Dual Language Immersion Program

Fresno Unified School District implemented a Dual Language Immersion Program at Herrera School in August 2022. The learning of languages requires a multi-year commitment (5-7 years) and the school district is interested in working with families who will make this long term commitment for bilingualism and bi-literacy for their child.

As you enroll your child in this program you are agreeing to keep your child in the program throughout his/her elementary school years to develop fluency and literacy in two languages.

Your acceptance into this program also means that you are agreeing to participate fully as a family a minimum of ten hours each year. Below are some of the ways that you can support Herrera School and your child's teacher/s.

- Attend Parent Teacher Conference (1st Grading Quarter)
- Attend Back to School Night and Open House
- Attend Parent University Modules – especially those designed specifically for your child's grade level or second language learning methods and strategies
- Attend Parent Coffee Hours
- Attend School Site Council (SSC) and English Learner Advisory Committee (ELAC) Meetings
- Attend special cultural and performance events designed for families

We also seek parents to represent the program in our school:

- Become a Parent Leader on the School Site Council (SSC) or English Learner Advisory Committee (ELAC)
- Volunteer in your child or children's classroom.

We ask that you fill out this Time and Talent Survey and return to your child's teacher by the end of the week;
