The logo for 'GOALS' is rendered in a thick, white, stylized font. The letters are blocky and interconnected, with a modern, geometric feel. The background is a dark grey gradient, overlaid with intricate, hand-drawn patterns in black and white. These patterns include jagged, lightning-bolt-like shapes and more fluid, scribbled lines, creating a sense of energy and movement. The overall aesthetic is contemporary and dynamic.

Sorry, man, I don't h- -

Come on, man! I glorkin' need it!

Hey, get the hell off of me!

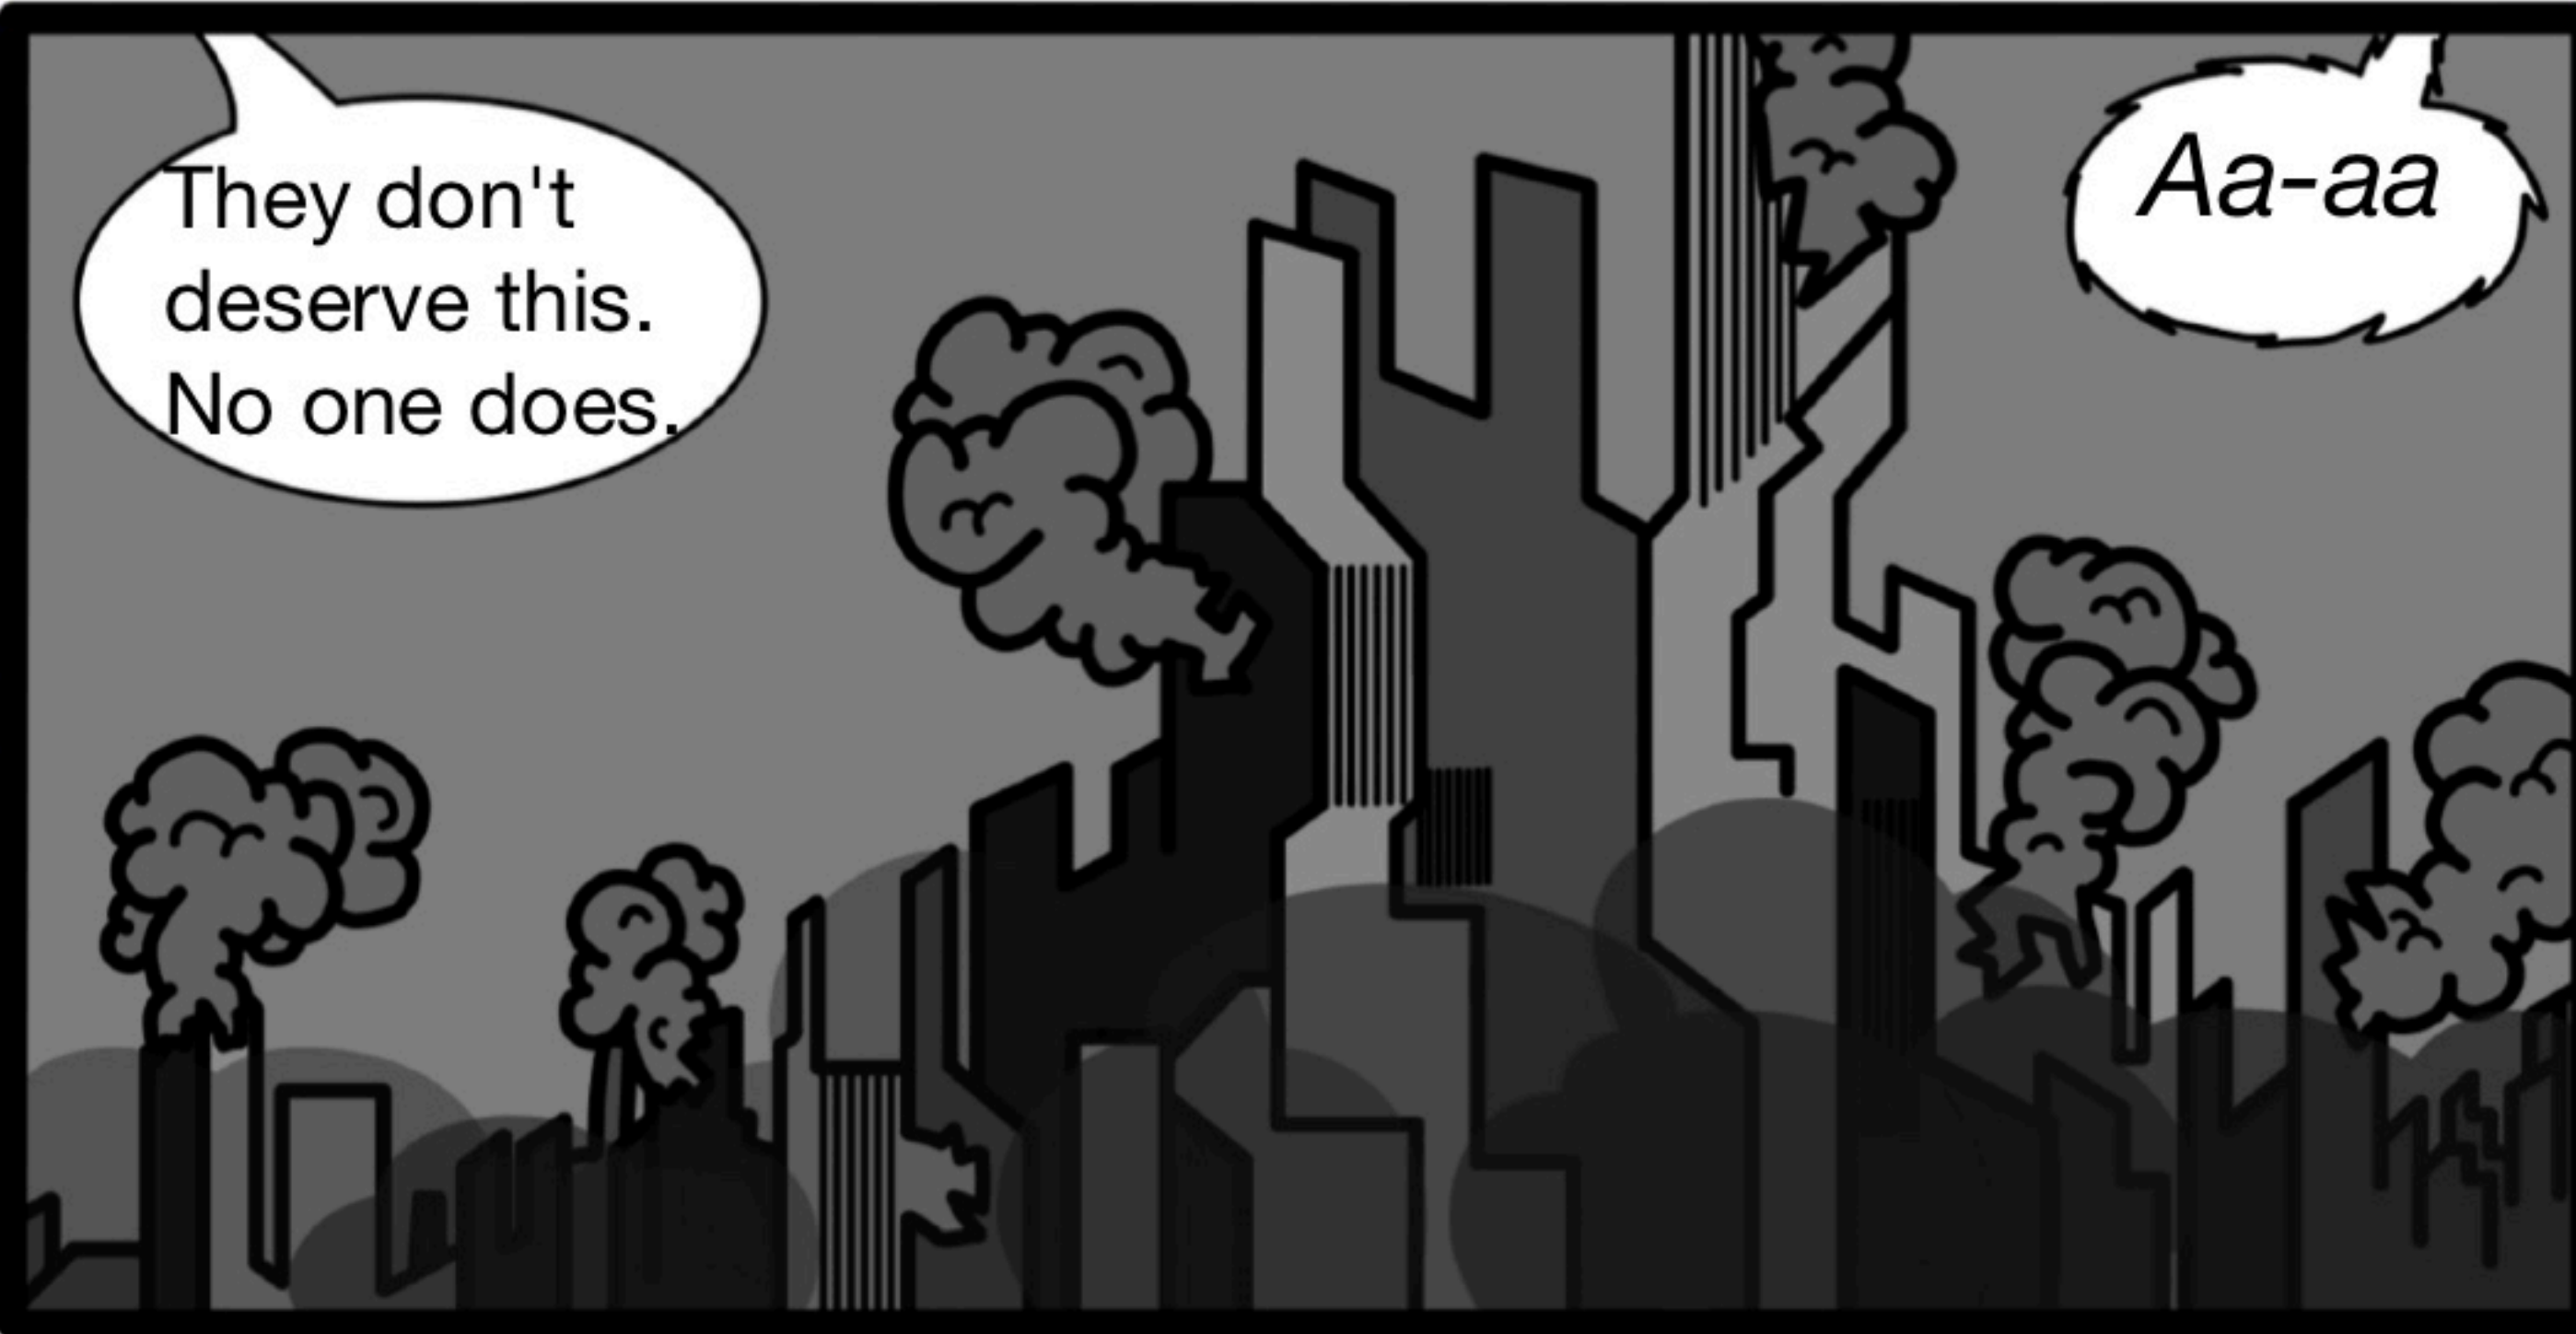

Come on, Ludo, let's get outta here.

