

Welcome to Summer at Capitol Hill Day School!

JUNE 24 - AUGUST 2 | 8:00 AM - 4:00 PM

This summer we are excited to offer programs for children who will be in PreK through 6th Grade in the fall. Camp arrival begins at 8:00 am and all campers will be dismissed at 4:00 pm with no option for before or aftercare. Each day will include a structured morning of activities based on the camp theme, time for lunch, and an afternoon filled with opportunities for play and creative engagement. Many camp sessions will also include field trips and off-campus fun.

Camp is held in three 2-week sessions beginning June 24th and ending August 2nd. Please note that camp will be closed on Tuesday, July 4th as a result of the Independence Day holiday. See below for our camp offerings. Do not hesitate to reach out with any questions.

We hope you'll join us for a wonderful summer of learning and play, fun, and friendship!

 Session 1 (June 24 to July 5) <i>No Camp July 4th</i>		
Grades	Title & Camp Descriptions	Cost
Rising PreK and	Little Scientists	\$875.00

K (20 spaces)	<p>Looking for a fun camp for your inquisitive child? In this camp, your child will embark on a two-week fun-filled journey where they will participate in a multitude of kinesthetic team building activities, field trips, craft making, and so much more. From the books we read to the places we go, everything will be rooted in science, building confidence and communication, making friends, and having fun!</p> <p><i>Lead Instructor: Adrienne Jones, Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	
Rising 1st and 2nd Graders (20 spaces)	<p>Becoming an Artist</p> <p>Have you ever wondered what it would be like for your camper to understand colors like some of the great painters of the past? Is your camper interested in painting or have a love for any other art form? During this session, your camper will learn about colors and famous paintings, as well as apply their knowledge to paint their own masterpieces. At the end of the session, campers will create an exhibit to display their paintings for their fellow campers, counselors, and parents.</p> <p><i>Lead Instructor: Charlotte Gage, Substitute Teacher & Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	\$875.00

 Session 2 (July 8 - 19)		
Rising PreK and K (20 spaces)	<p>S.T.E.A.M. Camp</p> <p>Science, Technology, Engineering, Art, and Mathematics, all of which can be found embedded into a typical day at Camp S.T.E.A.M. Campers will participate through playful, hands-on S.T.E.A.M. learning with fun and engaging lessons. Campers will complete exciting learning missions that will be the building blocks for their culminating project at the end of each week. This camp is an excellent way to teach kids to work as a team and improve skills like critical</p>	\$975.00

	<p>thinking, problem-solving, creativity, innovation, and more. We will aim to help campers learn concepts in a way that can help them develop skills in many areas of learning.</p> <p><i>Lead Instructor: Keirrah Beckett, Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	
<p>Rising 2nd - 4th Graders (20 spaces)</p>	<p>Words, Numbers, and Games, Oh My!</p> <p>You may know about our <i>Reading Road Trips</i> from the last two summers with Learning Support Consultant Sharon Negri and 3rd Grade teacher Stacey Farnsworth. This year 4th Grade teacher Nicole Siegel is joining the caravan for added math fun. Together these three experienced, fun-loving educators will provide targeted, hands-on summer learning activities during <i>Words, Numbers, and Games, Oh My!</i></p> <p>Kids will stretch their brains, expand their hearts, and show their courage through number sense games, planning and cooking up recipes, creating poems and projects, and much more! After learning through play in the morning, kids will have field experiences and other camp activities in the afternoon. There's no place like Capitol Hill Day School in the summer! Join us for one or both sessions.</p> <p><i>Instructors: Sharon Negri, Learning Support Consultant, Stacey Farnsworth, 3rd Grade Teacher, and Nicole Siegel, 4th Grade Teacher</i></p>	<p>\$1,200.00</p>
<p>Rising 3rd - 4th Graders (20 spaces)</p>	<p>Farm to Table</p> <p>Grow fresh ingredients. Cook fresh ingredients. Eat fresh ingredients. Explore how experts grow fresh ingredients. Explore how experts cook fresh ingredients. Ice cream, pizza, french fries, lasagna, lemonade, fruit salad, soul food and more! 🥰 Join us for a delicious summer!</p> <p><i>Lead Instructor: Adia Coleman, 4th Grade Teacher</i> <i>Support Instructor: Summer Camp Counselor</i></p>	<p>\$975.00</p>

Rising 5th - 6th Graders (20 spaces)	<p>Creating Cartoons: Expanding Imaginations and Exploring Possibilities</p> <p>Campers will study the story structure of various cartoons and literature and use what they learn to write and illustrate their own stories. Campers will also learn how to reshape stories to represent a diversity of perspectives and experiences often silenced in mainstream media.</p> <p><i>Lead Instructor: Christian Miskell, 7/8 Humanities Teacher</i> <i>Support Instructor: Summer Camp Counselor</i></p>	\$975.00
Rising 5th - 6th Graders (20 spaces)	<p>Black Gems in STEM</p> <p>The Black Gems in STEM Summer Program is back again! Last year, students joined us in our Search for the Stolen Black Gems in STEM. This year, we continue our story through a time-traveling adventure.</p> <p>Join us for one or both of our two-week sessions. Each week, we will take a deep dive into one of the four areas of STEM: Science, Technology, Engineering, and Mathematics. Students will engage in science experiments, coding and robotics challenges, hands-on design and building projects, and fun math activities as we take a peek into how STEM has been used throughout history. True to the interdisciplinary nature of STEM, students will amplify their experiences with reading and creative writing, drawing and animations, music, dance, and field trips. Join us for one or both sessions.</p> <p><i>Lead Instructor: Denise Smith, Former 7/8 Math Teacher</i></p>	\$975.00

 Session 3 (July 22 - August 2)		
Rising PreK and K	Summer-sational This camp promises to be ten days of fun! There will be arts and crafts projects, water play, field	\$975.00

(20 spaces)	<p>trips, and more. On the final day, campers will host a Gala where all are welcome to join the fun!</p> <p><i>Lead Instructor: Jerlisa Butler, Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	
<p>Rising PreK and K (20 spaces)</p>	<p>Wild Things Each day the campers will bring a new creepy, crawly insect into your life. During this session, your camper will learn about the world of wild things and create some of their own with clay, paint, paper, and more.</p> <p><i>Lead Instructor: India Berry '16, Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	<p>\$975.00</p>
<p>Rising 1st and 2nd Graders (20 spaces)</p>	<p>A Walk Through Time Campers will spend most of their days at some of Washington, DC's coolest Museums. They will go back in time through storytelling and take trips on nature trails, including a trek around Theodore Roosevelt Island.</p> <p><i>Lead Instructor: Christian Shortt, ASP Staff & Camp Counselor</i> <i>Support Instructor: Summer Camp Counselor</i></p>	<p>\$975.00</p>
<p>Rising 2nd - 4th Graders (20 spaces)</p>	<p>Words, Numbers, and Games, Oh My! You may know about our <i>Reading Road Trips</i> from the last two summers with Learning Support Consultant Sharon Negri and 3rd Grade teacher Stacey Farnsworth. This year 4th Grade teacher Nicole Siegel is joining the caravan for added math fun.
