Independent Study in Speech

Everyone must do THREE events in Varsity classes next year. However, any Debate event (CX, LD, PF, WSD, or Congress) counts as two events. We are starting this in class during the last quarter of the 23-24 school year, so you have a head start.

- CX Debate
    - Fully written original 1AC on the topic "Resolved: The United States federal government should significantly strengthen its protection of domestic intellectual property rights in copyrights, patents, and/or trademarks."
    - Fully written original Neg Strat including any combination of the following: T, K, CP, DisAds, Framework, etc.
    - Partners may divide the labor as they see fit.
- LD Debate
    - Fully written original AC & NC on the NSDA Topic announced on Aug 1, 2024
- PF Debate
    - See the NSDA Topic announced on Aug 1, 2024
    - Write one complete contention for the Pro and one complete contention for the Con. Place both in the 24-25 PF Team Drive. The contention must include quality cut carts from scholarly sources and make a logical progression. Do not duplicate arguments already in the drive. To avoid this, you should communicate with your teammates and "call dibs" on the arguments you want to develop.
- WS Debate
    - Fully written Prop & Opp on all prepared TFA Motions announced on August 1, 2024
    - Partners may divide the labor as they see fit.
- Congressional Debate
    - See the TFA Fall Congress Docket announced on Aug 1, 2024
    - Write one complete Affirmative and one complete Negative argument for each piece of legislation. Place both in the 24-25 Congress Team Drive. Do not duplicate arguments already in the drive. To avoid this, you should communicate with your teammates and "call dibs" on the arguments you want to develop.