My Devil's Blood
really did a number
on these people.

Oo-oo

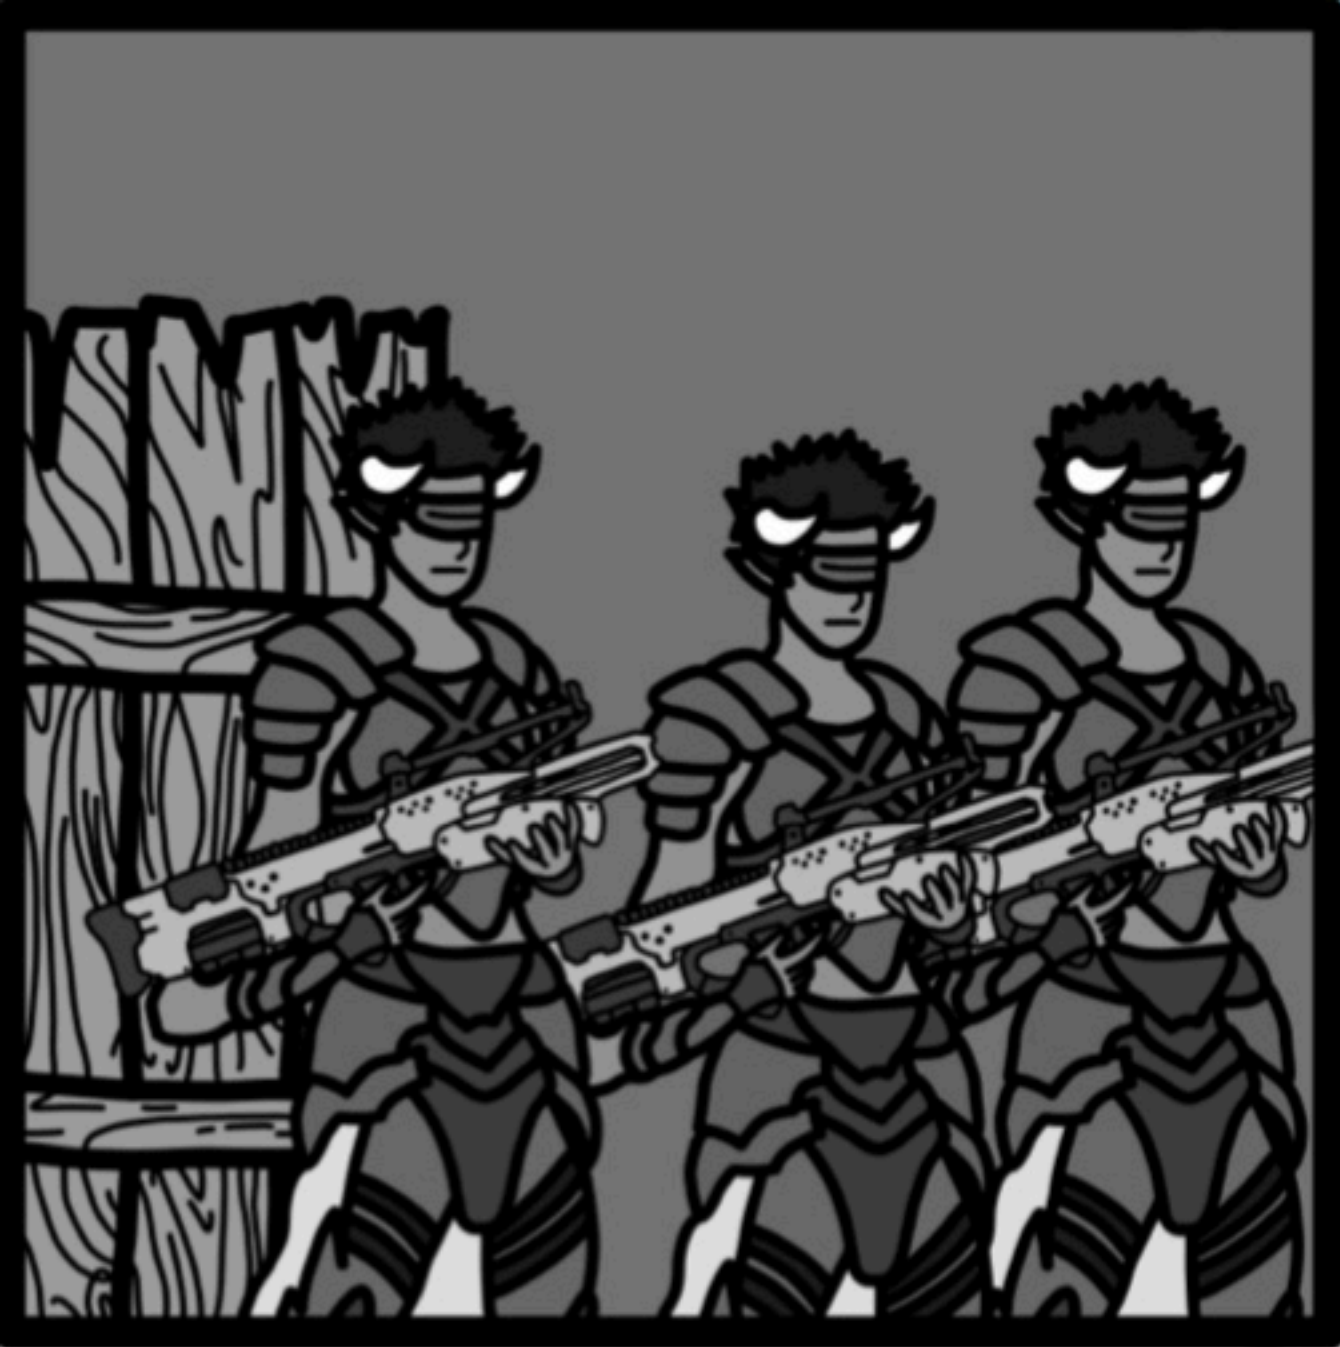

They don't
deserve this.
No one does.

Aa-aa

The Demon King's Palace.

Holy glork,
Ludo.

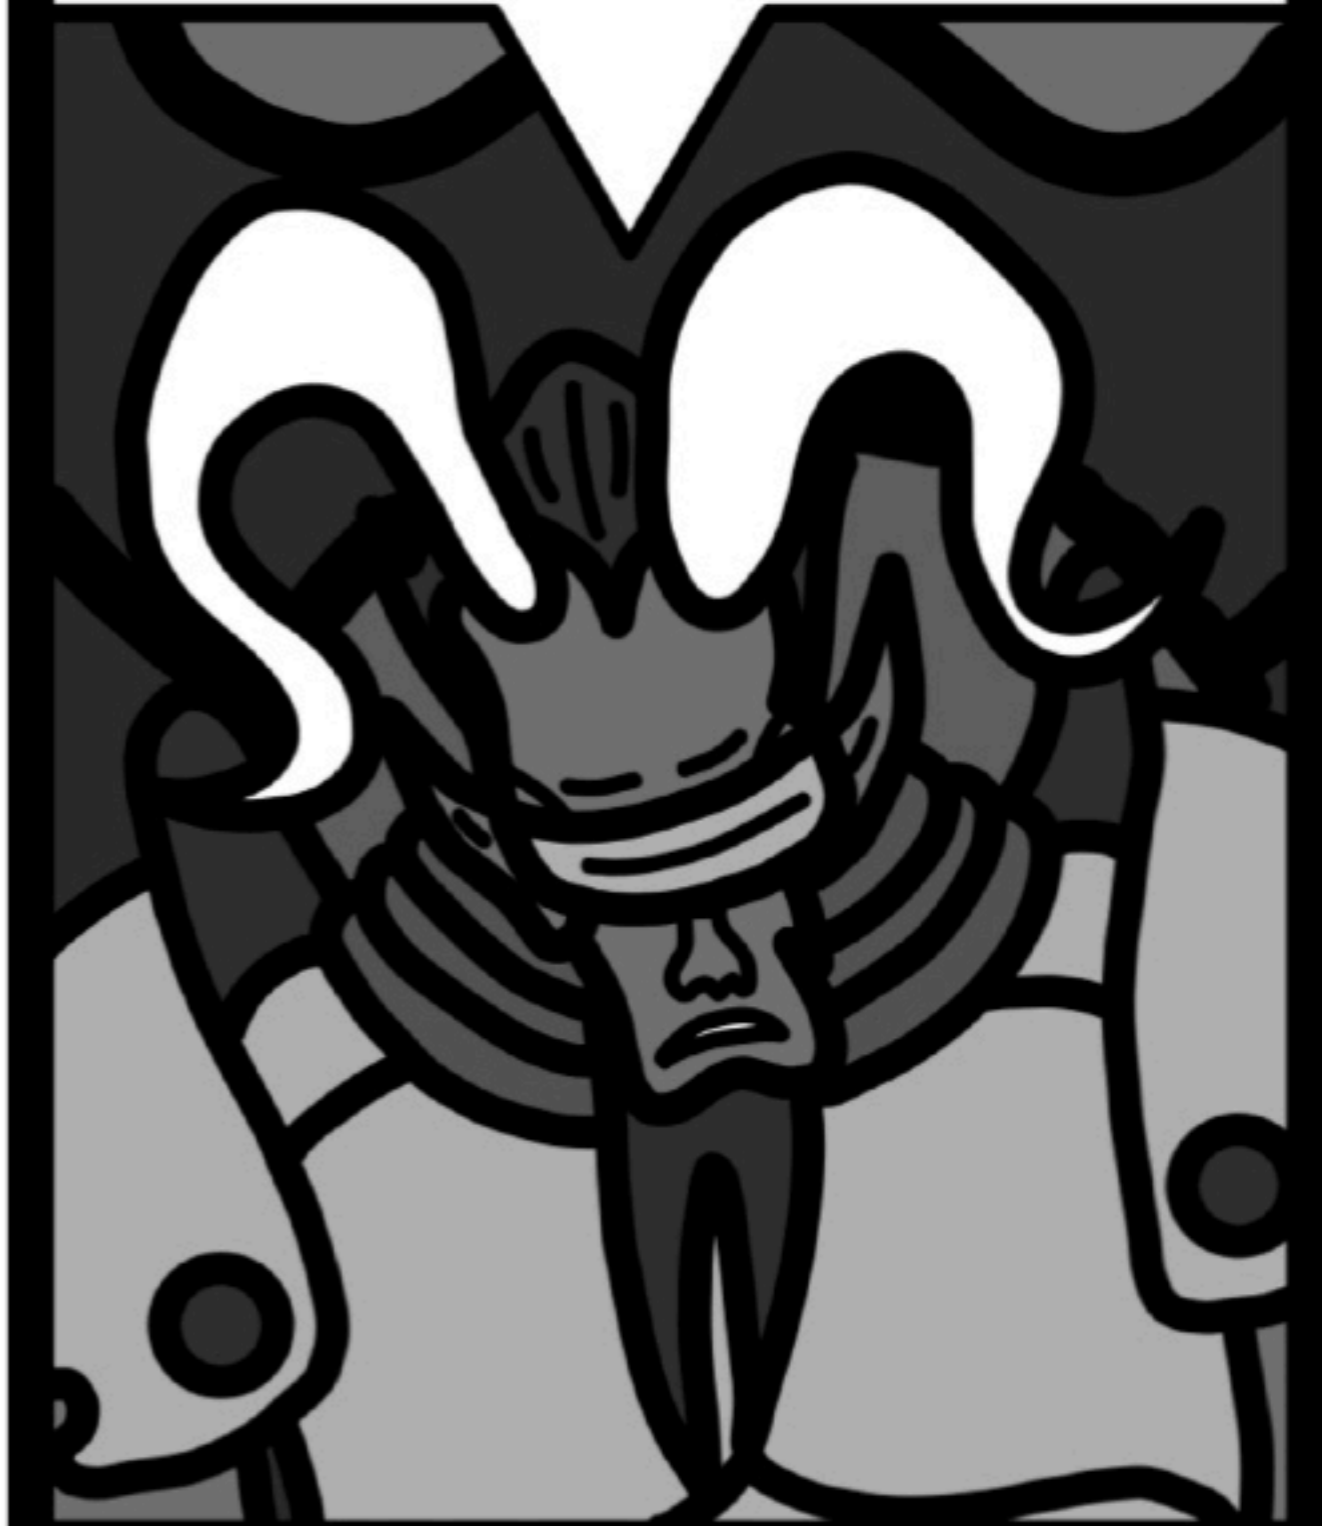

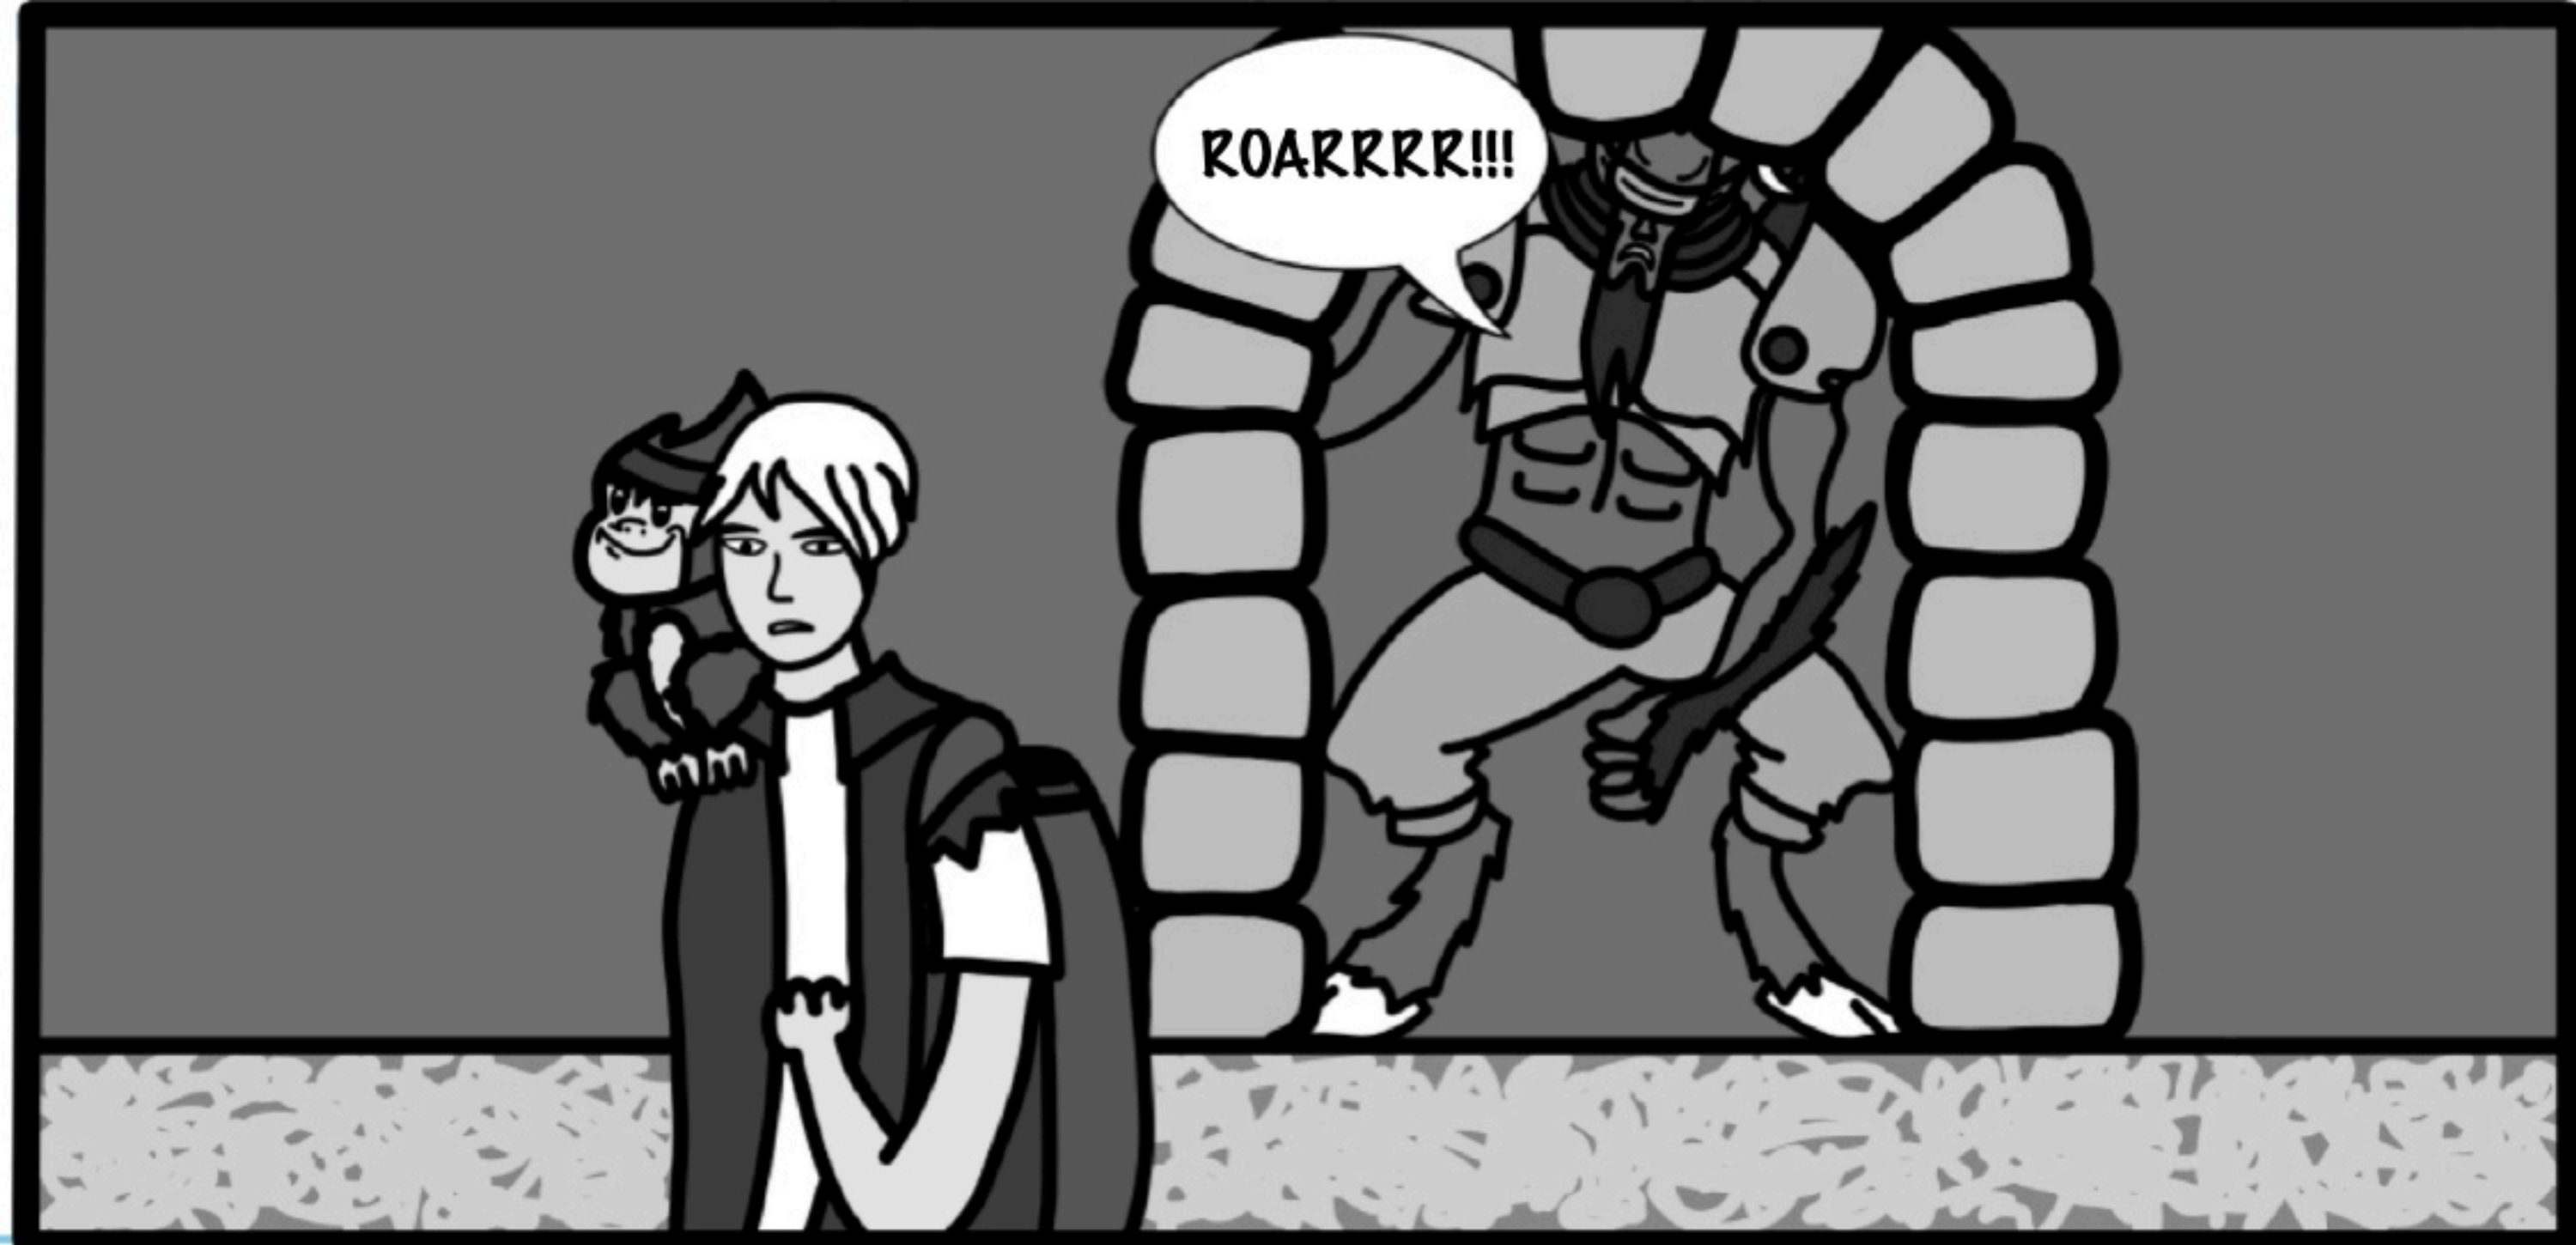

Pardon the interruption, sire. This is Sinn, the head of your Devil's Blood Cartel, and he has requested an emergency meeting with you.

Sinn, what is the problem with my Devil's Blood!?

