PHILLIPS 66 AND SWEENEY ISD HONOR 2024 SWEENEY SCHOLARS

SWEENEY – 31 Sweeny High School graduating seniors were named 2024 Sweeny Scholars and May 9, 2024 was proclaimed Sweeny Scholar Day in the City of Sweeny and Brazoria County, by Commissioner David Linder and Mayor Dusty Hopkins, respectively.

Sweeny Scholars is a partnership between Phillips 66 and Sweeny Independent School District that recognizes high school seniors who complete a specific, rigorous curriculum that provides a high level of skills and readiness necessary for the workforce, college, or military.

“Sweeny ISD takes pride in recognizing the outstanding achievements of Sweeny Scholars,” says Nicole Larson, Sweeny ISD Communications Director. “These students have demonstrated exceptional leadership skills and academic excellence, surpassing the mandated curriculum requirements. To be a Sweeny Scholar, students must meet criteria within college, career, and military readiness (CCMR) that sets them on a path toward a successful future. The selection process evaluates factors such as TSI and SAT scores, AP and Dual Credit classes, industry-based certifications, and military enrollment.

While students and parents enjoyed lunch provided by Kenjo’s Barbeque, motivational speaker Tory Gant reminded students to keep their standards high and to bring others up along side them. “Every day we get a chance and a choice,” he said. “The right attitude changes everything.”

Bill Stone, Vice President, Phillips 66 Sweeny Refinery, says it is inspiring to celebrate our Sweeny Scholars.

“These students have invested their time and effort into achieving academic success, and we are proud of their accomplishments,” he says. “This is our future workforce, and our future is bright.”
