GENERAL INFORMATION

PARENT HANDBOOK: Moorpark Unified School District provides each family a copy of the Parent Handbook. It contains valuable information regarding district policies and practices. This handbook is sent home, upon request, with the youngest sibling in the family or can be viewed online on the district webpage: www.mrpk.org

HOMEWORK POLICY: Homework is designed to develop positive attitudes and work habits and expand content knowledge. Classroom instruction and homework are based on California State Standards. Campus Canyon staff assigns relevant, challenging, and meaningful homework assignments that reinforce classroom learning objectives. Homework serves to develop individual study skills and responsibility while reinforcing skills and concepts. Students are responsible for the completion of all work assigned when absent from school and are encouraged to select a student "study buddy" in each class who agrees to obtain any assignments during his/her absence.

The purpose of homework:

To practice/reinforce concepts introduced in class	To prepare for subsequent lessons
To assess learning and understanding	To establish study habits
To help students learn to budget and prioritize time	To participate in research activities

Although parental support is encouraged, the work should be performed by the student. Parental support of homework should include:

- Providing a suitable place to study with the appropriate & necessary materials
- Checking to see if homework is completed
- Offering to clarify directions and answering questions
- Encouraging the student to do their best work
- Checking the student's agenda book daily

SCHOOL SUPPLIES: The following supplies are strongly suggested for student success:

Agenda Book (grades 3-8)	Wide lined paper, at least 20 sheets
Independent Reading Book	Pencil pouch/holder
ID Card	Colored pencils
Three #2 Pencils	Eraser
Two Blue or Black Pens	Highlighter
Accordion file with tabs OR 3-ring Binder (2" min) with divider tabs	Individual teachers may request additional supplies as needed for lessons/activities.
Parents are encouraged to periodically check their student's supplies to ensure they have what they need.	

ID CARD: You will be issued a photo ID card at the beginning of the year. This card identifies you as a Campus Canyon student and therefore must be carried every day at school and to all MUSD functions/events. Students will be asked to show their ID for various reasons, such as: library use, school activities/sporting events, buses, lunch line, etc. If a student loses their ID, they will be required to purchase a new one from the office.

PHYSICAL EDUCATION: Physical Education is a required subject for all students. Campus Canyon's physical education curriculum is based on the state framework and standards. All students are expected to participate, which requires **tennis shoes** (with laces) and appropriate **physical education clothing for grades 6-8.** Only our 'Campus Canyon Logo' is permitted on PE clothes, no exceptions. Campus Canyon offers PE clothes for a set donation. A student's physical education grade is based upon class work, homework, and tests/quizzes. Students may be excused from participation due to illness accompanied by a parent or guardian-signed note. A parent or guardian-signed note is good for **one** day only, after 3 school days, a doctor's note is required. P.E. lockers and a school lock are provided for each student for use during PE class only.

TEXTBOOK/LIBRARY: Students must have their ID card to use the library. Students are responsible for the books/materials issued to them. Lost, stolen, or damaged books/materials must be replaced by the parents/student through the library. We hold our students responsible for the books issued to them. If a student loses a book/material, the school must be reimbursed for the cost of a replacement copy (at current prices.) If the books/materials are found, the money will be refunded. Library books may be checked out for two weeks and be renewed for an additional two weeks. Each student is responsible for all library and school materials charged to his/her name. **Any student who has an overdue library book or owes library fines 4 may lose privileges to participate in school functions (dances, movies, field trips, assemblies, year-end activities, promotion, etc.)** Failure to abide by library rules will result in the loss of library privileges.

CAFETERIA: All food served in the cafeteria is in total compliance with state and federal nutrition. **Lunch** is a 40 minute period each day where students have 20 minutes to eat and 20 minutes to play. Campus Canyon is a CLOSED campus; students are not allowed to go home for lunch. Parents should make checks for lunch food credit payable to **Moorpark Unified School District.** Food credit amounts are placed on the student's Campus Canyon ID Card. **Students must have their ID Card with them to use their credit.** If a student is moving from the area, his/her unused monies are refundable. All unused money at year end will be rolled over for the next school year.

- Students may eat only at the lunch tables (food is not allowed outside the lunch table area)
- Directions of campus lunch & playground personnel must be followed.
- Good table manners and good behavior are expected.
- Show pride in C³PA – keep our lunch area clean!
- Asking or forcing other students to give up their food or money is not allowed.
- Certain areas are off limits to students during lunch. Students are expected to comply when directed away from those areas.