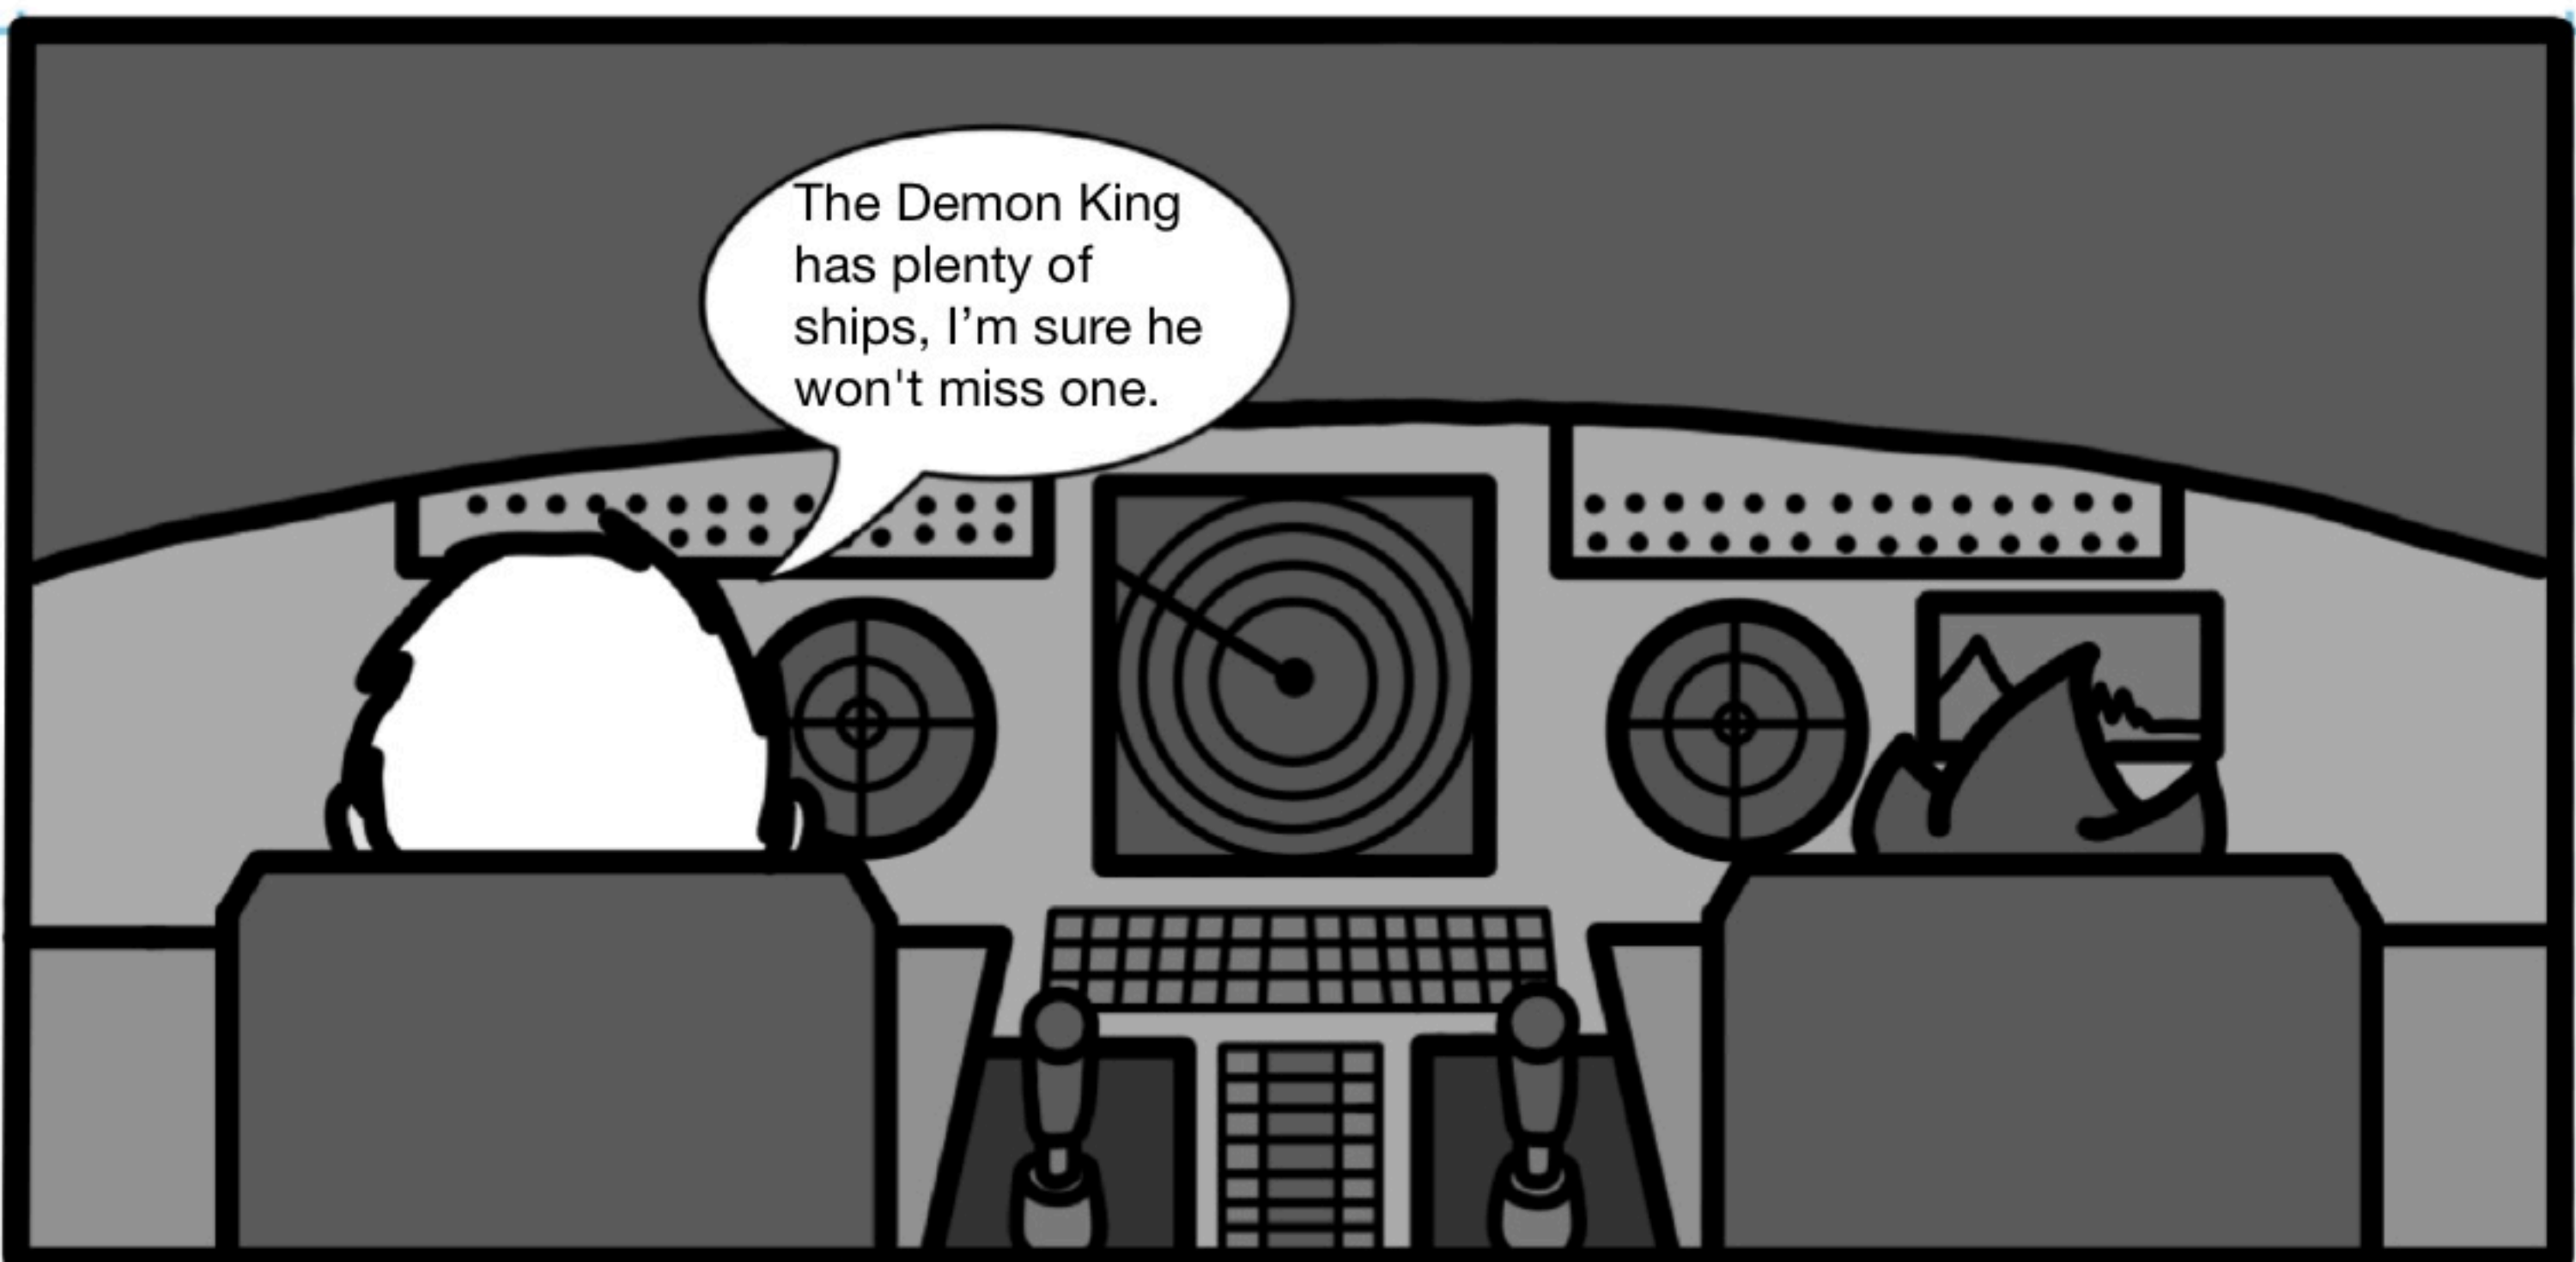

