### RAISING OF THE FLAGS: ST. HELENS HIGH SCHOOL

Wednesday morning, we captured a serene moment of unity as the flags gently ascended at St. Helens High School. From the U.S. flag to the State of Oregon flag to our St. Helens High School flag, it was a simple yet meaningful ceremony.

# SHHS STUDENTS AND STAFF RETURN TO BUILDING A

**Thursday marked a monumental moment for our school district as we welcomed students and staff into Building A for the first time since construction began.**

**The energy and excitement were unmistakable as students explored their new learning environment. Witnessing their joy and reactions reminded us of the magic that comes with new beginnings. Here's to many more memorable moments in Building A!**

# Rotary Student of the Month

## Logan Johnston

Logan's enthusiasm to learn and his personal drive toward mastering skills and knowledge ensure that he is always at the top of his class. This is evident by his 3.98 GPA and by earning his Honors Diploma. His teachers commented that it is such a pleasure to be able to assign a student a challenging task and know that they will complete the task on time and with exceptional quality.

Logan's leadership potential is undeniable. He has a knack for problem-solving, using his past experiences, logical thinking, and problem-solving skills to devise practical solutions. His social skills are equally impressive, with his kindness, calm demeanor, and subtle sense of humor endearing him to his peers and teachers. He effortlessly guides his peers, ensuring tasks are completed efficiently. His all-around excellence was recognized when he was named the March athlete of the month for boys golf.

Logan's character is truly admirable. His kindness and conscientiousness are not just words but values he lives by. He sees the best in others and treats everyone with respect, fostering a friendly environment. While he leads with kindness, he also sets high standards for himself and others. Logan's future plans include attending Portland Community College and exploring a career in the trades, a testament to his practicality and ambition.

Congratulations, Logan!
