
ADDENDUM NO. 3
(Issued May 10, 2024)
Request for Qualifications and Proposals
For Energy Conservation Project/CalSHAPE Program

The following changes, additions, modifications and corrections hereinafter set forth shall apply to the proposal documents for the project and shall be made a part thereof and subject to all the requirements thereof, as if originally specified and/or shown;

Question #1:

Is the cost per measure at each site limited to the CDC prescription for those costs? Often the cost will exceed that funding allocation, will the district supplement that funding?

District Response #1:

The allocation of funds for each measure is constrained, with specific amounts determined from the initial audit. Detailed information on these allocations can be found in Exhibit B: Budget for each of the Ventilation and Plumbing scopes. Any additional funds beyond the allocated amounts will require approval from the district and can only be allocated at the district's discretion.

**RECEIPT OF THIS ADDENDUM (AS WELL AS PREVIOUSLY ISSUED ADDENDA) MUST BE
ACKNOWLEDGED IN THE PROPOSAL.**