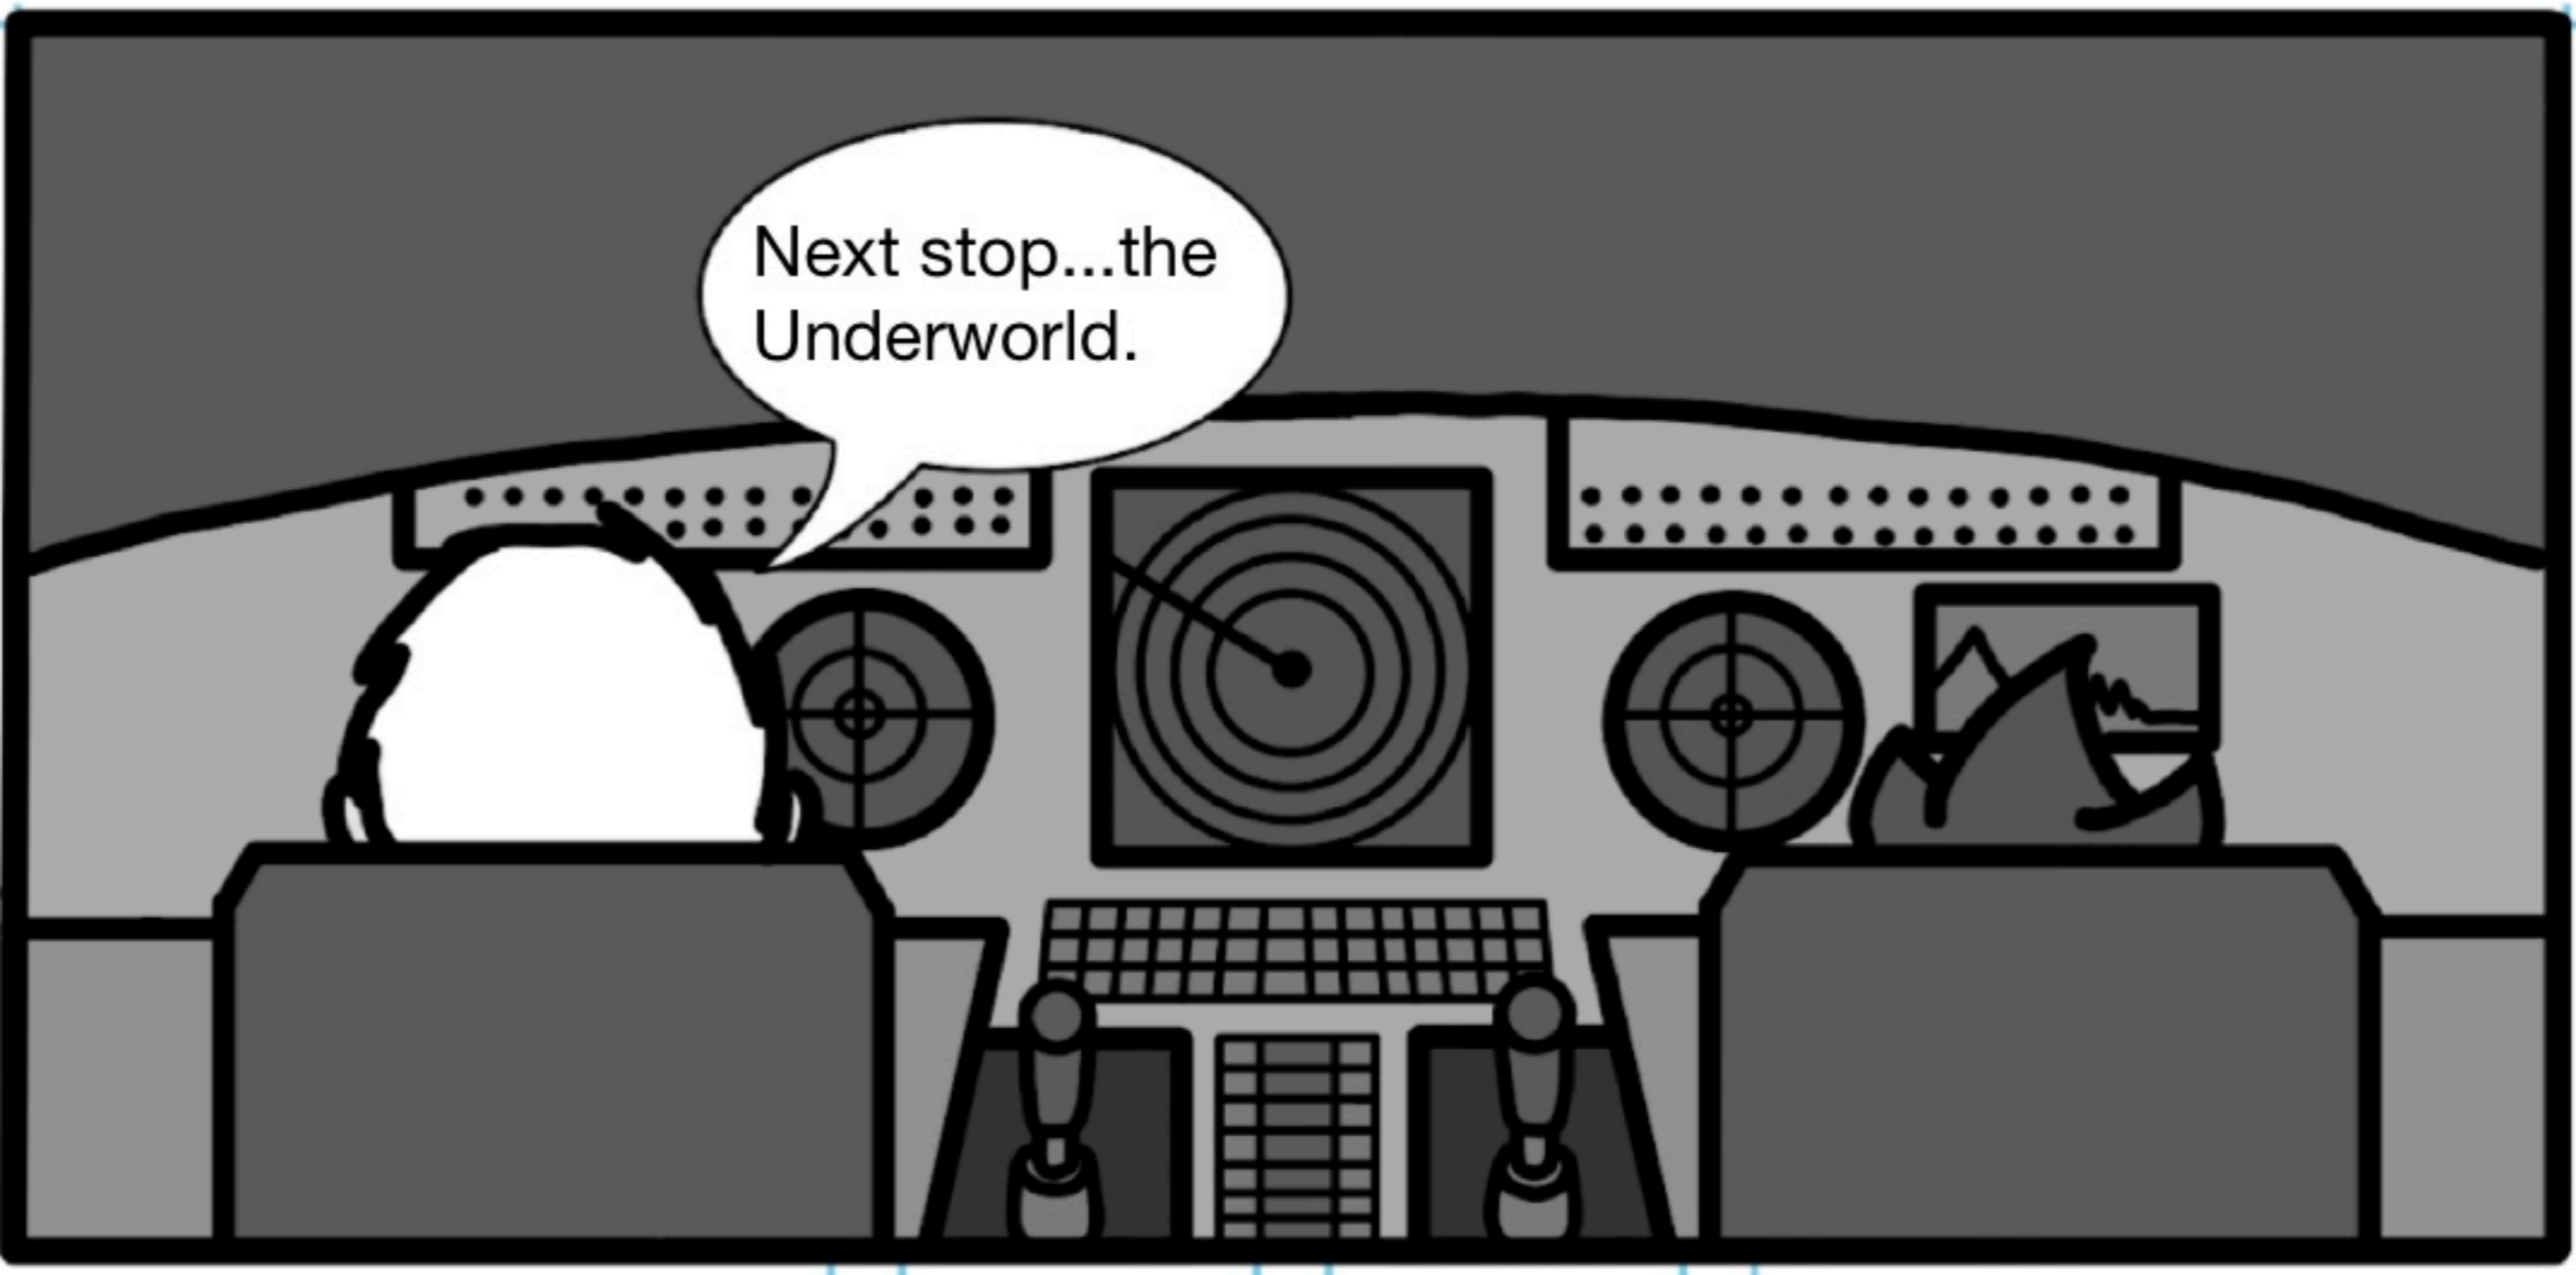

