**AUTHORITY**

The Superintendent is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.

A resident student who becomes a nonresident during the course of a semester shall be permitted to continue in attendance for the remainder of the semester.

**TRANSFER REQUESTS**

A nonresident student wishing to transfer into the District shall file an application for transfer each school year with the Superintendent or designee. Transfers shall be granted for one regular school year at a time.

**SCREENING COMMITTEE**

A screening committee composed of the campus principals shall review transfer applications and recommend transfers to the Superintendent.

**FACTORS**

In approving transfers, the Superintendent and screening committee shall consider availability of space and instructional staff and the student's disciplinary history, including any criminal indictments or charges, attendance records and academic performance.

**TRANSFER AGREEMENTS**

A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District. In accordance with the District's innovation plan, the District is exempt from state law requiring transfers to be for a one-year period. Therefore, violation of the terms of the agreement may result in revocation of the agreement during the school year or may result in a transfer request not being approved the following year.

**TUITION**

If the District charges tuition, the amount shall be set by the Board, within statutory limits.

**WAIVERS**

The Board may waive tuition for a student based on financial hardship upon written application by the student, parent, or guardian. [See FP]

**NONPAYMENT**

The District may initiate withdrawal of students whose tuition payments are delinquent.

**APPEALS**

Any appeals shall be made in accordance with FNG(LOCAL) and GF(LOCAL), as appropriate.