CLASSROOM INTERRUPTIONS: In the interest of maximizing instructional time, and maintaining an environment conducive to learning, phone interruptions regarding messages, forgotten lunches or homework, etc. must be left in the office. Early check-out calls to the classroom will be made as soon as the parent/guardian or release contact listed in Q is **present in the office.** Balloons and flower arrangements for

students are NOT allowed at school. For birthday treat bags, **no outside food**, parents should make prior arrangements with the teacher. You are NOT allowed to order food for delivery at any time.

GRAFFITI TOOLS AND MARKERS: Graffiti tools such as paint, markers, permanent markers, slap stickers, etc., are not allowed on campus and will be confiscated from the student. Students in possession of such items may be suspended from school and/or cited by the police and held liable for the cost incurred for the damage.

SCHOOL SPIRIT DAYS: Every Friday is considered Spirit Day. Our school colors are royal blue and white. Our mascot is the Cougar. Campus Canyon T-shirts and sweatshirts may be purchased through the PTSA organization in the fall and throughout the year. Each week students are encouraged to wear a college t-shirt or sweatshirt on "Where Are You Going Wednesdays."

FIELD TRIP/ACTIVITY POLICY: Teachers and staff support the co-curricular activities/field trips of other teachers and departments that may result in a student being absent from their class. However, there will be those activities/field trips that a student may not be allowed to participate in as a result of unsatisfactory conduct and/or not meeting the criteria of the eligibility list (e.g., 'Caught Being Good' park trip. All teachers will be notified by the activity/field trip sponsor of the students participating in the activity/field trip at least one week in advance of the activity/field trip. A student ID is required on the trip.

HOME /SCHOOL COMMUNICATION

QPARENT CONNECTION: Parents may access grade, attendance, and other personalized information about their students attending MUSD schools through the district's online Parent Connection service. Parents must pick up their personal log-ins and passwords in person from the Campus Canyon office.

PROGRESS REPORTS: Progress reports will be sent home to parents near the middle of each trimester. The reports will indicate the student's grade status at that particular time while the student still has an opportunity to make improvements. **These are not final grade cards.** Students are expected to have parents sign the agenda book (page 2) to show that they have received the progress report and have reviewed it.

PROGRESS REPORT - Middle School: Following the progress reports, progress report updates will be issued before the end of each trimester for each subject in which you are earning a grade of D or F, or honors class in which you are earning a C. These notices will be mailed home and will serve as notification to your parents of any areas in which your performance is deficient.

REPORT CARDS: Report cards are issued three times during the school year, once per trimester. Each report card reflects work students have done during that trimester. Standards based report cards are used in K-5 while course letter grades are given in grades 6-8. In all grades, comments regarding students' conduct and study skills are given. If parents do not receive a report card within a reasonable time, they should contact the school office.

NEWSLETTER & SCHOOL WEBSITE: Newsletters are issued once a month via printed copy, website, or email. The newsletter is a valuable source of information for parents and students. The newsletter alerts the families to programs, events, and deadlines that may be approaching. The website includes school calendars, teacher webpages and informational links to state, district and other education related websites. We recommend that families check the school website regularly for news about upcoming school events.

FLYERS: Occasionally, additional information is sent home as a flyer or handout. Some may require parent signatures and need to be returned. Students are responsible for delivering this communication to parents.

PHONE DIALER: A phone dialer system is in use for all schools in the district. It is used to notify parents, by phone, of emergency situations affecting the schools, their students' absences on a daily basis, and other important reminders.

ATTENDANCE

Regular attendance is essential to successful school achievement. Good attendance and progress in school are positively correlated. If any minor is a habitual truant, or is irregular in school attendance, the pupil may be referred to an attendance supervisor, a School Attendance Review Board (SARB) or the Ventura County District Attorney's Office. (E.C. 48260 and 48263). For pupils declared a ward of the court pursuant to Welfare and Institutions Code 602, school staff is required to report to the pupil's probation officer school attendance and/or behavior violations within ten days of the reported violation. (E.C. 48267). Three days of absence or three tardies in excess of 30 minutes is considered a truancy. **If a student will be absent for the entire day or is coming in late, the parent/guardian must call the attendance line at (805) 378-6301 and choose option #1.** Leave your name, child's name, the date, and the reason for the absence. Legally excused absences are for illness, doctor, or funeral services for a family member. **Parents are encouraged to schedule medical appointments at times that will not result in loss of instructional time. Any absence not cleared by a note or phone call from a student's parent or guardian within 48 hours will result in the absence being considered a truancy.**

Students who are **absent without parent or guardian permission are truant.** Once students arrive on campus, they are not to leave or they will be considered truant. Class work missed due to the truancy may not be made up. A parent or guardian will be notified of any verified truancy, and a parent or guardian/student conference will be held. Documentation of the reason for a student absence is a mandated part of attendance accounting and is directly related to our state funding. If the absence will be three days or more, please call the office and let us know.