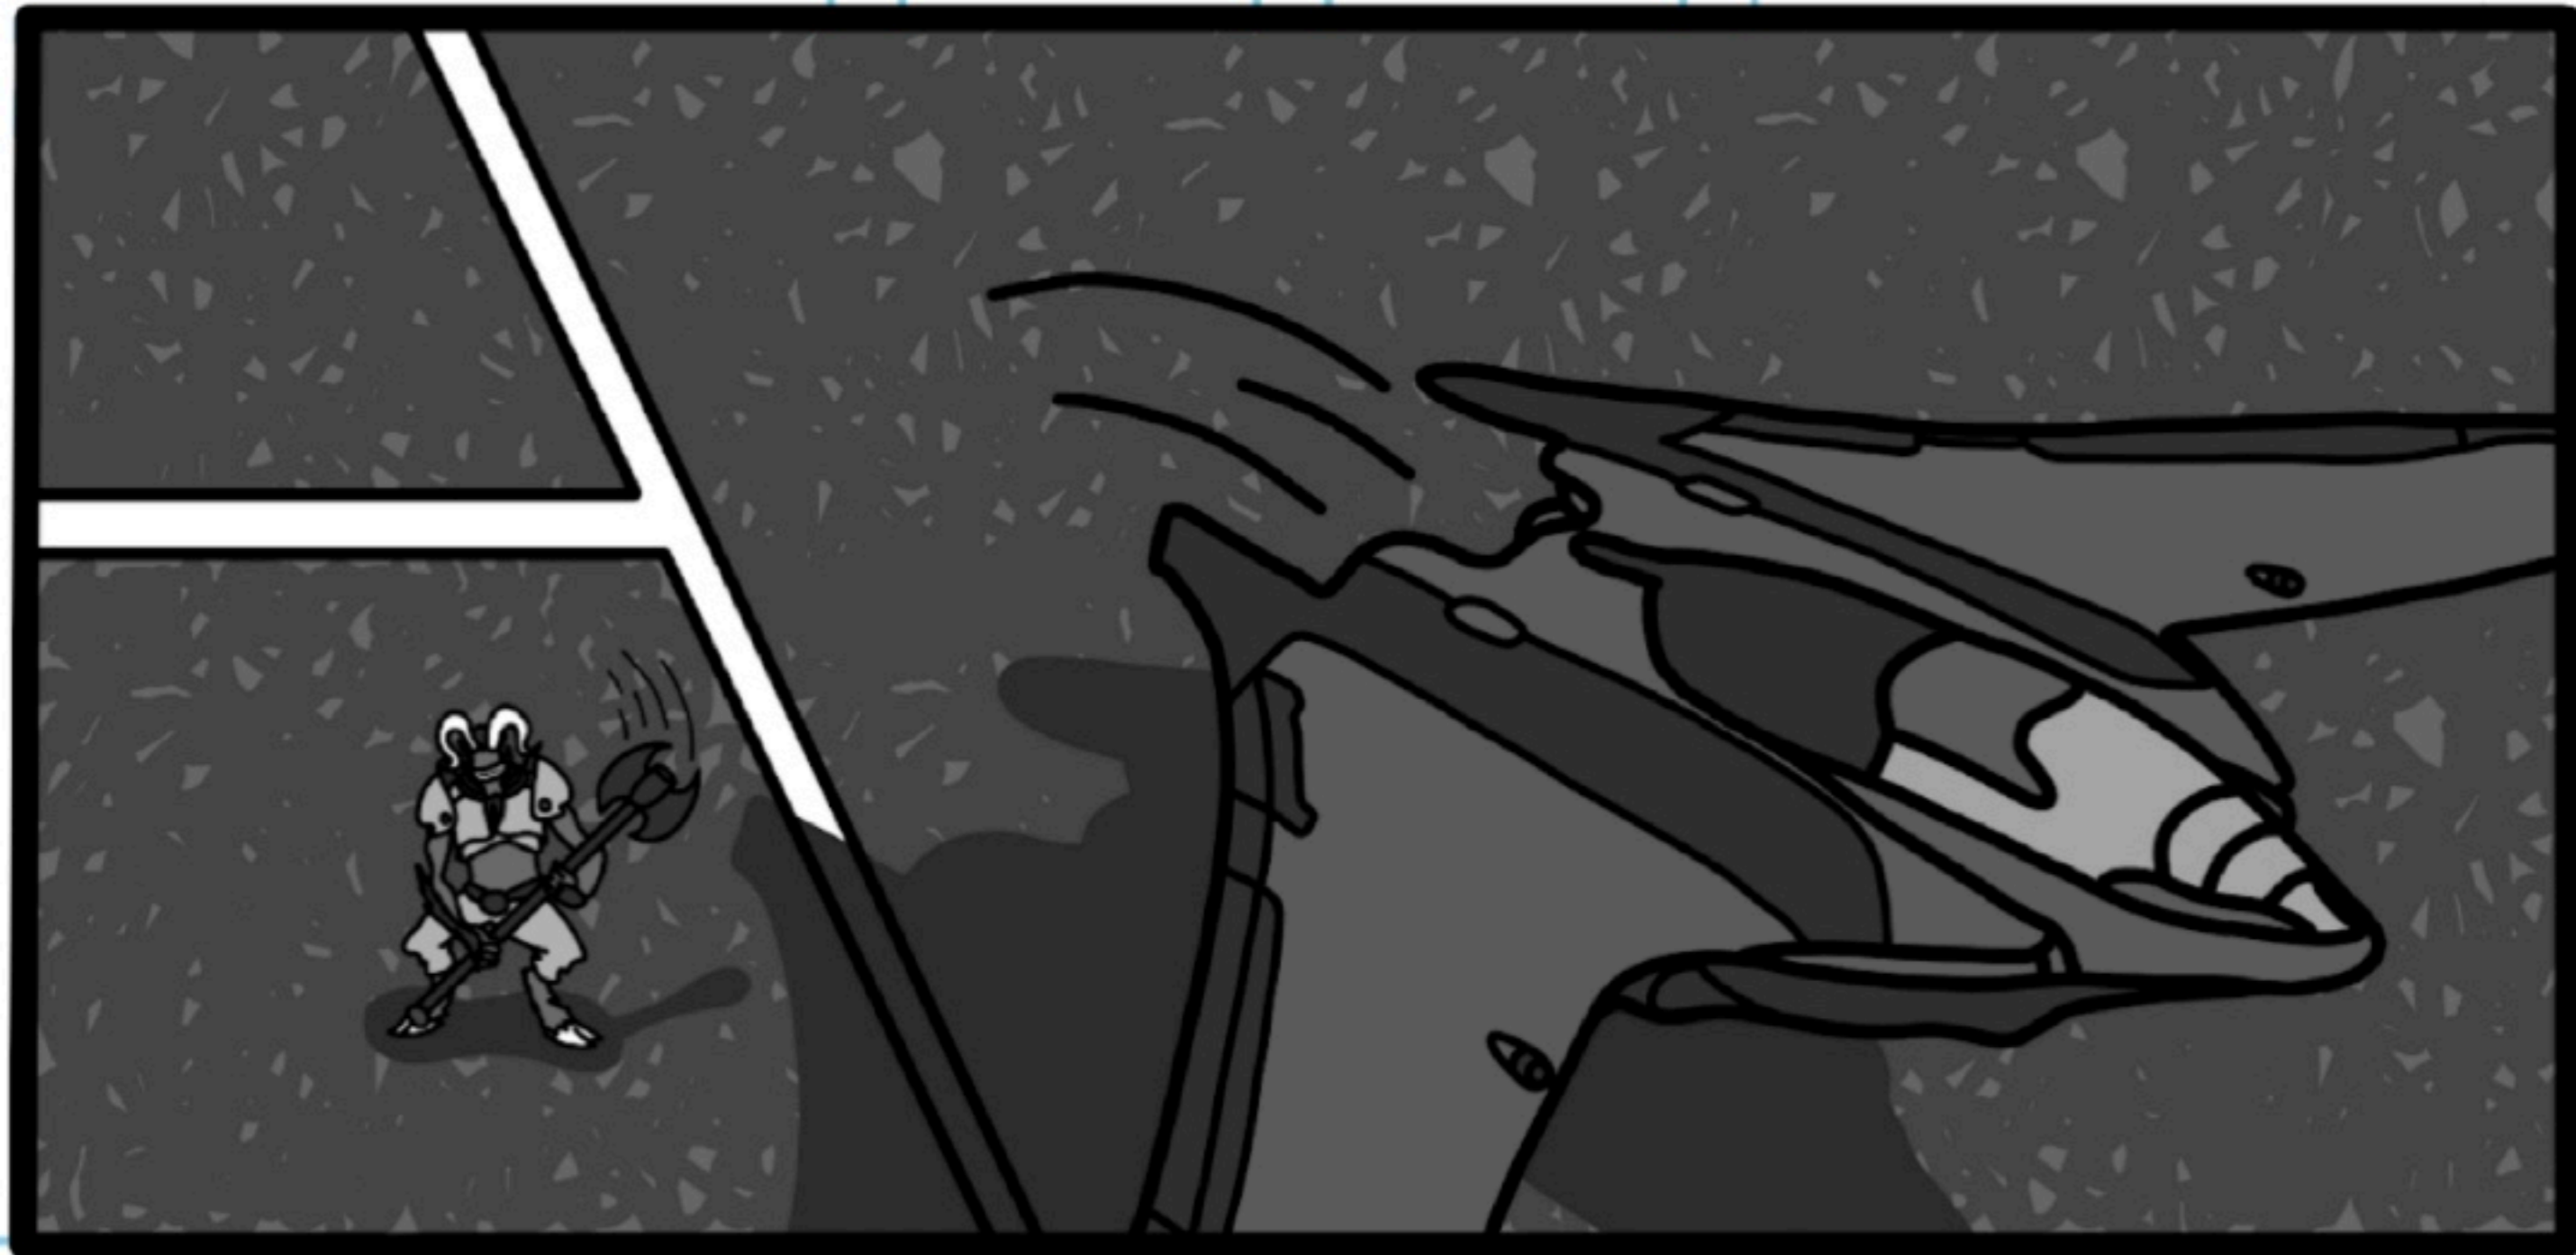

ROARRRR!!!

Hey, Ludo,
hop in!

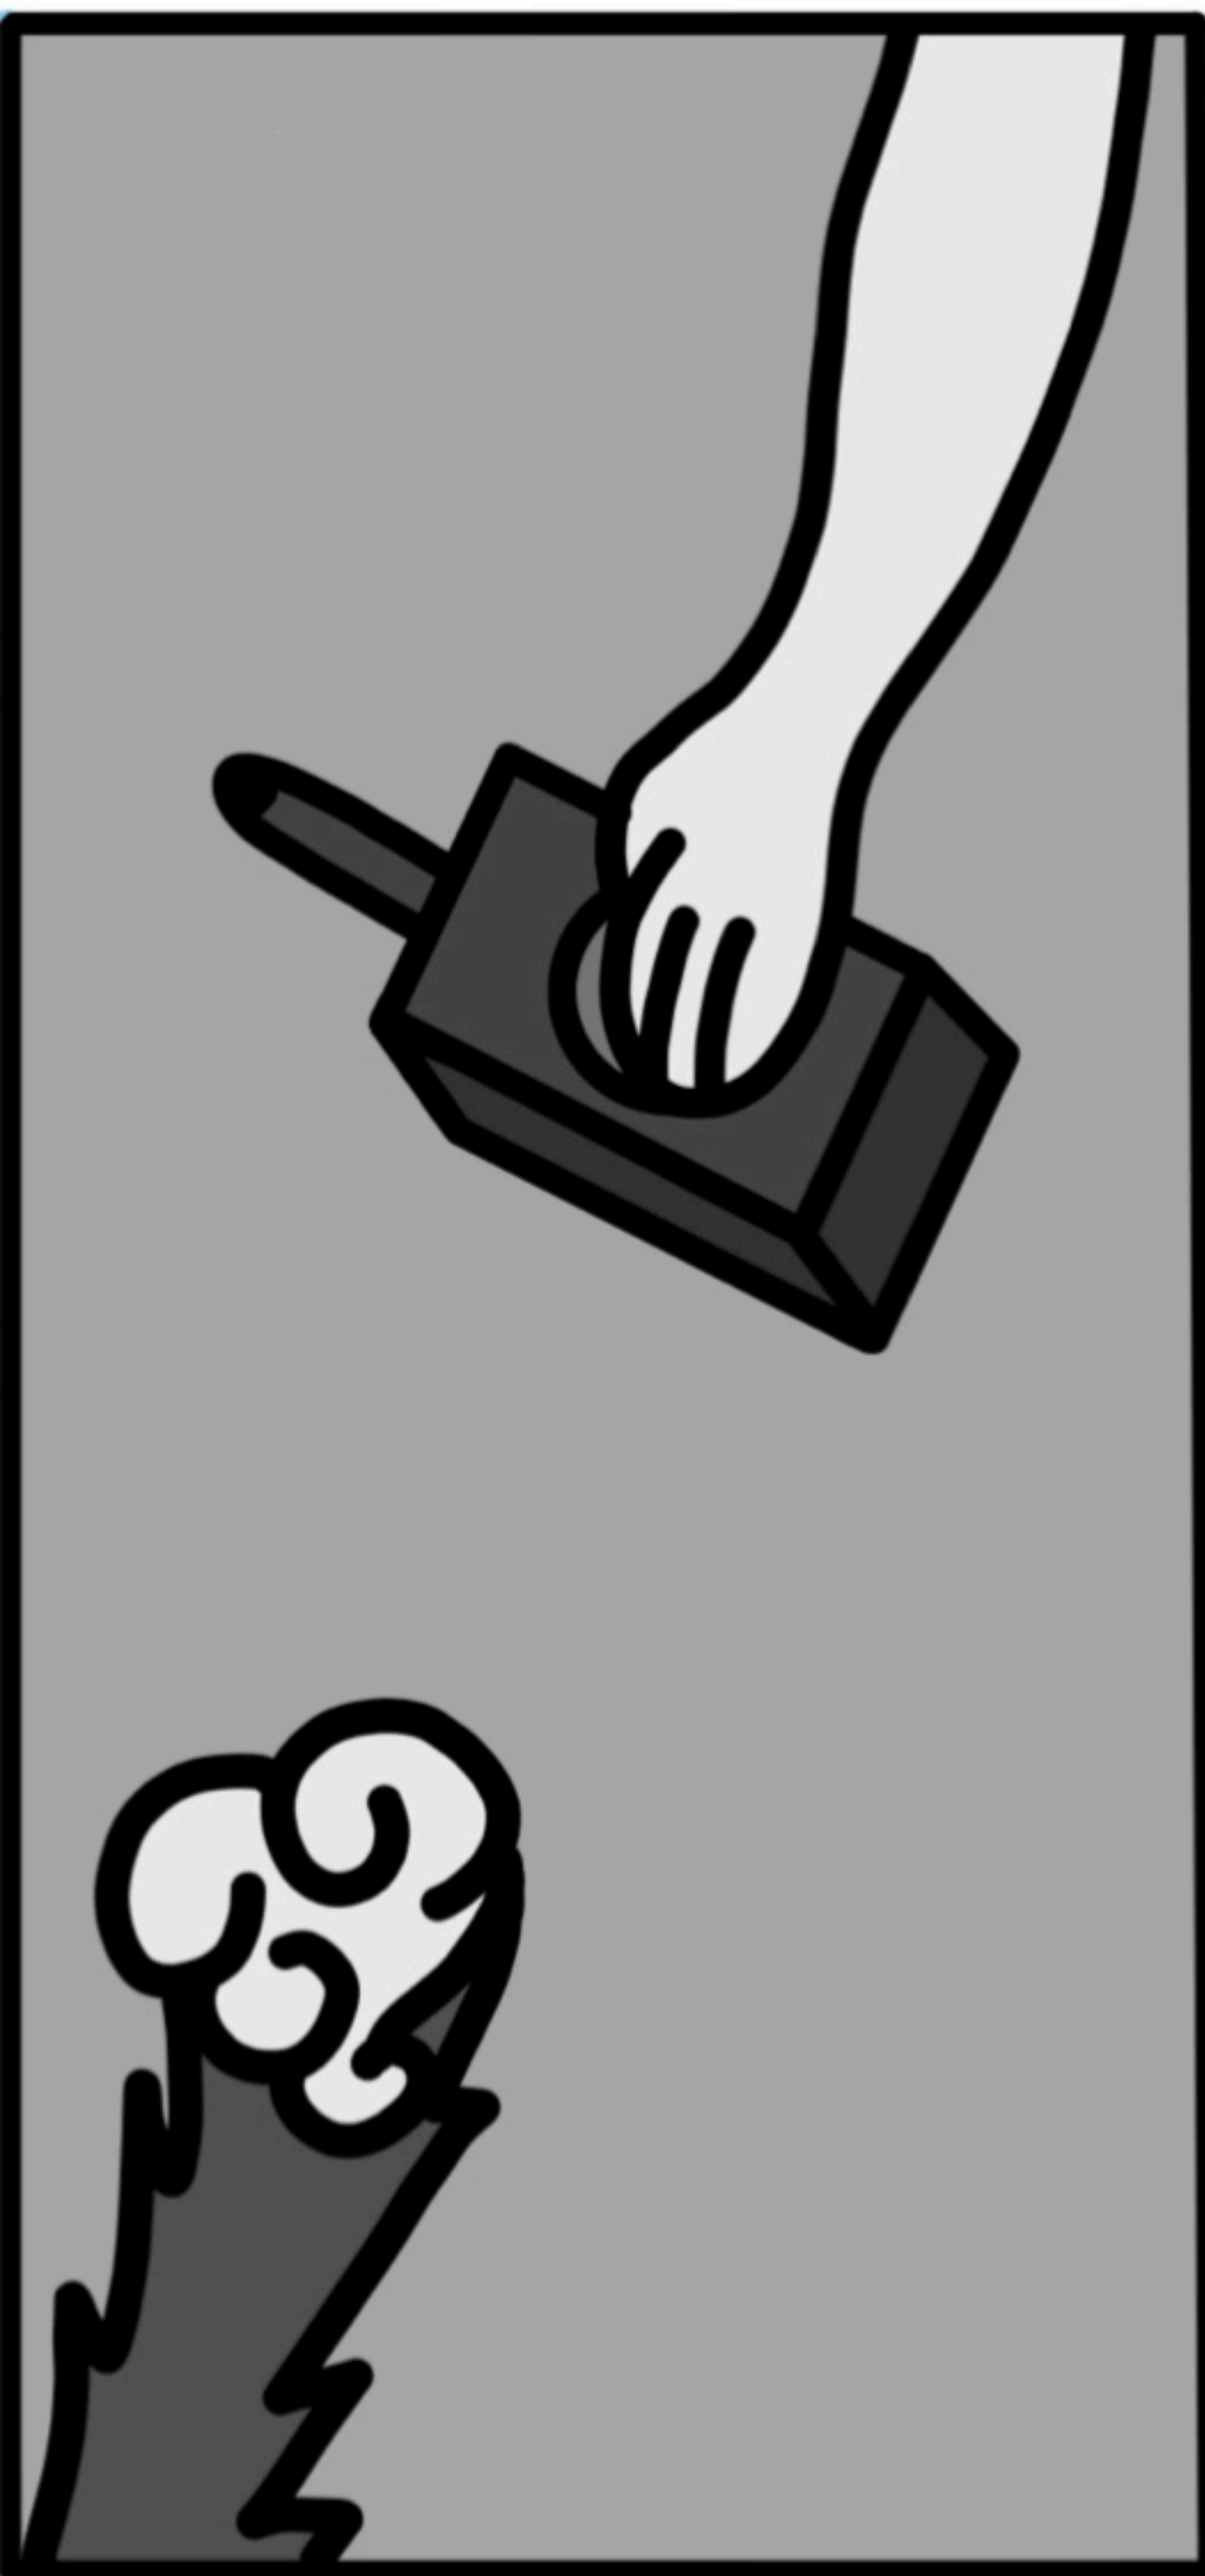

The Demon King
has plenty of
ships, I'm sure he
won't miss one.

