

ACHS Boys Summer Soccer Program

About Central Soccer:

For the past 10 years we have built the boys soccer program into a consistent contender for league titles and runs to the State Final Four. We use the summer training program as a way to improve our players' technical skill, tactical understanding, and physical capabilities while fostering team camaraderie.

Voluntary Summer Practices:

Throughout the summer we will practice every Monday, Wednesday, and Friday from 8:00-9:30am at Jaguar Stadium. The cost is \$100 for the entire summer and includes a team performance t-shirt. Bring water, cleats, running shoes, and wear a light colored t-shirt. Payment can be cash, check (to Steven Huskey), Venmo (@Steven-Huskey) or PayPal (@huskeys). Register with this link →
