School Description

Northstar Middle School began in 1981 as one of Lake Washington's first choice schools. Northstar has four full-time teachers and a student body of nearly 90, with approximately 30 students per grade level. At Northstar, we believe students learn best in a small, caring community where individual talents can be recognized and nurtured, academic growth encouraged, and moral development fostered.

Northstar is located on the Emerson Campus in the Houghton neighborhood. Northstar emphasizes academic excellence, personal responsibility, and creativity. Experienced teachers work as a team to lead multi-age, theme-based classes. We foster the unique aspects of each student and appreciate individual differences. Students are encouraged to connect to people in their community through service learning.
