I.S. Families,

It is hard to believe but we are down to our last two full weeks of the 23-24 school year. These next two weeks will be busy and filled with special events. Our teachers will still be carrying out instruction to keep our kids engaged in learning around these special events. Please make sure you keep an eye out for communications about the special events.

Our End of the Year Awards Assemblies will be held on May 23rd at the following times: 4th Grade – 9:00 – 10:00, 3rd Grade – 10:00 – 11:00, and 5th Grade – 2:00 – 3:00. Families are invited to attend. The school will not be reaching out to families if their child is receiving an award. We hand out too many awards to be able to notify all families. I encourage you to attend to celebrate our students and their accomplishments.

On May 17th our 4th grade students will participate in the yearly Boy/Girl Puberty Talks. Information has been shared with 4th grade families about these talks. If you have any questions please contact our school nurse.

Families will once again be able to opt to keep their child's Chromebook at home or at school over the summer. Be looking for a form. It will be sent home on May 15th.
