

PLTW PRE-ENGINEERING (2 Yr.)
High School Students Only
2024-25

CLASS TIMES:

AM Students: 8:00am to 10:50am
PM Students: 11:50am to 2:50pm
1080 hours

INSTRUCTORS:

Christopher Meyer

This is an intensive three-year academy that enables the student to look at different types of engineering as well as emphasizing higher academics. Students in this major will study pre-engineering through Project Lead the Way curriculum that will introduce them to the concepts and principles of engineering and there will be a strong emphasis on developing problem-solving skills. Students will complete advanced math and science courses, including physics and calculus, which will prepare them to advance to the college or university level.