Oh glork,
Ludo! They
followed us!

I need you to
take this
detonator.

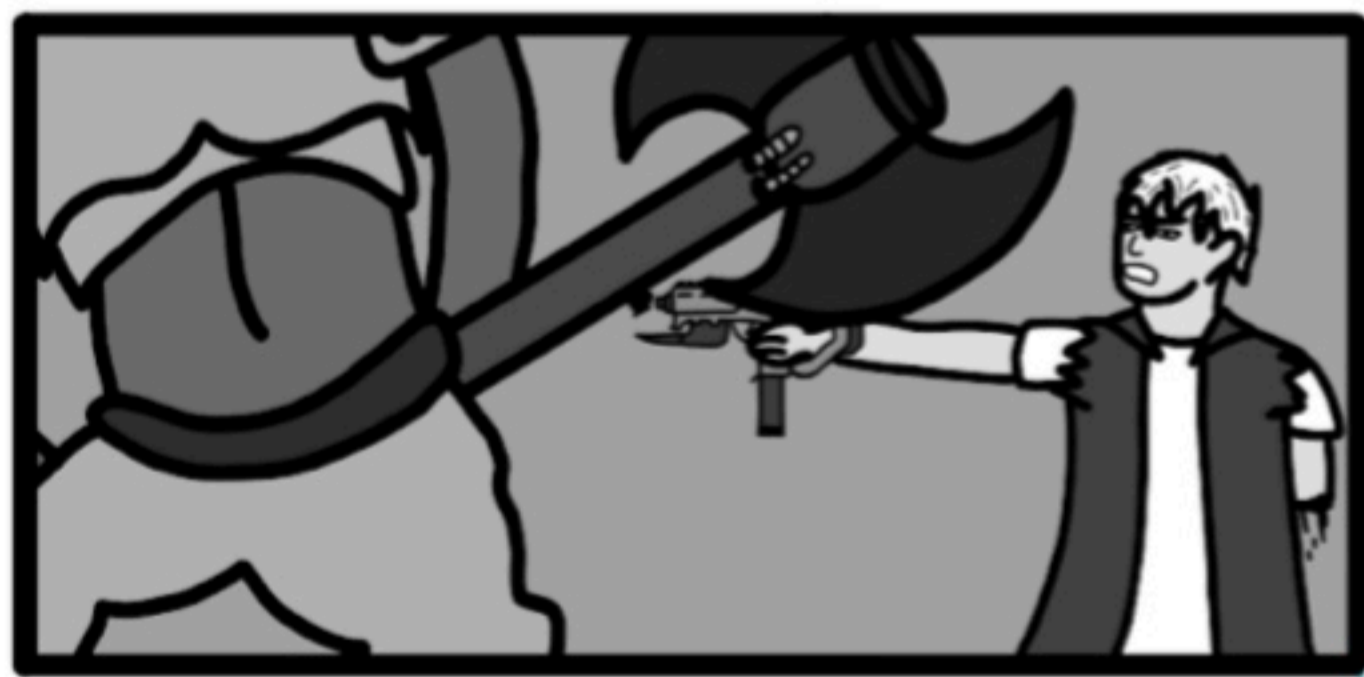

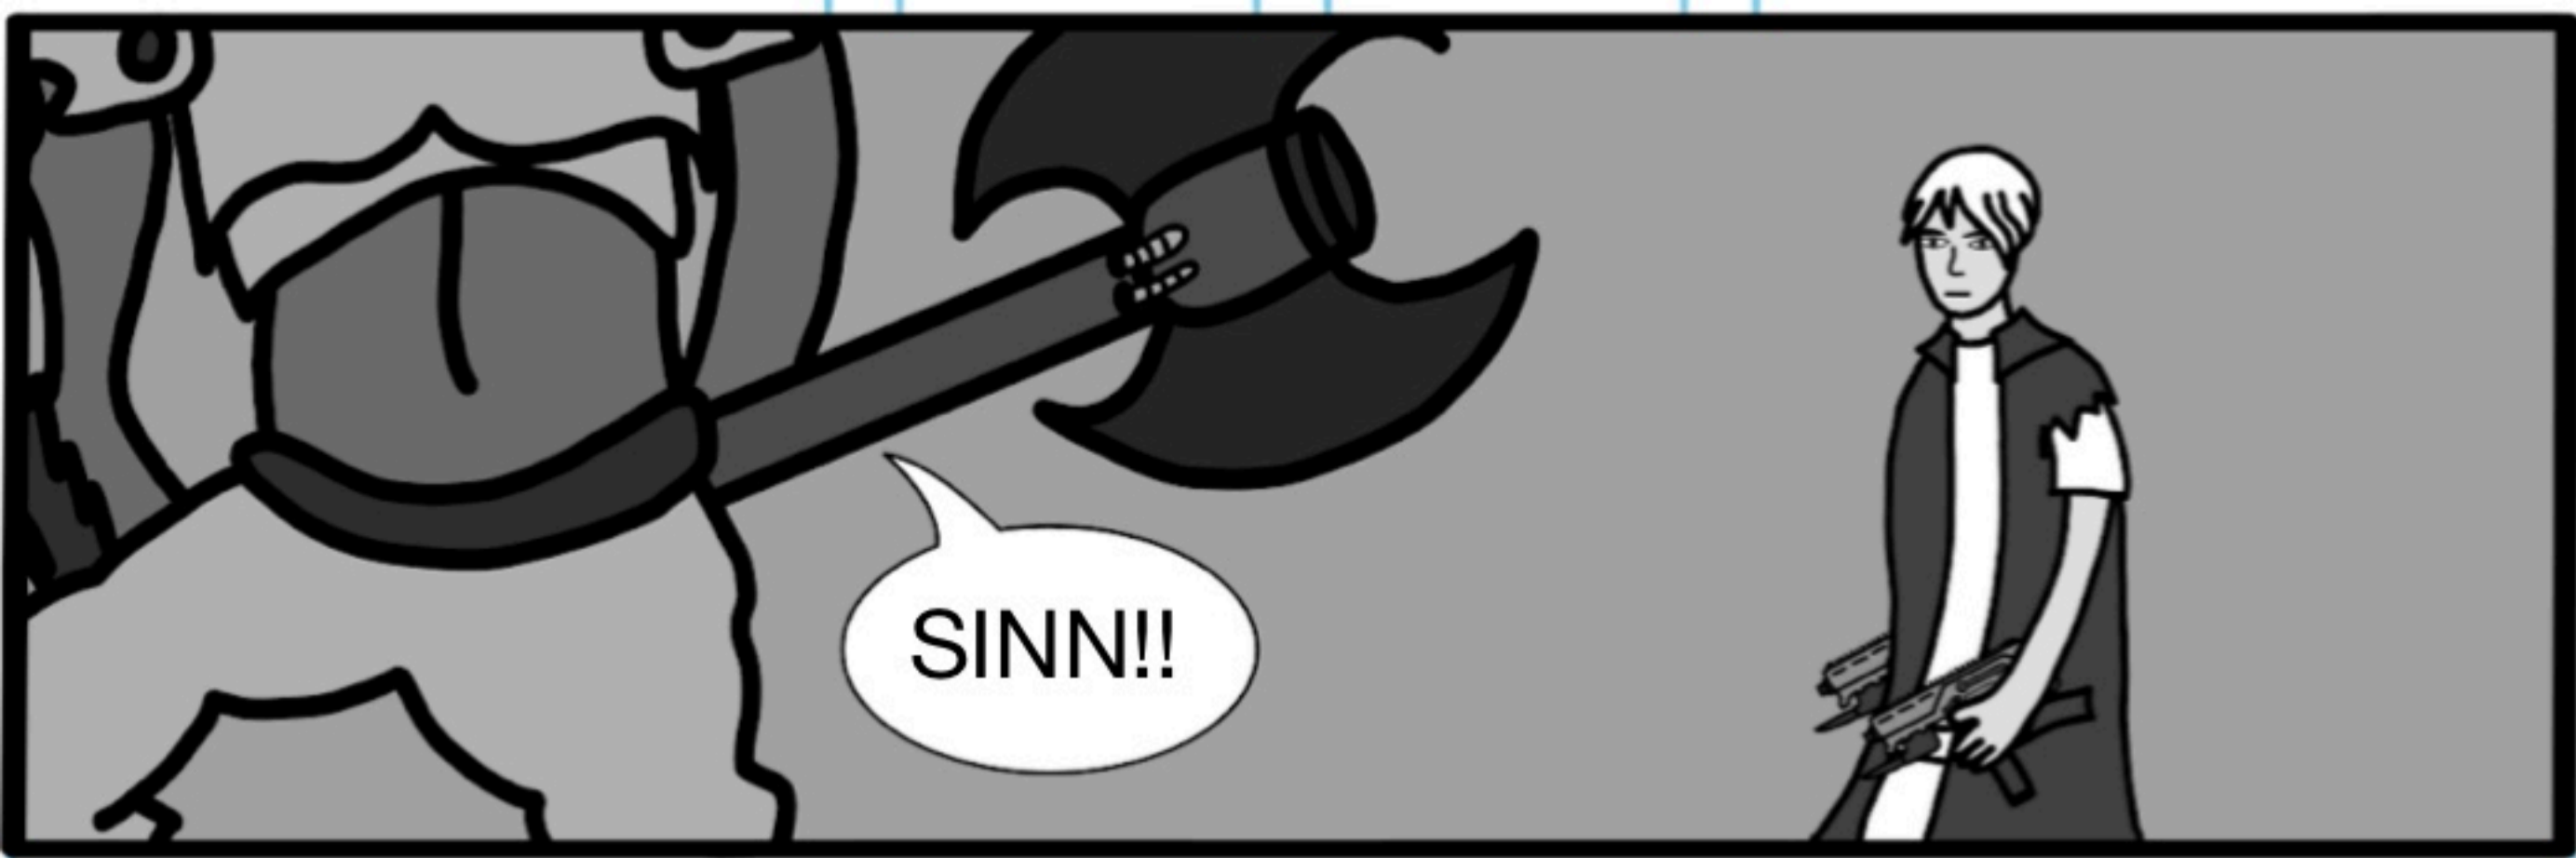

Now, I need you to go back to
the ship and press autopilot.
When you make it out of the
atmosphere, use the
detonator to finally rid this
universe of Devil's Blood.

Goodbye,
buddy.
