Meeting norms

- Keep the conversation student/family centered.
- Demonstrate respect for fellow members by: listening, asking clarifying questions, assuming good intentions and monitoring your own ‘air’ time.
- Questions and comments can be submitted using the chat feature, which is visible only to the meeting facilitators.
- Engage with humility. Recognize and acknowledge the history and inequities that impact our individual communities.
- Be open minded. All contributions and opinions matter and count.
- Venture to be honest, with gentleness, about real experiences.

Developed by the international association for public participation

	INFORM	CONSULT	INVOLVE	COLLABORATE	EMPOWER
PUBLIC PARTICIPATION GOAL	To provide the public with balanced and objective information to assist them in understanding the problem, alternatives and/or solutions.	To obtain public feedback on analysis, alternatives and/or decision.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To place final decision-making in the hands of the public.
PROMISE TO THE PUBLIC	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.
