Outside Teaching Experience: Beginning with the 2024-25 school year, one year of credit will be provided for each year of approved outside teaching experience.

A year's experience on the Salary Schedule will correspond to the same amount of time that the State of Colorado uses to determine a year for the purpose of granting non-probationary status (90 days under assignment).

Teachers new to the District shall receive \$100 per day to be paid in August upon completion of New Teacher Orientation (NTO). In addition, new teachers who participate in materials training will be paid a \$100 per day stipend in August.
