

## Girls' Pre-Season Sport for Yrs 5 to 8

**At the Senior School astroturf pitches;**

Tuesday 27th August 10.00am - 12.00pm.

Wednesday 28th August 10.00am - 12.00pm.

These sessions will be focused on developing basic skills, fitness and some game play to get the girls ready for the upcoming season.

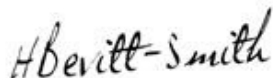

Players should bring with them all their hockey kit including shin pads and gum shields (they will only be able to participate in skills if they don't have all of these items) as well as appropriate school sports clothing. Please provide sufficient drinks for the session (no fizzy drinks). Even if your child is new to the game of hockey the sessions are an ideal opportunity to learn some new skills and make some new friends prior to the beginning of term. There are plenty of fixtures this year and every girl will have the opportunity to represent the school in competitive matches.

If your child is unable to attend the pre-season training because of holiday commitments please do not worry! Alternatively if your child can only make one of the days they are still most welcome. Please be reassured that these sessions are voluntary and team selection will not be based on attendance.

The Tailor's Shop will not be open for drop in customers during these 2 days as they will be busy with pre-arranged appointments for new and current pupils. The Tailor's Shop will be contacting parents of all new pupils to arrange uniform fittings.

You do not need to respond to this invitation. We look forward to seeing your daughter at these pre-season training sessions and to a successful Autumn Term of hockey. These sessions are free to attend.

Yours sincerely,

Mr H. Bevitt-Smith

*Director of Co-curricular Sports and Activities*
