

Thank you for your interest in joining our Athletic and Activity Programs.

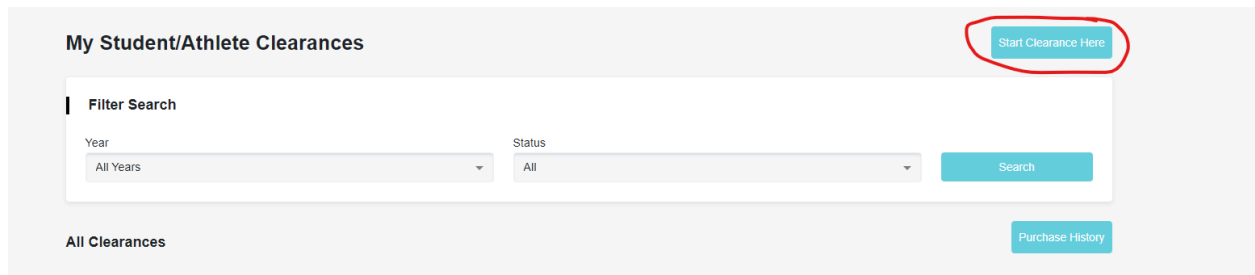

Before any athlete may participate in an athletic event or activity they must be cleared to try out.

To start this process you will need to make an account at <https://www.homecampus.com/login>

You will receive an email to confirm your account.

Once you log in you will be able to start a new clearance for the upcoming school year.

Once you have selected the school year and sports/activities of participation you will be prompted to provide personal information and E-sign multiple documents.

You will need to upload 2 completed documents along with the rest of the application. You can scan or submit a picture of your emergency contact information and sports physical. These must be approved by the Athletic/Activities Staff Prior to your official clearance.

If you have any questions please reach out to Matthew Czarnota at mczarnota@vvhhsd.org with questions or concerns.
