GRADUATION REQUIREMENTS VS. SUGGESTED COLLEGE PREP

Graduation Requirements

- 24 credits required to graduate
 - 4 English
 - 3 Social Studies
 - 3 Math
 - 3 Science
 - 1.5 PE
 - .5 Health
 - 3 World Language, Fine Arts, Career or Technical Ed
 - 6 Electives

General College Prep Info

- 4 year college admission guidelines are not the same as high school diploma requirements. Know the difference between what is needed for your college of choice and what is needed for a Fargo Public Schools diploma.
- In ND, UND and NDSU list coursework admission requirements as:
 - 4 English
 - 3 Math – Algebra I and above
 - 3 Lab Science
 - 3 Social Science
 - 1 additional unit from any above cores or world language

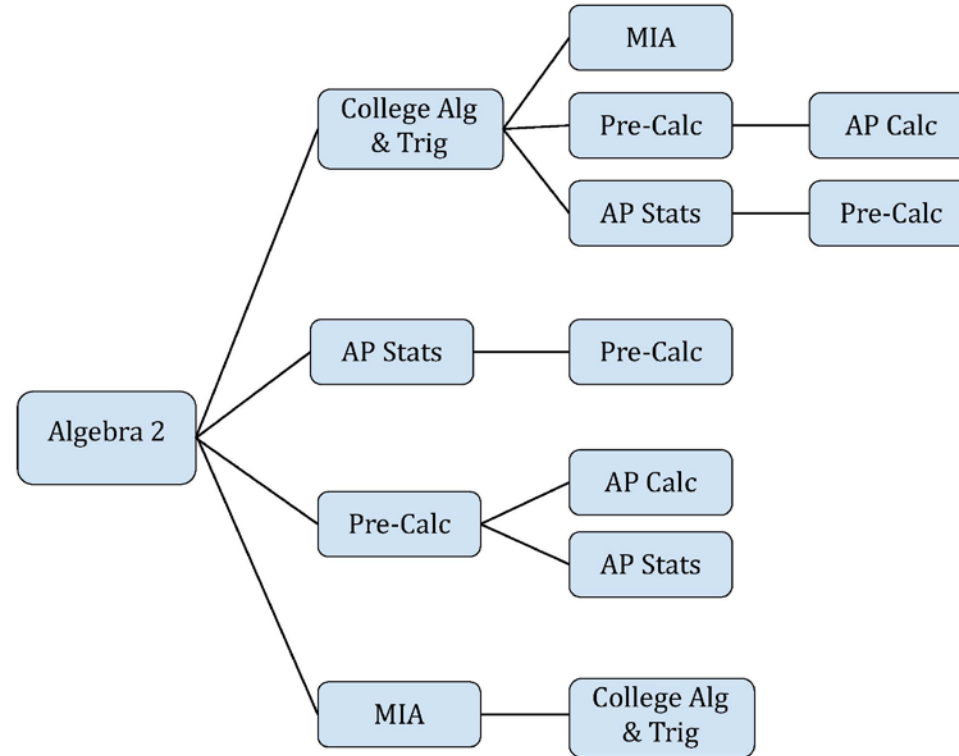

****Know the requirements for the colleges you wish to pursue. Highly competitive schools require additional courses. Pay close attention to fine arts and world language requirements.**

- A minimum of 5 credits is required for the year. The maximum allotted within the school day is 8. (FPS and ND High School Activities requires you to be passing at least 2.5 credits to be eligible.)
 - If you're considering a class that requires travel, remember to account for that in your total credit planning.
- Build a schedule with appropriate rigor. How busy are you outside of the 8:50-3:50 school day? Do you have some classes in your schedule you take for fun? How will you plan to regroup each day?
 - When it comes to time, it does not matter how smart or organized you are. There are only 24 hours in the day for each of us.
- Is an AP or Dual Credit course appropriate for you? If so, how many? And which ones? --What are my interest areas? Where am I likely to be most successful? Which ones would provide good exposure prior to entering a college campus?

MATH PATHWAY OPTIONS TO CONSIDER

Possible Math Pathways to Take After Algebra 2

Not sure what to do? Ask your math teacher - they know you best!

A NOTE FROM THE SCIENCE DEPARTMENT

- Many seniors will take an elective science class, especially if looking at applying to a four-year college. Students interested in entering a science related career path and who have completed Algebra 2 could consider doubling up their sciences and take both physics (for medical school/engineering/architecture) and/or 1 additional AP/dual credit science class next year.

IF REGISTERING FOR A MUSIC CLASS

Band:

- Everyone interested in band should register for band 2. The band teacher will review registrations, and if deemed appropriate, will move you to band 3.
- Everyone interested in jazz signs up for jazz 1. Again, after review, the teacher will move you to jazz 2 or 3 if appropriate.
- To participate in jazz, you must also register for band.

Choir:

- Choir placements are based on grade level and experience. Please review the registration card to determine which one is appropriate for you.
- You must audition to participate in select choral ensemble, and you must also register for choir.

Orchestra:

- Everyone interested in orchestra should sign up for orchestra 2. The orchestra teacher will review registrations, and if deemed appropriate, will move you to orchestra 3.
- You must audition to participate in chamber orchestra, and you must also register for orchestra.

3.0 GPA

ACT math score of 21

Without an ACT math score of 21, or if you have not yet taken the ACT, you must take the ACCUPLACER and score a 255 or above.

