

Mission Statement

To provide quality recovery based, trauma informed, integrated services including: education, intervention, case management, treatment, after care, and referrals to consumers in Washington and Greene Counties.

Our Vision

Every individual served, through trauma informed, recovery based, integrated services, will have the opportunity for growth and inclusion in their community and have access to culturally competent services and supports of their choice. We strive to provide hope, empowerment, and improved quality of life that promote people reaching their full potential as individuals and productive community members.

All services are provided in cooperation with the Greene County Human Services Department.

Behavioral Health

Outpatient Treatment

- Services include education, assessment/evaluation and treatment for individuals who are not maintaining their optimum functioning level.
- Individual, group, marital and family therapy, provided at our offices.

Crisis Intervention Services

Provides three levels of behavioral health crisis intervention including:

Walk-in:

Walk-in crisis service is available 8:30am to 4:30pm Monday through Friday, providing face-to-face contact for a person in crisis or a person seeking assistance for a person in crisis. Services include assessment, information and referral, crisis counseling, crisis resolution, and resource coordination.

Telephone:

The telephone crisis service is available 24 hours a day, 7 days a week, to people in crisis or callers asking for assistance with mental health issues.

Mobile Outreach Service:

The mobile outreach service is available 24 hours a day, 7 days a week, providing crisis intervention where the person in crisis is located.

24-Hour Crisis Intervention Hotline
1-800-417-9460

Drug and Alcohol Treatment

- Services are available to the chemically dependent person and to those affected by another's chemical dependency with the goal of support toward recovery.
- Individual, group, and intensive outpatient therapies.

Community Treatment Team

- A behavioral health program that serves adults who have serious and persistent mental illness/co-occurring substance abuse history or a criminal background.
- A self-contained, person-centered, strengths-based, and recovery focused program that provides intensive services to consumers.
- Services are provided in the consumer's private residence or other appropriate community based site.

Specialized Treatment for Older Adults

- The CARE Center offers services that provide behavioral health treatment for the older adult population through collaboration with the Southwestern Pennsylvania Area Agency on Aging.
- Assessment and referral services for older adults are available through our Greene CARES Program

STTARS

(Sexual Trauma Treatment and Recovery Services)

- Services provide counseling and support services for sexual assault survivors of all ages: Individual, group and play counseling; support groups; prevention education; and victim advocacy.

24-Hour Sexual Assault Hotline
1-888-480-7283

Gambling Treatment Services

- PA certified staff are available to provide assessment, treatment, and education to individuals affected by gambling addiction and are focused on recovery.
