

Clear Creek ISD WELLNESS POLICY IMPLEMENTATION PLAN

Date: 2022-2023 School Year

The District shall follow nutrition guidelines that advance student health and shall promote the general wellness of all students through nutrition education, physical activity, and other school-based activities. Recognizing that nutrition and physical activity enhance education, the District is committed to providing a positive learning environment that supports the development of lifelong wellness practices.

Component 1: Nutrition Standards Goals:				
The District shall ensure that nutritional guidelines for reimbursable school meals shall be at least as restrictive as federal regulations and guidance, for schools participating in the federal meal programs.				
Guidelines	Exceptional	Acceptable	Needs Improvement	Comments:
1. For schools that participate in the federal meal programs, the District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold or marketed to students during the school day shall be at least as restrictive as federal regulations.	✓			
2. For schools that participate in the federal meal programs, all foods provided, should comply with USDA Smart Snacks in Schools Standards when possible and any foods provided shall not interfere with the school meal program.		✓		Work with campus Principals regarding campus-approved activities to ensure that they do not take place during designated meal service.
3. All foods sold shall comply with state and local food safety and sanitation regulations. Prepackaged foods, from outside sources, are recommended.	✓			
4. Provide teachers with education regarding nutritious snacks.		✓		Campus can connect with district to have CCISD Child Nutrition marketing and communications coordinator and dietician come out to the campus to provide professional learning regarding nutritious snacks.
5. School staff shall not withhold food from students as punishment.	✓			

Component 2: Healthy Eating & Lifetime Goals and Guidelines				
The District shall implement, in accordance with law, a healthy eating and lifetime wellness program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes in elementary and intermediate schools including health education, physical education, nutrition education and parent involvement. [See EHAA, EHAB and EHAC.]				
Guidelines	Exceptional	Acceptable	Needs Improvement	Comments:
