Welcome to AP US History with Ms. Herting!

The 2024-25 school year will be a very busy one as we prepare ourselves for a rigorous Advanced Placement examination in May. Since this is a college-level course, that requires extensive background knowledge in all aspects of US History, it is imperative that we get off the ground running in August. As such, every APUSH student will be required to complete the following summer reading assignments:

**A.P. U.S. HISTORY SUMMER READING ASSIGNMENTS 2024**

****Extra Credit on Summer Reading Assignment:** Email me a digital picture of you reading Crash Course in an interesting place or location. In the past, I have gotten pics of students reading while rafting down the Snake River, hiking in the Rocky Mountains, or boating on the Gulf of Mexico. Be creative!!! To earn the extra credit points, I must receive the picture before August 14th. Put your name in the email and send the picture as an email attachment to: sherting@communityschoolnaples.org

The first portion of your summer homework is from Crash Course: AP US History. You will need to buy this from Amazon or another source.

Please note that for my class, any late work is 50% off your total grade on that assignment. You are expected to do ALL work on your own. Your work is to reflect your own thoughts and ideas!
