

Good evening, Beckham Families,

As you are aware, safety is always our number one priority for our students and staff. To this end, the beginning of the school year has us doing various safety drills for the first time. Due to social distancing requirements and other concerns related to COVID-19, drills will be modified to accommodate the health and safety of students and staff. Lockdown drills will be conducted as verbalized walk-through drills. These "talking" drills will be interactive with students, provide reinforcement of actual drill behaviors, and ensure safe procedures. These drills are set by CCSD following guidelines set forth by the SC Law Enforcement Division. We have already conducted our first COVID compliant fire drill and will be doing our regularly scheduled lockdown and earthquake drills soon.

On an instructional note, we are approaching the time for interim progress reports in Powerschool. Please be sure that you and your student have access to PS Portal to monitor student progress. Please contact Lucye_Magill@charleston.k12.sc.us if you have any issues with accessing the portal.

Lastly, please be sure your student has a pair of earbuds or headphones for use in classes or during independent learning time. This will help tremendously with being able to hear if they are in an ILT space or Learning Lab within the building.

Thank you all for your continued support as we work to make this inaugural school year for Lucy Beckham High School the best!

Go Bengals!
Mrs. Dassing
