

# Oak Avenue Science Bowl Team

Science Bowl is a buzzer-based competition that tests knowledge in Earth and Space Science, Chemistry, Biology, Physics, Math, and Energy.

# Oak Avenue Science Bowl Team

Our Oak team competed against teams from Central and Southern California (San Luis Obispo to San Diego) and are now the current Regional Champions!

# Oak Avenue Science Bowl Team

As Regional Champions, the Oak Science Bowl team won an all-expenses paid trip to compete in Washington, D.C. at Nationals where we placed in the **TOP 24** from 48 teams across the United States.
