

Professional Learning (PL) and Support for Speech and Language Pathologists (SLP) in Florida Working with Students who are Deaf/Hard of Hearing (DHH)

The Bureau of Exceptional Education and Student Services (BEESS) provides multiple inter-agency support to provide programs for students with disabilities statewide. BEESS supports [discretionary projects](#) to provide professional learning, technical assistance, information, and more to school districts and families so every student in Florida has the opportunity to achieve their full potential.

The [Resource Materials and Technology Center for the Deaf/Hard of Hearing \(RMTC-DHH\)](#) works collaboratively with all Florida stakeholders to positively influence outcomes of students who are deaf or hard of hearing (DHH) in preparation for college, career, and life. RMTC-DHH supports families and school personnel by researching current national and state initiatives, by procuring interventions, curricula, and assessments, and by utilizing data to assist stakeholders in implementing instructional practices ([section 1003.55](#), Florida Statutes). RMTC-DHH staff members provide training, technical assistance, and resources to school districts, agencies, associations, families, and other state and federal discretionary projects working with students who are DHH in Florida.

SLPs can receive support from RMTC-DHH in the following ways:

- [Professional learning in a variety of formats](#),
- [Media and Materials Loan Library](#),
- [Technical assistance](#), and
- Information and resources, including [Tech Notes](#) and [Just In Time News](#).

RMTC-DHH related resources for SLPs working with students who are DHH:

- [Assessment Tools](#)