When coming to school late or returning to school after an absence, students are required to report to the office with either a **NOTE** from a parent or guardian or a prior phone call.

The note must include the following information:

1. Current Date
2. Date(s) of absence
3. Reason for absence (i.e.-flu, measles, and bronchial infection. "Ill" is not acceptable under the reporting mandate.)
4. Parent/Guardian signature

PLANNED ABSENCE/PLANNED VACATION: Family vacations should be planned during established school recess days and holidays. A parent who plans to take a student out of school for more than five (5) days **must contact the attendance clerk at least ten (10) days prior to the absence.**

MOVING: It is important that parents and students keep the office informed of any change of address or telephone number. **Please notify the office immediately, in writing, of any changes that should be made to a student's emergency card.** Before a student transfers to another school, the parents or guardian must notify the office of his/her new address. On a student's last day of attendance, he/she must report to the attendance clerk by 9 a.m. to receive a withdrawal form and further instructions. Before we can send school records to another school, the student must clear all obligations including the return of library books and textbooks and paying off any outstanding fees.

CHANGE OF ADDRESS/EMERGENCY INFO: It is important that you keep the office informed of any change of address or telephone number.

CLOSED CAMPUS: Campus Canyon is a closed campus. Students cannot leave the grounds at any time during the school day except in the company of a parent. Parents must sign students out through the school office before leaving and sign in upon their return to school during the same school day. **Students may be released only to those adults listed on the emergency form. We require a valid picture ID.**

HEALTH SERVICES

AN UP-TO-DATE LOCAL EMERGENCY PHONE NUMBER IS REQUIRED FOR EACH STUDENT TO BE USED IN CASE THE PARENT CANNOT BE REACHED.

PRESCRIPTION MEDICINE: UNDER CALIFORNIA LAW, WHEN PRESCRIBED MEDICATION MUST BE GIVEN DURING SCHOOL HOURS, PROPER FORMS ARE TO BE FILLED OUT BY THE PARENTS AND THE DOCTOR. THE FORMS MAY BE OBTAINED FROM THE OFFICE. THIS MEDICINE SHALL BE FURNISHED BY THE PARENTS IN THE ORIGINAL LABELED CONTAINER. Inhalers and EpiPens are allowed to be carried by a student with the doctor's permission. It is requested that a back-up inhaler/pen be kept in the health office.

NON-PRESCRIPTION MEDICINE: (OVER THE COUNTER MEDICINE): The same form as mentioned above, signed by the parent and physician, stating how the medicine is to be used, is required for dispensing **ALL** prescription and over the counter medication must accompany a supply of the medicine in the manufacturer's or pharmacy container. ANY AND ALL MEDICINES AND/OR PRESCRIPTION MEDICATIONS ARE TO BE TURNED IN TO THE HEALTH OFFICE OR THE MAIN OFFICE AT THE BEGINNING OF THE SCHOOL DAY. **Students are not to be in possession of any medication while on campus.**

IMMUNIZATIONS: It is a State Law that every new student must show proof of his/her current immunization for Polio, Diphtheria, Pertussis, Tetanus, Measles, Mumps and Rubella upon enrolling in any school. **Before** entering 7th grade, all students must show proof of immunization for Hepatitis B. All students, 7 – 12 grade, are required to have a Tdap booster, in order to attend school. **If proof is not provided, the student will not be admitted to school.**

HEALTH PROBLEMS: The school should be notified of **any** physical individual health problem that could affect a student's well-being and/or general health. If a student must be placed on a limited P.E. program, he/she must provide the school with the physician's request explaining the student's exact limitations. Students will be required to participate in a full P.E. program if the physician's request has not been received in the Health Office. An excuse written by a parent/guardian or school authority will be honored for one day only. No more than three such excuses in sequence will be accepted. A request to be excused for more than three days must be written by a medical doctor, health advisor, or religious practitioner. A physician's request for non-participation must be received by the school nurse before the student may be excused from P.E. for more than one day.