We will offer an initial ACCUPLACER at Davies in the spring. If you do not obtain the score you need, you will have to contact the NDSCS Fargo Branch to make arrangements to retake the test.

NDSCS DUAL CREDIT MATH REQUIREMENT

- Registration card and Program of Studies – narrow down your choices
- Teachers – they know your past work history in their content area, academic strengths and weaknesses, rigor of class you may be inquiring about, etc.
- Parents – they know your at-home study habits, all your additional involvements (extra-curricular and co-curricular activities, outside lessons or committees, etc.), how much sleep/down time you need, your general stress level, etc.
- Counselors – they know graduation requirements, your academic history, can discuss appropriate course loads, etc. –
 - **Walk-in registration questions with counselors will be available Thursday, January 25, 8:30-3:30. No appointment needed.**

Make sure when visiting with the adults in your world, parents/teachers/counselors/etc., that you share the whole story with your inquiry. For example, rather than asking if AP chemistry is a good idea for you and leaving it at that, share the entire scenario. Such as, would you advise AP chemistry in addition to AP English, dual credit college algebra, and both AP gov and econ, in addition to my activities which include 2 varsity sports, DECA and orchestra. The latter is a much better picture to have when offering suggestions and ideas to students.

RESOURCES AVAILABLE TO HELP WITH CLASS SELECTION

CONSIDERING COLLEGE ATHLETICS:

If you are planning college athletics, **it is your responsibility** to make sure you are meeting the course/GPA/ACT/etc. requirements for NCAA/NAIA.

These are not the same as high school diploma requirements. Counselors count graduation requirements, not eligibility requirements.

- Zero idea what it looks like moving forward, but it will look different.
- Choose wisely!

SCHEDULE CHANGES GOING FORWARD....

COUNTING YOUR CREDITS

THE FOLLOWING VIDEO
WILL PROVIDE AN EXAMPLE
OF HOW TO COMPLETE
THIS PROCESS:

[HTTPS://YOUTU.BE/ZBOOJP
CVIYU](https://youtu.be/zboojpCVIYU)

The back of your registration card will help you with this task.

Write in what you've completed to know that you're on track to graduate.

Write in what you're planning to take to see that you'll have the additional courses you need.

LOOKING AHEAD WITH 4-YEAR PLANNING

YOU ARE ENCOURAGED EACH YEAR TO LOOK AT YOUR 4-YEAR PLAN

AT THIS POINT, LOOK AT WHERE YOU ARE CURRENTLY WITH PROGRESS TO GRADUATION

WHAT ARE YOU PLANNING TO TAKE FOR COURSES NEXT YEAR TO FINALIZE YOUR GRADUATION GOAL

WHAT DOES YOUR FIRST YEAR OF POST-SECONDARY LOOK LIKE? HAVE YOU IDENTIFIED YOUR PLAN OF EITHER COLLEGE, MILITARY, OR THE WORK FORCE? DO YOU KNOW WHERE IN THESE AREAS YOU'D LIKE TO LOOK (SPECIFIC SCHOOL, BRANCH OR TYPE OF WORK)

WHAT DO YOU NEED TO DO TO MAKE THIS GOAL HAPPEN

AND HOW WILL YOU IN FACT DO THOSE THINGS

THEN – TAKE A LOOK ONE MORE YEAR DOWN THE ROAD. DO YOU ANTICIPATE ANYTHING CHANGING

THE FOLLOWING VIDEO WILL PROVIDE AN EXAMPLE OF HOW TO COMPLETE THIS PROCESS:

[HTTPS://YOUTU.BE/B5UYWILHCMI](https://youtu.be/B5UYWILHCMI)

WE WILL VISIT MORE ABOUT THIS IN THE SPRING

TO SEE YOUR TRANSCRIPT:

CLICK ON THE BOX WITH THE ARROW SHOOTING OUT
OF IT IN THE TOP RIGHT CORNER

CHOOSE THE ND EDUCATION PORTAL LINK

CHOOSE THE TAB WITH YOUR NAME

CHOOSE THE VIEW TRANSCRIPT TAB

INPUTTING YOUR COURSE REQUESTS

1. Log into **Power School**.
2. Choose the icon **Class Registration** (picture of a chair and pencil about halfway down the left-hand side).
3. You will see a pencil icon to the far right of each content area (English, Math, Science, etc.).
4. For your core classes, **click on the pencil icon** to get a dropdown box showing your choices (e.g. English 1, Honors English 1, English 2, etc.). **Click on your choice and then click “okay”**. (If you are doubling up in science courses you would register for one course in the science section and the other in the elective section.) **Complete this process for both semester 1 and semester 2 of yearlong courses.**
5. Proceed down the page through core courses until you reach the pencil to show elective options. In this section, you may choose all your electives at once, or move in and out by pressing on the pencil each time. **Be sure you choose both semesters if you are picking a year-long class.** If you are unsure if it is a yearlong class, please refer to your registration sheet.
6. Once you have chosen all classes, please **hit the submit button**.
7. **Review your choices.** If you notice any errors, you may re-enter a section by clicking on the pencil icon.

Things to double check:

Have you registered for both semesters of yearlong courses?

Will you have completed all necessary prerequisites for the courses you chose?

If the class you’re trying to register for does not appear on the screen, please see your counselor.
