Announcements for Nov 28, 2022

Advantages of the classroom eEdition!

Your students live in a digital world. The eEdition is an excellent interactive tool that helps you and your students meet technology and core curriculum learning objectives.

ENHANCED. Choose to translate each article into multiple languages or choose an audio version. The full screen mode and intelligent zoom for pages and articles makes it even easier to read and navigate, plus there is a robust Table of Contents.

EDUCATIONAL. The eEdition includes all youth content that you love, plus we provide curricula such as current events & geography quizzes, writing prompts and lessons for Language Arts, STEM and Social Studies.

EFFICIENT. You receive total access 24/7 for your lesson-prep convenience. Students can access from home on any device.

EDGY. Reach your students where they live – in a digital world.

EASY-TO-USE. Search by keywords.

- **If this is your first visit with this new method, please choose “Sign-Up”.** The good news is that you have four options on how you can Sign Up/Log In:

The image shows a mobile login and sign-up interface for MediaNews Group. At the top, the title "MediaNews Group" is displayed in a large, bold font. Below the title, there are two tabs: "Log In" and "Sign Up". The "Sign Up" tab is currently selected, indicated by a horizontal line underneath it. Below the tabs, there are three social login options, each in a separate button: "Sign in with Apple" (black button with Apple logo), "Sign in with Facebook" (blue button with Facebook logo), and "Sign in with Google" (white button with Google logo). Below these buttons is the word "or" centered. Underneath "or", there are two input fields: one for an email address (containing "yours@example.com") and one for a password (containing "your password"). Below the password field is a link that says "Don't remember your password?". At the bottom of the form is a large teal button with the text "LOG IN >" in white capital letters.

- At this step, *Teachers & Students* will enter the *Username & Password* for access.