READMISSION AFTER ACCIDENT/INJURY: This requirement applies to any major medical situation and any condition requiring a cast, crutches, wheelchair, stitches, elastic bandages, or slings. Students returning to school under these conditions must provide a physician's verification of permission to return to school and may not participate in PE, lunchtime activities, recess, or be on the school ground before or after school until a written release by a physician is received.

INSURANCE: School insurance does not cover student injury. An insurance company not connected with the school, offers an accident policy that gives coverage for regular and summer school sessions. Parents have the opportunity to purchase this insurance.

MEDICATION may be given to students in the health office only under the following conditions:

- A parent must personally bring the medication to the health office in the original prescription bottle along with a written statement from a physician detailing method, dosage, and time. Students may not carry medication.
- The parent must sign the "Request for Medication at School", form which is available in the health office.
- Under no circumstances may "over the counter" medication be administered to students without a physician's prescription. Children may not possess medication of any kind at school.

Students with stitches, casts, splints, crutches or slings may be allowed to attend school with a **note from the physician**. These students will be required to report to the office during outdoor play periods. A medical release will be needed when restrictions are no longer in effect. This includes classrooms, patio areas, playground, and lunch area before, during, and after school.

SCHOOL SAFETY

The safety of our students is our primary concern. Please follow a few simple procedures to assure that our students are safe at all times:

- Before school, all students must enter campus through the front door.
- After school, all gates are open for the departure of students.
- All visitors and volunteers must check in through the office, before and after school.
- A Volunteer form must be completed with a copy of your driver's license in order to help in the classroom or to go on a field trip. ALL volunteers must comply with California Education Code Section 49406 (m).
- No one will be permitted on campus without a visitor badge and completion of the sign in sheet in the office.

VISITORS: All visitors, guests, and parents must sign in at the main office and receive a badge to be worn during the visit. Meetings with school personnel must be scheduled at least 24 hours in advance and for a time that does not interfere with the educational process. Non-students are not permitted to loiter on or around the school grounds or in school buildings. They will be escorted off campus and may face other consequences.

PERSONAL PROPERTY: You assume responsibility for loss or damage to any of your personal property. The school endeavors to protect all personal property such as bikes (which will be locked up in the bike rack area), but is not responsible for them. **LARGE SUMS OF MONEY AND ARTICLES OF REAL OR SENTIMENTAL VALUE SHOULD NOT BE BROUGHT TO SCHOOL.** You should not bring personal objects onto the campus unless they are related to your instructional program. Campus Canyon administration will not look for and/or conduct investigations regarding non-authorized personal property.

Examples of personal objects that do NOT belong at school include, but are not limited to:

- Balloons and bouquets
- iPods, MP3 players, itouch, ipads, electronic readers, DS games, Bluetooth and wireless speakers, and other electronic devices described below (see Cell Phones/Electronic Devices)

- Weapons – 1st time - suspendable offense
- Look alike weapons or other dangerous objects as determined by school administration – 1st time - may be a suspendable offense

IF YOU CHOOSE TO BRING THESE ITEMS ON CAMPUS, YOU ARE SUBJECT TO DISCIPLINARY ACTION, WHICH MAY INCLUDE SUSPENSION AND/OR EXPULSION FROM SCHOOL.

CELL PHONES/ELECTRONIC DEVICES:

Campus Canyon prohibits the display, activation, and use of electronic signaling devices, including **cell phones** during school hours, (8:15a.m.-2:40p.m.) or at school sponsored events or activities. You are **This means off and out of sight.** All other electronic devices; such as cell phones, iPods, MP3 players, CD players, cameras, etc., are strictly prohibited. Any picture or video taking will result in disciplinary action. The school assumes NO liability for the loss or damage of the device or its misuse by another person. The school will NOT investigate stolen cell phones or other prohibited electronic devices. The district will NOT reimburse for lost or stolen items or any other electronic device as described above. **Cell phone security is the sole responsibility of the student. All confiscated electronic devices will ONLY be returned by Campus Canyon administration to the student's parent or guardian. (Lost or stolen items can be reported to**

the school; however, the school is not responsible for finding or replacing the lost or stolen items.) **A violation occurs whenever a prohibited device is in plain view, turned on, or rings or vibrates, whether or not the student intended to display the item.** Devices should be stored safely in your backpack **NOT** in your pocket. Violations, as mentioned above, are subject to disciplinary action by administration. Any staff member witnessing a violation will ask the student to surrender the device immediately. Failure to comply with the request will be considered defiance of school authority and shall be treated as such, in addition to any other penalties under this policy. If you refuse to comply, you are subject to suspension from school.

