Health Services

Health Office Contact Numbers

Great Neck Public School District policy states, that for the safety of the children, parents must call the school's 24 hour dedicated attendance line if their child is going to be absent or late.

Absence or lateness, not reported, will be followed up with a telephone call to you via the Parent Link dialing system.

In the event that we are unable to reach someone at home, we may try to reach a parent at work or other persons named on the emergency card. This safety policy is done to account for the whereabouts of your child.

Please assist us in our efforts to keep your child safe by utilizing our 24 hour attendance phone line.

DO NOT call the school nurse.

*ONLY call the attendance number to report absence or lateness.
