# Connect to District WiFi using Android

1. Tap the WiFi icon on your phone

2. Select CISD-WiFi from the list

3. You will now be prompted with a login screen. Enter your domain credentials (First initial, last name for the Username) Then click the Login button.
Existing Users

Log in for secure Internet access:

First Initial, Last name

District Password

Log In

Logging in indicates that you have read and accepted the Use Policy

4. After entering your credentials, you will see a Login Successful screen. You are now connected to the District WiFi.

✓ **Login Successful**

You are now connected to the network.

If you still require assistance, please open a help Desk Ticket
