INDUSTRY PARTNERS

COMMERCIAL MUSIC

As a brand new pathway, they are working on building industry partners.

DIGITECH

This pathway is coming to an end and we are re-introducing the Marketing Pathway.

MACHINING INDUSTRY PARTNERS

As one of our longest-standing pathways, the Machining Pathway has accumulated some amazing industry partners over the years and they play an integral part in our program!

- Annual Advisory Meetings where we have over 20 industry partners in attendance, where they provide industry updates, feedback on curriculum and instruction.
- Students take field trips to visit industry partner businesses and are offered amazing opportunities for internships and job opportunities.

Some of our most valued industry partners include:
