Meeting norms

- Keep the conversation student/family centered.
- Demonstrate respect for fellow members by: listening, asking clarifying questions, assuming good intentions and monitoring your own ‘air’ time.
- Questions and comments can be submitted using the chat feature, which is visible only to the meeting facilitators.
- Engage with humility. Recognize and acknowledge the history and inequities that impact our individual communities.
- Be open minded. All contributions and opinions matter and count.
- Venture to be honest, with gentleness, about real experiences.

Roles and responsibilities of stakeholders

- Attend all stakeholder meetings as possible.
- Provide feedback on proposed designs.
- Solicit feedback from your community to gain insights on what they may like to see with the North Facility Improvements.
