Road Closures

As AEP continues repairs in the Berlin Township community following last month's severe storms, they have [announced a temporary road closure](#) to a portion of Piatt Road beginning **Monday, April 29**.

AEP will be installing new power lines in the area, and for the safety of families, staff, and work crews, access to Piatt Road (between Preston Field Road and Glenmead Drive) and a portion of Preston Field Road (between Piatt Road and Whitehill Drive) will be temporarily restricted **Monday through Friday from 9 a.m. – 2:30 p.m. and 4 – 8 p.m., as well as Saturday and Sunday from 7 a.m. – 8 p.m.** AEP anticipates repair being completed in three weeks.

Roads will be open in the mornings and afternoons to ensure buses, families, and staff have access to schools in the area (Cheshire ES, Berlin MS, and Berlin HS); emergency access will also be maintained. Please be aware that guests arriving or departing Berlin MS while crews are on-site may experience delays to ensure the safety of workers and road conditions.

NOTE: Berlin MS will only be accessible from the intersection of Piatt Road and Glenmead Drive during the restricted access times.

These road closures may impact upcoming extracurricular activities on these campuses, and the District is working with principals, coaches, and program coordinators to address any potential challenges.

For additional information, see the [communication from AEP](#).

Thank you in advance for your patience and understanding.
