HIGH SCHOOL STUDENTS TO HAVE FIRST-HAND INTERACTION WITH HEALTHCARE PROFESSIONALS AT HOSA SKILLS DAY

High School students with an interest in a future in the healthcare profession have the opportunity to get a hands-on look at a wide variety of professions in the field.

WHAT: HOSA Skills Day
WHEN: **Monday, May 13** from 9 a.m. to noon
WHERE: South High School, 1840 15th Street South, Fargo
CONTACT: **Heidi Horne**, South HOSA Advisor, 701.446.2073 or horneh1@fargo.k12.nd.us for more information.

About 60 students involved in HOSA Clubs at South High School, North High School, and Davies High School will spend three hours learning about the ins-and-outs of several healthcare fields at the HOSA Skills Day on Monday at South High School.

The students will participate in hands-on activities and learn what life is like in the healthcare profession from real experts in their fields. They will have the opportunity to interact with speech therapists, respiratory therapists, representatives from Sanford Ambulance, Fargo Fire Department, Sanford Nursing Education, NDSU Pharmacy, Sanford K-12 Education, and South School Resource Officer Nielsen.

HOSA Club is available for students in grades 9-12 who are interested in pursuing a career in the healthcare industry. It aims to empower students to become future leaders in the global health community through education, collaboration, and experience.
