

Beckham Blast

Update on all things Beckham from Mrs. Dassing-March 2022

Principal Musings

Dear Bengal Families,

I cannot tell you how proud I am of all that our students, staff, and families are accomplishing in 2022! We are well into 2nd semester and spring is quickly approaching. Our winter sports have finished and had an amazing season. We now have over 350 athletes competing in spring sports and they too are off to a fantastic start. Our Bengal visual and performing arts students continue take regional and state accolades and our academic honor roll is long! Check out some of the other great news below!

As I was preparing this blast, I was reflecting on the fact that just two short years ago, our lives were radically changed. Weathering the uncertainty of the COVID pandemic has taken it's toll on everyone. But I have been struck again and again by the continued perseverance and tenacity we as humans have. No matter what has come our way, we have been able to move through it not just because of our personal strength but because of our collective strength as a family and a community.

We are challenged daily by all things you would expect in public education but I do feel that Lucy Beckham High School has something special that makes it all better. We are not perfect and we never will be but what you will find here is a passion and a dedication to do everything we can to love and support our students, staff, and families. Thank you for the privilege of loving and leading your teenagers!

Your very proud principal,
Mrs. Dassing

Teacher and Staff of the Year!

Please join me in congratulating Mrs. Nicole Forrester (Teacher of the Year) and Mrs. Kim Oppold (Staff of the Year)! LBHS would be lost without them!

First Blood Drive was a huge success!

LBHS students, families, and community collected over 50 pints of blood. That is enough to save over 150 lives! Our next drive will be on April 19! Mark your calendars and help us collect even more! Thanks to our Biomed Club for hosting these important events.

Chris Singleton inspires our students- LOVE>HATE

Chris Singleton is a former minor league baseball player drafted by the Chicago Cubs. He became a nationally-renowned speaker with a message of resilience, forgiveness and unity following the loss of his mother in the 2015 Mother Emanuel Church Tragedy in Charleston, SC. Chris' overall mission when speaking is to inspire his audiences with his story of resilience and to unite millions of people with his belief that, "Love is Stronger Than Hate."

Sorry! No Food Delivery Services Allowed at LBHS!

We know that food delivery services are a major convenience but we cannot allow students to order from and receive outside food deliveries from places like Uber Eats, GrubHub, or DoorDash. Thank you for reminding your student about this! Also, remember that all students can eat for free in our cafeteria this year. After one lunch, students will need to pay for additional food.
