We being the parents/or legal guardian of the camper authorize Grant Bacon and/or his assistants to request emergency medical treatment or care as necessary to insure the well being of our dependent. Further, I claim that the camper has had a physical examination in the past year and was found fit for physical endeavors. Thank you for your interest in bringing your son/sons to the 2024 Andover Central Baseball Camp! We look forward to four days of various drills and activities to help campers get better in each phase of the game AND do so while having fun! Camp will be Tuesday May 28th-Friday May 31st.

The plan is for this year is to have younger campers be together, this group will include current 2nd graders to current 5th graders. If you feel your 5th grade son skill wise is more suited to be with the older group or if you have two of your sons coming and one is in the later group and you only want one drop off/pick up time please contact me and I will make that arrangement.

With the younger campers we will start with incredi-balls which are softer than normal baseballs and work our way to real baseballs. If there is a safety concern we will stick with incredi-balls, no worries!

Each day we like to have contests with winners receiving some candy so if that is a problem please let me know and I will find another reward!

We like to give campers an opportunity each day to play a game called Pull the Trigger. We have certain rules such as each defender has to "creep" prior to the pitcher (a coach pitches) releasing the baseball, players must run on/off the field, players must call "ball" when a flyball is hit to them, once you get through first you can't get out as a hitter, each team gets 6 outs...there are more "rules" but those are just some highlights. We've played this game for over twenty years at camp and it's always been a big favorite of our campers.

What to bring:

- Water bottle
- Glove
- Bat*
- Helmet*
- If catch, catching gear

*If your son does not have a bat or helmet we can take care of them

Time slots for each group: (May 28th-May 31st)

8:30-10:00 "younger" group--current 2nd-5th grade

10:15-11:45 "older" group--current 6th-8th grade

The cost is \$65 per camper

I will be there by 8:15 to take care of registration, and I will have a coach there by 10:00 to take care of registration for the older group.
