing an appeal pursuant to Education Law §310 of a final determination regarding enrollment, school selection and/or transportation is provided to the homeless ~~child's~~ student's or youth's parent or guardian or the

unaccompanied youth in accordance with the provisions of 8 NYCRR §100.2(x)(7)(iii).

- Public notice of the educational rights of homeless students is posted in locations where such students receive services, ~~such as schools, shelters, and soup kitchens~~ frequented by homeless unaccompanied youth and parents/guardians of homeless children in a manner and form that is understandable to the parents and guardians and unaccompanied youths.
- A record is maintained of all appeals of enrollment, school selection and transportation.
- School personnel, service providers and advocates working with homeless families are informed of the duties of the Homeless Liaison and receive required professional development and support on identifying and meeting the needs of homeless students. 42 USC §11432(g)(6)(A); 8 NYCRR §100.2(x)(7)(iii).
- Homeless unaccompanied youth are informed of their status as independent students under section 480 of the Higher Education Act of 1965 (20 U.S.C. section 1087 (vv)) and their right to receive verification of this status from the local educational agency McKinney-Vento liaison, are enrolled in school, and have opportunities to meet the same state standards set for all students, including receiving credit for full or partial coursework earned in a prior school pursuant to Commissioner's regulations.
- Students identified as homeless receive free school meals.
- For homeless students attending school out of the District, the District shall, within five days of receipt of a request for records, forward a complete copy of the homeless student's records including proof of age, academic records, evaluation, immunization records and guardianship paper, if applicable. For homeless students attending school in the District, the District shall request the student's records from the school the student last attended.

### **Transportation Responsibilities**

The District shall promptly provide transportation for homeless students currently attending District schools as required by applicable law. In general, the District shall ensure that transportation is provided to homeless students enrolled in the District who attend a school of origin, including a publicly funded preschool administered by the District or the New York State Department of Education (SED), even if the student lives outside of the district's boundaries. Transportation shall be provided for the duration of homelessness thorough the remainder of the school year in which the student becomes permanently housed, and one additional year if that is the student's final year in the school.

- A Local Department of Social Services (LDSS) is responsible for providing transportation to homeless ~~children~~ students who are eligible for benefits under New York State Social Services Law §350-j and placed in temporary housing arrangements outside their designated districts.
- To the extent funds are provided for such purpose, the New York State Office of Children and Family Services (OCFS) must provide transportation for each homeless ~~child~~ student who lives in a residential program for runaway youth and homeless youth located outside of the designated school district. The LDSS or OCFS may contract with a school district or Board of Cooperative Educational Services (BOCES) to provide such transportation. The costs for transportation will be reimbursed by the LDSS with the submission of a Runaway and Homeless Youth Act Transportation Program Form, which is available from the Homeless Education Program Office (518-473-0295).
- Any homeless ~~child~~ student not entitled to receive transportation from the LDSS or OCFS must be transported by the designated school district. *New York State Education Law §3209(4); 8 NYCRR §100.2(x)(6).*
- When the school district of the current location is designated as the school district the homeless ~~child~~ student will attend, that school district must provide transportation to the homeless ~~child~~ student on the same basis as it is provided to resident students. *New York State Education Law §3209(4)(d); 8 NYCRR §100.2(x)(6)(iii).*

- If the homeless ~~child~~ student designates the school district of origin or a school district participating in a regional placement plan, then that school district must provide transportation to and from the homeless ~~child's~~ student's temporary housing and school. Such transportation cannot exceed 50 miles one way, unless the Commissioner determines that it is in the best interest of the ~~child student~~. *New York State Education Law §3209(4)(c); 8 NYCRR §100.2(x)(6)(ii).*
- Homeless ~~children~~ students are entitled to transportation during any disputes regarding school selection and enrollment. *8 NYCRR §100.2(x)(7)(ii)(c).*
- Transportation for Summer School is required if the designated school district of attendance has recommended that the student who is homeless attend a summer educational program and the lack of transportation poses a barrier to participation. The school district or social services district must provide transportation to extracurricular or academic activities if the student participates or would like to participate in the activity, meets relevant criteria for the activity and the lack of transportation presents a barrier to the student's participation.

**Amendment to the 2017-2018 School Calendar**

**INFORMATION**

After adopting the 2017-2018 school calendar, the District learned that the August 30, 2017 Superintendent's Conference Day may be used towards the minimum number of days in session required for state aid purposes. As a result, the District now has three inclement weather days rather than the two original inclement weather days noted in the 2017-2018 calendar adopted on 1/9/2017.

**RECOMMENDATION**

It is recommended that the Board of Education approve the attached amended 2017-2018 school calendar to reflect the additional inclement weather day.

**TRANSPORTATION APPEAL TO THE BOARD OF EDUCATION**

WHEREAS, the Board of Education ("Board") of the Great Neck Union Free School District ("District") has reviewed the transportation appeal of the determination made by the District's Assistant Superintendent for Business on December 8, 2017 regarding the students named in confidential attachment "A";

NOW THEREFORE, BE IT RESOLVED that, upon a careful review of the underlying record and all submissions on behalf of the students so named, the Board hereby affirms the determination made by the District's Assistant Superintendent for Business on December 8, 2017.

## **TUITION RATES FOR NON-RESIDENT PUPILS**

### **INFORMATION**

Under New York State Law local school districts must provide a continuum of services to special education students which results in educational placements within the least restrictive environment. In addition to the acceptance of out-of-district special education students, the Board of Education of the Great Neck School District may accept out-of-district (mainstream) placements in the day school program. The referral of special education students by other districts to the Great Neck Special Education Program constitutes adherence to State Regulations. When selective openings exist within the Great Neck program such openings may be viewed by other districts as potential placements if services within their district do not meet the needs of the student. The acceptance of a general education day school placement may provide that student with a curriculum or environment that is not available in the student's home district that is critical to the basic education of that student.

Each year a small number of special and (mainstream) education students request to enroll in the Great Neck School District. If accepted into the Great Neck School District, the student's home district is billed for the applicable tuition, which is computed by the New York State Education Department in accordance with section 174 of the Commissioner's Regulations.

### **RECOMMENDATION**

It is recommended that the Board of Education establish the following tuition rates for non-resident pupils for the 2017-2018 school year, in accord with NYCRR 174:

	<b><u>ANNUAL TUITION</u></b>	
Students with disabilities or in a District operated program	Grades	K-6
\$79,384		
(60% or more each school day)	Grades	7-12
\$87,258		
General education students	Grades	K-6
\$16,512		
General education students	Grades	7-12
\$24,386