SAFE PASSAGE TO AND FROM SCHOOL: Safety is a major area of concern to us. This includes student safety on the way to and from school. **All school rules are in effect the entire time going to and from school.** Only cross streets in designated crosswalks. Obey all traffic signals. Students should not walk, bike, scooter, or skateboard in the streets. Parking lots are also dangerous. Shortcuts through shopping center parking lots and the school parking lots are not recommended. Never walk alone or accept a ride from or approach a stranger. If approached by a stranger, inform your parents and the office immediately. The arroyos, flood channels, and railroad tracks are dangerous. **Do not go into, attempt to cross, or play near the streams or railroad tracks.** Nothing should ever be thrown into the street or at cars, people, bicycles, etc.

BUS TRANSPORTATION: Your parents are legally responsible for your transportation to and from school. Bus transportation is a privilege and an optional service, provided by the district to assist parents with their responsibility. Failure to observe district rules may result in denial of transportation. All students being transported are under the authority of the bus driver and must obey his/her directions. Transportation is provided to get you to and from your home. Transportation is not provided to transport you to your friends' houses in a different neighborhood, the park, the market, etc. **The phone number of the district transportation department is (805) 378-6344. There is a ridership fee for bus service.**

Bus riders will:

- Line up as directed by the adult in charge.
- Enter the bus safely, quietly, and quickly (no pushing, running, etc.)
- Remain seated while the bus is moving.
- Remain seated until the bus is stopped and the door is opened.
- Comply with all directives given by the bus driver and any other responsible adult on duty.
- Keep all parts of the body inside the bus.
- Cross the street only in the areas designated by the bus driver.

Please notify your child's teacher or the office when your after-school transportation plans change.

DISASTER PREPAREDNESS/EMERGENCY

All students and staff participate in monthly fire/emergency drills. You are expected to behave in a manner consistent with the purpose of these drills. You are to be quiet, attentive, and obey all directions. Drills are essential in preparing students to respond appropriately in the event of a real emergency. Should an emergency situation occur while students are at school, there are established procedures in place to protect them and our staff members. In addition, a system exists for releasing students to the adults listed on the emergency form that allows a safe and controlled release. Student safety is our primary concern. **Please notify the office immediately of any changes in emergency contact information.**

STUDENT BEHAVIORAL EXPECTATIONS

2. Having a total of 3 suspensions during the school year eliminates the student from participating in all extra-curricular activities for the rest of that school year.

Using such aids during a test or quiz, or even having them out, may result in a score of zero on the examination.

Students are plagiarizing if they do the following:

- Reusing their own work created previously for another class representing it as a first-time assignment.

STUDENTS PREVENTION OF BULLYING MUSD Board Policy 131.4 (a)

Bullying and its negative effects erode pupils' ability to learn. Bullying is recognized as behavior that can span from minor offenses like name-calling, fights, and purposeful social exclusion to more serious criminal acts of libel, repeated physical attacks, and sexual harassment. In order to combat potential incidents that may negatively impact a pupil's opportunity to succeed academically and feel safe at school, the Moorpark Unified School District (MUSD) has taken the position that all pupils have a right to a safe and healthy school environment. The District, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

MUSD and Campus Canyon will not tolerate behavior that infringes on the safety of any pupil. A pupil shall not intimidate or harass another pupil through words or actions. Such behavior may include direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and intentional social isolation or manipulation.

To ensure that bullying does not occur on school campuses, MUSD will provide staff development training in recognizing bullying behaviors and the prevention of bullying, and will cultivate acceptance and understanding in all pupils and staff to develop each school's ability to maintain a safe and healthy learning environment. Teachers should discuss this policy with pupils in ways appropriate to their ages and should assure them that they need not endure any form of bullying. Counseling and other appropriate interventions shall be made available, as needed, to any child who has been the object of bullying.

Each District school should adopt a Code of Conduct to be followed by every pupil while s/he is on school grounds, when traveling to and from school or a school-sponsored activity, whether on or off campus, and during the lunch period. The Code of Conduct should include, but not be limited to, the following actions and consequences:
